RUPTURES

RADICALLY CURED!

Letter from Dr. W. T. Mills to the Editor of the Vicksburg Daily Sun.

VICKSBURG, Miss., May 3, 1860.

Hernia can be Cured Without Needle or Knife!

Mr. Editor—I deem it due to those afflicted with this terrible and painful disease to make the following statement: A negro boy, about 10 years old, belonging to Mr. Wm. Smith, of this city, for the cure of three years. The boy labored in John Calvert, Esq.'s, foundry corner. Two physicians examined him and pronounced his case hopeless. As the wife of the proprietor of said foundry, I was induced to try the treatment, and succeeded in curing the boy in about one month. I took him to New Orleans and showed him to Dr. Mills, of St. Charles Hotel, and after having had the treatment and the doctor's Curative Address about three months, he returned home perfectly well. This was in the fall of '59. For the last three years he has been busy on the plantation, doing all the work of a field hand, and has not had a truss on him. I am convinced that I give the statement for the benefit of those who have this disease and for my gratitude to the physician.

Extract from a Letter Written Three Years Previous to the Above, in reference to the same boy.

TRIUNEMA COUNTY, Miss., May 2, 1857.

Dr. Sherman, New Orleans—

Dear Sir: The boy Stephen is perfectly cured of the rupture—he is one of the finest looking men on Deer Creek, and can do as much work as any hand.

W. T. MILLS, M. D.

Letter from Dr. Thos. J. Harper, one of the most eminent Physicians in the State of Mississippi.

VICKSBURG, Miss., March 20, 1860.

Dr. Sherman—Dear Sir: I insist no boy But such to you because I cannot attend to him properly, and besides I am not satisfied each boy has to pay to him the price. I am sure you will be right and that you can cure him. I know more me by the return of the post. Respectfully,

THOS. J. HARPER, M. D.

This letter was in reference to a three boy about 14 years old, who was ruptured on both sides, and who was subsequently returned sound. The following are copies from

VICKSBURG, Miss., May 7, 1860.

Dr. Sherman, New Orleans:

Dear Sir—I send you my son James to apply to him as well as Truss. He has only been ruptured a few days. We can obtain at every drug store Trusses. In them however, I have found little confidence but am being confidence in your ability to cure him, I send my boy to you.

THOS. J. HARPER, M. D.

Dr. BELDEN'S OPINION.

NEW ORLEANS, Jan. 6, 1859.

Second Davis, Esq.:

Dear Sir—In the case that Dr. Sherman's Truss, as applied by him, will give relief more effectually than any other I have seen it used to my entire satisfaction. I know of several cured by the use of it, and can recommend it to any one in need of one, but be sure Dr. Sherman himself applies it, as much depends upon the fitting.

R. BELDEN, M. D.

Dr. SHERMAN respectfully informs ruptured persons, or those having ruptured slaves that he has returned to the city, and may be found at his office No. 703 ST. CHARLES STREET, New Orleans, prepared to relieve and cure all cases of rupture by the application of his PATENT SILVER TRUSS and CURATIVE MIXTURE.

St. Mary's Orphan Boys' Asylum, Third District.

"Amen I say to you, as long as you did it to one of these my least brethren, you did it to me." MATT. XXV. 40.

The Superintendent of this institution would respectfully call the attention of the charitably disposed to the following facts—

1. There are three hundred and five poor orphans in the Asylum in great want of clothing.

2. It is certain that many well disposed gentlemen consign, at this season, their old clothes to the clothe, not knowing anything better to do with them.

3. Such garments would be extremely useful to the poor orphans.

4. There are oftentimes in the storerattles of food and clothing, more or less damaged, and consequently unfit for sale; these would be of great service to the orphans.

5. The Legislature not having made any appropriation this year to the orphans, they stand in more need than usual of the public charity.

Any gentleman wishing to aid them can do so in this way without leaving or going to the Asylum, by addressing through the Post Office to the Superintendent, Box G, 71, indicating the residence, etc., of the donor, which will be promptly attended to.

Donations will be received at Mr. Lavigne's, 75 Chartres street; Mr. Victor Sorel's, Dumaine street, close to Marais; Mme Blanchard's, Conde street, opposite the Archbishop's residence.

THE IVORY PHOTOGRAPH—

JACOBS'S ART GALLERY, NO. 95 CAMP STREET.

Reserved attention is called to the great need of all improvements in the Photographic art, and to the specimens now on exhibition at these galleries, which, for great delicacy and softness of coloring, cannot be equalled; also, combines the beauty and softness of an Ivory Miniature, with the power and effect of a Picture.

Strict attention is, as heretofore, paid to the different branches of our business. Daguerreotypes, or any kind of pictures from deceased persons, copied into small or enlarged size, life size, and painted in oil, water colors in many desirable styles.

Mr. R. A. JACOBS continues to superintend the prompt execution of all work warranted to give satisfaction. n7 6m
