NEW ORLEANS, May 17, 1859.

To the Honorable the Common Council of the city of New Orleans:

GENTLEMEN.—The undersigned, owners of property fronting on Robin street, from Camp street to the river, most respectfully petition your honorable body agreeably to section 130, new City Charter, to sell at public auction, after twenty days public notice, the contract for grading and paving Robin street, from Camp street to the river, with granite blocks, not less than ten inches wide, by twelve inches long, nor more than twelve inches wide by eighteen inches long, nor less than eight inches thick.

Said blocks to be of best quality of granite, having the sides, ends and top well dressed, so as to form an even surface when laid, and to be good solid work.

Said pavement to be laid diagonally, on four inches of sharp sand and London gravel, with coating or top dressing when laid, of four inches of sharp sand and London gravel, the joints to be properly filled and rolled with a suitable roller until well settled.

The usual curbstone, four inches thick, to be furnished when the City Surveyor may think it requisite to change the old curbing, in order to make substantial work.

The curbstones on both sides of Robin, from Camp to the river, to be raised and graded to a proper height and level, in such manner as to free the streets of water in the most speedy manner, and the sidewalks to be raised and flagged.

The foot crossings at the intersection of all the streets to be laid with best North river flagging, and to be four feet wide; the stones used to be two feet wide, four feet long, and not less than six inches thick, to be raised in the centre, and graded to the road pavement.
