CHEESE—200 boxes Western Reserve

Sherman's World's Fair

SIX MONTHS AFTER USING THIS REMEDY

PARTICULAR ATTENTION GIVEN TO FITTING CHILDREN WITH BRACES.

There is a great deal of talk about the health of
children, and the necessity of fitting them with
braces. It is a well known fact that the health
of children is very delicate, and that they are
very susceptible to disease. It is therefore
essential that they should be fitted with braces
at an early age, in order to prevent the
development of any disease.
