ANDERSON D. DIETER, COMMISSION MERchant and AGENT FOR JEFFERY'S DOUBLE-ACTING SUCTION AND FORCE PUMP WITH INDIA RUBBER BALL VALVES.

NOTICE.

Jeffery's Double-Acting Suction and Force Pump, with India Rubber Ball Valves,
Suitable for Sugar and Cotton Plantations, Draining Excavations, Dry Docks, Ships, and Steamboats, Nos. 2 and 3 sizes, Dwellings, etc., etc., etc.

The subscriber having been appointed Agent for this State for the sale of Jeffery's Improved Double-Acting Pump, with India Rubber Ball Valves, is now prepared to receive orders for the same. This pump was awarded the first premium at the late 5th, 1856, and was awarded the FIRST PREMIUM at the New York State Fair, held at Rimira in that year. In introducing this new Pump to the notice of the public, the undersigned feels a confidence that his efforts to bring it into general use will be seconded by all who seek its operation and construction.
The perfect adaptability of the valves of India Rubber for Pump Valves, will at once be apparent to every thinking mind. Their impervious access to water and their yielding nature renders a certainty of suction and discharge in all cases where they cannot be attained by the use of any other Valves. The simplicity of arrangement, the facility with which the parts can be removed and replaced, the compact form, together with the most perfect and desirable Pumps in use. Every Planter, Ship or Steamboat Captain should possess one or more of these valuable Pumps, as upon them their prosperity may can in a measure be transformed into an efficient Fire Engine.
Size No. 2 possesses a capacity of forcing 20 gallons per minute. Price $20.
Size No. 3 possesses a capacity of forcing 40 gallons per minute. Price $30.
Size No. 4 possesses a capacity of forcing 75 gallons per minute. Price $60.
And larger sizes, suitable for Dry Docks or heavy Drainage, up to a capacity of 500 gallons per minute, are now in course of construction and may soon be executed. Nos. 2 and 3 are actually being used in Sugar Houses in Louisiana, on the principle, molasses and the ordinary uses to which a Pump is generally applied, while for redeeming Swampy Lands, the No. 4's are indispensable.
The subscriber feels convinced that when these Pumps are seen they will speak for themselves, and that sooner or later they will go into general use.
Samples of Size No. 2 can be seen in operation at C. C. Bier & Co.'s, No. 85 Camp street; Price & Coulson's, No. 147 Poydras street, or at the office of the undersigned, where persons are invited to call and examine same before purchasing.
