Well, girls, it's getting almost cool enough now to take off your summer furs.

This world needs more general respect for international law.

One of the five-cent store corporations reports that its sales for the last eight months were \$50,449,061, a gain of \$6,502,708, or 14 percent—a reminder that many a nickel makes a muckle.

A Real Man

It is pretty hard to assert your independence and defy the world, when you have an empty stomach and an empty pocket book. If your bluff is called, then what.

The prudent man who has saved a little, who has a reserve at the bank to tide him over a month or two, isn't so afraid of sickness nor such a coward about being out of a job. A bank account is a stimulant to real manhood. The larger the account the firmer the footing. It breeds self-confidence, is a proof of efficiency, and an ever-present resource in time of need. It's not what a man earns in a year, that gives him a surplus at the bank, it's what he saves.
