NOTICE TO RAILROAD CONTRACTORS.

GALVESTON, HOUSTON AND HENDERSON RAILROAD.

Proposals will be received at the office of the Company, in the City of Galveston, and also at the office of the undersigned, Carrollton, Louisiana, for the construction of the entire road and the supply of all the materials, but excepted, from Galveston to Houston, a distance of fifty two miles.

Plans and specifications may be seen at either office, after the first day of August. Proposals will be received up to the first day of October next.

Bids will be received either for the construction of the road entire, or for furnishing materials, for grading, and for track laying, separately.

MATERIALS REQUIRED.

126,000 Cross-Ties, 8 feet long, 6 by 8 inches, laid equal to 5 feet 1 inch at corners—post oak, cedar, yellow pine and cypress.
100,000 linear feet of Piling, 26, 33 and 36 feet long, 9 inches square at the small end, and 18 inches square at the butt—to be of live oak, hewed or sawed.
1,350,000 board measure, 9x12, and say length not less than 15 feet.
800,000 Cross-Ties, 8 by 8 inches, 8 feet long.
100,000 Weather-boarding, six dic.
50,000 Sash, Doors and Blinds, to be of 24 feet.
250,000 " 8x10, 18 or 27 feet.
400,000 " 8x12, 18 or 27 feet.
100,000 Mixed, 9 to 24x4 to 6, 18 to 24 feet.

Lumber to be delivered in Galveston Bay, at any point accessible to vessels of not less than ten feet draught, as the Company, between November 1, 1853, and June 30, 1854.

Payments for lumber will be in like manner for the delivery of 50,000 cubic yards of Ballast, of Gravel, Coarse Sand or Shells, at Virginia Point, Dickerson Bayou, Clear Creek, Sims's Bayou, Bragg's Bayou, and Houston, in proportion to the work done, to be indicated by the Chief Engineer, one month at least before needed.

WORK REQUIRED.

Proposals will be received also for grading of the whole line, having 108,528 cubic yards of cut and fill.

Also, for pile piling across the Bay, 8000 feet, and for the construction of four Bridges and one Draw-bridge, amounting to 850 feet, to five spans. Also for 1250 lineal feet of Trestle-work. All to be done according to specifications and plans to be seen in the office.

Proposals will be received in like manner for laying the superstructure of the Road.

The larger bids, accompanied with proper evidences of ability to perform, will be viewed with favor.

All the work must be completed within one year from November 1, 1853.

Payments in cash will be made monthly upon the estimates of the Engineer, 20 per cent. being retained till the completion of the contract.

Satisfactory security will be required, in bonds of non-fourth the total contract sum, for the faithful performance of obligations, the security to be tendered with the bids.

All bids must be addressed—

" Proposals—Galveston, H. & H. Railroad."

☞ Full information will be furnished at either office, up to the time of letting contracts. CARLOS G. BOREMEY,
Chief Engineer.

☞ CAUTION.—The success of DR. LEWIS'S PREPARED FLOUR has induced others to manufacture an article purporting to be the same. All persons are cautioned against buying Prepared Flour without the name of our firm appearing on the barrels, etc.

CINCINNATI, June 18, 1853.

I hereby certify that Messrs. I. Chandler & Bro. are the only persons authorized to prepare Flour according to my plan, for or in the State of Louisiana. All others purporting to do so are base imitators, and are in no way to be encouraged. I do not hold myself responsible for the purity of Flour prepared by such persons. H. L. B. LEWIS, M. D.

CHEMICAL LABORATORY, UNIVERSITY OF LOUISIANA,
NEW ORLEANS, May 20, 1853.

Having analyzed samples of the Flour prepared for family use by Messrs. I. Chandler & Bro., we cheerfully recommend it to families as a wholesome, nutritious article, free from adulteration, and of the best quality. J. L. and W. F. RIDDELL.

☞ Prepared and sold by I. CHANDLER & BRO., 29 Fulton street, and 29½ New Levee, N. Orleans. jy21
