It is reported that the Emperor and Prince Napoleon are reconciled again; and that the latter will be President of the great Paris exhibition in 1867.

The Rev. Dr. Howe, the newly elected Episcopal Bishop of Nebraska, has declined the position.

There are rumors that the Hon. Alex. Randall will soon succeed Mr. Harlan as Secretary of the Interior.

Mr. Sardou, the celebrated playwright, having recently had an interview with the Empress Eugenie at Compiegne, was complimented by her Majesty upon his efforts to ridicule the prevailing extravagance in ladies' toilets. The Empress said that she had tried last winter to set the example of greater simplicity of dress, and that she was determined to wear still more unpretending toilets this season.

Rear Admiral Couprent-Desbois has been appointed to the command-in-chief of the French naval station at Montevideo and Rio de Janeiro as successor of Rear-Admiral Chaigneau.

Earl Russell is prostrated by severe illness at his house, and was unable to attend a recent Cabinet council.

Major General James Shields is now on a visit to St. Louis. He has made some purchases of land in northern Missouri, and proposes to become a citizen of that State.

FROM HER PROPER.—A highwayman undertook to rob Mr. Jones. He met Jones in a wood over in Jersey. He asked Jones for his pocket-book. Jones refused to yield. Highwayman took Jones by the neck and undertook to choke him. Jones made fight and kept it up for half an hour. At the expiration of that time Jones caved in and the highwayman commenced rifling his pockets. The contents amounted to eighteen cents. "Is that all you've got?" "Every cent." "What made you fight so long?" "Didn't want to be exposed. Had enough to have only eighteen cents; a great deal worse to have the whole world know it.

## OFFICIAL.

No. 1.]

STATE OF LOUISIANA, EXECUTIVE DEPARTMENT, New Orleans, Dec. 28, 1865.

In accordance with the provisions of an act of the General Assembly, hereto annexed, proposals are invited and will be received for thirty days, expiring January 31st, 1866, for the purchase of *one million of dollars* of bonds of the State, payable in twenty years, bearing interest, payable semi-annually, at the rate of eight per centum per annum, and secured by the pledge of all the proceeds of the sales of the public or swamp lands belonging to the State.

Bids will be received as low as one thousand dollars, to be addressed to the Governor of the State, and indorsed "Proposals for the Purchase of Bonds."

For the information of capitalists and others who may wish to invest in these bonds, a statement is annexed, prepared by the Register of the Land Office, showing the number of acres of swamp lands remaining unsold, and from which, it will be seen, the security offered for the redemption of the bonds and the payment of the accruing interest, is ample and certain. With the present depreciation of paper currency below the standard of gold, these bonds offer inducements for investment of capital that cannot fail to be appreciated by the moneyed men of the country.

J. MADISON WELLS,
Governor of Louisiana.

[No. 35.]

AN ACT TO AUTHORIZE THE GOVERNOR TO ISSUE THE BONDS OF THE STATE FOR THE AMOUNT OF ONE MILLION OF DOLLARS AND TO PROVIDE FOR THE PAYMENT OF THE SAME, TO DEFRAY THE EXPENSES OF BUILDING LEVEES, IN ACCORDANCE WITH THE CONTRACTS MADE BY HIM AND THE LEVEE COMMISSIONERS, APPOINTED FOR THAT PURPOSE.

SECTION. 1. *Be it enacted by the Senate and House of Representatives of the State of Louisiana in General Assembly convened*, That the Governor of this State is hereby authorized to issue the bonds of the State, to be signed by him, and countersigned by the Secretary of State, and sealed with the seal of the State, in sums as he shall think proper, up to the amount of one million of dollars, payable in twenty years, and bearing interest, payable semi-annually, at the rate of eight per centum per annum.

SEC. 2. *Be it further enacted, etc.*, That the Governor, in conjunction with the Board of Levee Commissioners shall advertise for thirty days in the official paper, and two other papers, published in the city of New Orleans, for proposals for the purchase of the bonds issued under the provisions of this act; and upon the receipt of the bids the Governor and Board of Commissioners shall have the power to accept or reject the same, as they may deem best; provided that in the event of the bids being under par and rejected, the Governor and Board of Commissioners shall be and are hereby authorized to pledge said bonds, or any part thereof, to borrow the money necessary to carry out the provisions of this act, until the Legislature shall otherwise provide or direct.

SEC. 3. *Be it further enacted, etc.*, That to secure the payment of the said bonds and all interest that may accrue thereon, all the proceeds of the sale of the public or swamp lands belonging to the State are hereby pledged.

SEC. 4. *Be it further enacted, etc.*, That if during the year, the proceeds of the sale of the Public or Swamp Lands belonging to the State so pledged for the redemption of said bonds after reserving an amount sufficient to meet the interest coupons, there should be a surplus, said surplus shall be applied to the purchase from the lowest bidder of such bonds issued under this act, and the Governor and the Commissioners or a majority of them, shall have the right of rejecting all bids, demanding more than the face of the bonds, for which purpose, public notice shall be given by the Governor in the official gazette and one other gazette in or out of the State, for sixty days, inviting proposals from bond holders, for the sale of the bonds, herein described.

SEC. 5. That this act shall take effect from and after date.

(Signed) DUNCAN S. CAGE,
Speaker of the House of Representatives.
(Signed) ALBERT VOORHIES,
Lieutenant Governor and President of the Senate.
Approved December 29, 1865.

Governor of the State of Louisiana.
