THE LOUISVILLE ARTESIAN WELL WATER!

This Celebrated Water, which is obtained from the Artesian Well at Louisville, from the depth of 2040 feet, has been proved by the analysis of Professor Lawrence Smith, of Louisville, and Professor James R. Chilton, of New York, to be closely allied, in its medicinal properties, to the far-famed waters of Kissingen, in Bavaria, and superior to that of the Blue Lick of Kentucky and the Congress Springs of Saratoga, is now for sale in this city.

For such Diseases as Dyspepsia, Costiveness, Derangements of the Liver, Nervousness, etc., it far surpasses any of the mineral waters heretofore in use. It is put up in bottles and packed with great care in neat strong boxes, containing two dozen bottles. For sale by New Orleans by

P. B. FERRALL, Commission Merchant,

CHEROKEE REMEDY—
—VERSUS—
NAUSEOUS DRUGS AND POISONOUS MINERALS.

We ask the afflicted of either sex, which do you prefer? A pleasant and delicious syrup, compounded from Nature's own Remedies—one which will speedily and permanently cure you; or the vile compounds heretofore used, with all their nauseous and debilitating effects, together with the loathsome disease many times following the use of Mineral Poisons.

The "Cherokee Remedy" is nature's own specific for Gonorrhœa, Gleet, Chronic, Reflexed, Fever Aches, (Weakness, by Excesses and all diseases of the Urinary Organs; curing those diseases by natural laws, after all other preparations have failed; and is one of Heaven's best mercies to offending man; Botanics could be produced of its effects, which would stagger credulity. The immense popularity it has already had, has called forth more than a million bottles, and never in one instance has been known to fail. Happily for mankind, the governor of the world is a Father who affects, not to kill, but to cure.

In money he has appointed Medicines for these dreadful diseases, which when taken, quickly flies to all parts of the system, attacks the disease at every pore, and with a falsity and courage truly admirable, never gives it rest until it has completely expelled it from the body, and restores the unfortunate patient to former health and vigor.

This "Remedy" strikes at the very root of the disease; its tendency is not simply to suspend the poison, but to remove the cause on which it depends.

And what enhances its value is the entire absence of all nauseous taste or smell. It can lay in the counting room, or on the toilet table without ever being suspected as a "Remedy" for secret diseases.

A treatise on Venereal diseases, with full directions for their permanent cure accompany each bottle.

Sold by J. WRIGHT & CO., Nos. 21 and 151 Chartres street, New Orleans, and by all respectable Druggists and dealers in medicines.

SALE OF LOTS IN A NEW CITY.

A CHANCE TO INVEST IN REAL ESTATE AT FERGUSON'S POINT, THE EASTERN TERMINUS OF THE M. O. & R. R. RAILROAD.

On MONDAY, April 16, 1860, will be sold at public auction, without reserve, about one-half of the choicest lots owned by the Mississippi Ossoichita and Red River Railroad Company on the Mississippi river at Point, on the Mississippi river, being the Eastern terminus of said road. A plan of the embryo city can be seen by calling on Capt. W. H. Davison, Chief Engineer of the road, at the above point. One-half of the purchase money will be required to be paid in cash, on the day of sale, and the remainder on the 1st day of January, 1861, for notes bearing ten per cent. interest from date. Six miles of the Road will be completed by the day of sale, and the cars running across the Bayou Macon.

A better chance for the investment of capital was never presented; the prospects of the rapid completion of the Road through the bottom are such as to leave no doubt that it will be soon in actual operation. A city will spring up in a few at the point where all Railroads will centre, and the facilities he possesses, together with his personal supervision of all work, he hopes to merit a share of public patronage.

JAMES MARTIN, Proprietor.
