A FACT WORTHY OF NOTICE—
On Sunday last, a lady of New Orleans had stolen from her keeping a valuable diamond pin worth two hundred dollars in cash, whereupon she immediately consulted
MADAME CAPRELL,
The great Clairvoyant and Seer,
who, by her wonderful power of divination, told the precise place where the stolen article was found. The services of the lady were acted upon the direction of Madame Caprell, and recovered the valuables. This can be proven
Madame C. will at home from No. 127 Customhouse street, where she is furnishing all who desire, either written horoscopes or prescriptions for disease.

MORE TO BE ADMIRED THAN THE RICHEST DIADEM
Ever worn by Kings or Emperors.
WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament God himself provided for all our race. Reader, although the rose may bloom ever so brightly in the May school, the one ere long must wither and die; so with those of youth, if the head is bereft of its covering, or the hair be snarled and shriveled, harsh and dry, or worse still, if thinned and in the gray, you will lose more than half your charms. Prof. Wood's Hair Restorative, if used two or three times a week will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thalberg:

NEW YORK, April 19, 1858.
DR. WOOD—Dear Sir: Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States I was painfully surprised to find on the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, qui e efficacious as well as agreeable.
I am, dear sir, yours truly,
S. THALBERG.

"DUBLIN, 4'S OFFICE, 1857."
Welsh Newspaper office, 13 Nassau st., April 12, 1853.
PROF. O. J. WOOD—Dear Sir: Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it to my wife, who consented to try it on her hair, little thinking at the time that it would restore the gray hair to its original color; but to her and my surprise and delight, after a few weeks it has performed that wonderful effect by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of the hair.
CHARLES CARDEW.
NEW YORK, July 25, 1857.
PROF. O. J. WOOD: With confidence do I recommend Barry's Hair Restorative as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have now a handsome dark hue, and I am confident that a few more applic tions will restore them to their natural color. I also have no fear in the use of all deleterious and unpleasant bathing, so common among persons who require hair dye.
J. G. KILBY.
CHICAGO, ILL., May 1, 1857.
PROF. WOOD: About two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last, and in a few months restored my hair finely. It began to fill up, grow out, and turned back to its former color (black). At the time it is fully restored to its original color, health, and appearance, and I cheerfully recommend its use to all.
J. D. HOES.
The Restorative is put up in bottles of three sizes, viz: large, medium, and small: the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for three dollars.
