River Intelligence.

General Remarks—Receipts—The Weather—The City of Memphis, Woodford, Atlantic, Iatan and Izetta Simmons—The Upper Red River Arrivals—Thanks—Departures—Towing, etc.

COMMERCE OFFICE, No. 70 Camp street, Wednesday Morning, March 7, 1860.

Yesterday was another warm day. Business on the levee was fair, and at times on the lower landing quite active.

The departures last evening were numerous, most of the boats leaving with fair trips. The passenger business is now steadily on the increase, and the upper river packets all go with plenty of company.

The steamer City of Memphis came to the landing, on Saturday, having been repaired, with the exception of her new chimneys, which will be hereafter again in a few days, and ready to take her place in the Bellona Line.

The steamer Woodford will be in port to-day, and will leave again to-morrow evening. The Atlantic left Louisville last Saturday morning for this port, having been fully repaired. The Autocrat re-ported Thursday morning, and was taking in freight for this city, to leave last Saturday. The John Raine was to leave Louisville last Saturday for the city. The Magnolia had steam up to leave Louisville last Friday, but her crew jumped her, and she was obliged to lay over until next day. The Grand Duke will be at the landing to-day ready to receive freight. She will leave again on Saturday for Camden and all way landings. The steamer Tiger, Capt. A. C. Olds, we learn, will arrive during the day from Mobile. It is the intention of her owners to put her in the Red river trade.

A list of arrivals yesterday can be seen by the reader by referring to the marine news column.

We tender our thanks to the following gentlemen for river favors: Mr. Smith, of the Diana; Mr. Barstow, of the Rapides; Mr. Booker, of the Belfast; Mr. Whitman, of the A. M. Kennett; Mr. Hazlett, of the Ingomar; Mr. Orvis, of the Sallie Robinson; Mr. Rouse, of the Ingomar; Mr. Ingress; Mr. Lake, of the Telegram; Mr. Laughorne, of the Lizzie Simmons, and Mr. McCreight, of the Choctaw.

The Louisville Courier of the 3d says:

The river yesterday morning had risen about 3 inches, but fromnoon to dusk it had fallen 2 inches, making 5 feet 3 inches in the canal on the canal. On the falls there were 6 feet 3 inches in the canal. The weather was delightful. The weather was delightfully clear, warm and bright, a genial spring day, with a heavy white frost in the morning.

The Falls Cityarrived from Memphis on Friday, with 11 feet water in the channel, a most excellent stage, and we expect she will be followed again to-day. Though we had no report yesterday from Cincinnati, where it was reported as at the last accounts, 12 feet in the canal.

The officers of the mail boat yesterday reported the Kentucky river rolling pretty briskly at the locks, and we expect all the tributaries to swell from the late rains.

The Cincinnati Commercial of the 3d says:

The weather was cold, clear and quiet like yesterday. The river was falling slowly yesterday, with 11 feet in the canal and at Wheeling there were 12 feet and stationary, with 10 feet in the harbor. Here the river has fallen 2 feet during the past 24 hours. The Kanawha is falling rapidly, with 5 feet 6 inches on the falls. The Wabash has commenced to fall, but falling. There is 8 feet on Harpeth shoals. At Louisville, on the falls, there is 6 feet 3 inches, and 12 feet on the steamboat bars. The Mississippi is on a stand, with 21 feet on the Missouri bar. Cairo, 23. The Missouri and Illinois are in fine navigable order. The lower Mississippi is falling rapidly. The Arkansas was in fine navigable condition at last accounts.

Empire Parish for the Lower Coast.—The fast passenger packet Empire Parish, Capt. A. F. Jeanfreau, commander, Mr. Alcee Grasa, clerk, leaves at 12 o'clock this morning for all landings on the Lower Coast.

Passaic F. Kenner for Bayou Sara.—The ex press U. S. mail passenger packet D. F. Kenner, Capt. W. R. Garasche, commander, Mr. E. R. Mumford, clerk, leaves at 9 o'clock this morning for the above and way landings.

R. W. Bidell for Red River.—The neat and very light draught passenger packet R. W. Bidell, Capt. W. Gwaltney, commander, leaves this evening at 5 o'clock for Jefferson and all way landings.

D. R. Carroll for Red River.—At 5 o'clock this evening the comfortable and regular passenger packet D. R. Carroll, Capt. R. Moody, commander, Mr. Carroll, clerk, leaves for all landings as high as Jefferson. The Carroll has excellent accommodations for passengers, and is, in all respects, a first-class steamer.

Rapides for Red River.—The excellent passenger packet Rapides, Capt. John C. Dowty, commander, Mr. Chas. J. Barstow, clerk, leaves punctually at 5 o'clock this evening for Grand Ecore and all intermediate landings. The Rapides has a large and commodious cabin, well appointed in all its parts to make travel a pleasure and comfort. Remember her this evening.

Belfast for Red River for Memphis To-Day.—The very large and fine U. S. mail packet Belfast, Capt. Wm. West, commander, leaves this evening at 5 o'clock for Memphis and the bends, connecting with the Memphis and Charleston and Memphis and Ohio Railroads for all points North and East. Passengers can procure through tickets by applying to J. H. Freligh, agent of the line, under the Camelia Hotel.

John J. Ray for St. Louis.—The large freight packet John J. Ray, Capt. Mark Bavenworth, commander, Mr. Tom Pepper, clerk, leaves at 5 o'clock this evening, taking freight for Cairo, St. Louis and all way landings.

Edward J. Gay Railroad Line Packet for St. Louis To-Day.—This evening, at 5 o'clock, the new, splendid, regular and swift passenger packet Ed. J. Gay, Capt. Bart. Bowen, commander, Mr. J. Brooks, clerk, will back out for Memphis, Cairo, St. Louis, and all intermediate landings. The Gay is in every and all respects a splendid passenger packet, and is a member of the famous and popular railroad line, connecting at Cairo and St. Louis with the great routes for the Northern and Eastern cities. This packet is one of the finest of the line, and is now equipped in grandeur, speed, safety or comfort by either of her compeers. No better commander than Capt. Bart Bowen never trod the deck of a Mississippi river steamer; while in Mr. Brooks passengers will find a finished gentleman and a most agreeable traveling companion.
