McAyoy effected his escape by suddenly slipping loose from the gravp of the officer, and running off at Bull Run speed down the street. He was pursued, but got antirely clear. NATIVITY DON'S MAKE THE DIFFERENCE.—The highest General in our army, Samuel Cooper, Adjustant-General, is of Northern birth. So is John Slidell, Minister to Europe. So are Generals Rapley, Peimborton, Whiting, Pike, Roggles, French and Jovell—all Northern by birth. Again, Scott, Cocke, Fremont, Bates, Blair, Cristendeau.

Scribbling, Drayton, and a host of others, Generals, members of Lincoln's Cabinet, officers of high grade in the army and navy, are Southern by birth and edscation—yet are our direct
