DOCTOR HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED BY

Dr. C. M. JACKSON, Philadelphia, Pa.,

WILL EFFECTUALLY CURE

Liver Complaint, Dyspepsia, Jaundice,

Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach such as

Constipation, Inward Piles, Fullness, or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

The Proprietor, in calling the attention of the Public to this preparation, would say that it is entirely vegetable in its nature and not intoxicating in the slightest degree, and in addition to the diseases for which it is recommended.

It is now and universally acknowledged to be the best tonic ever offered to the American people, and one that has stood the test of a ten years' trial before the public, during which time many of a similar character have been introduced, and in every instance have proved worthless, and sunk into merited obscurity, while the Bitters of Dr. Hoofland have gained for themselves a reputation which is unparalleled in the annals of medicine, and which they will continue to maintain so long as they are made known to the public.

These Bitters are not to be recommended for any letter or package containing money, jewelry, or other valuables, unless specific bills of lading are taken out for the same, and the amount of the value of the package therein contained is plainly written on the outside of the package, and the same is signed by the agent of the Express Company receiving the same.

SPEAKING WHAT THEY KNOW

THESE GENTLEMEN take pleasure in testifying in regard to B. A. FAHNESTOCK & Vermifuge, because two of the firm have used it in their families for a number of years, and they have known it, by observation, to be good.

NEW ALBANY, IND., July 4th, 1852.

MESSRS. B. A. FAHNESTOCK & CO.:

GENTLEMEN—Having used your vegetable Vermifuge for some time, and having seen it used for many years, we would recommend it to all as a safe and efficient remedy for all cases of worms. In no instance have we ever seen any evil results follow its administration, but always has it answered the purpose for which it was intended, and been entirely satisfactory.

Believing as we do, that it has been set forth in regard to its virtues is entirely in accordance with our observations, not only on special occasions, but as constant family use, we cheerfully recommend it to all who need one, that it is the best Vermifuge now in use, and that its virtues are best known when tried.
