The finance committee also requested leave to withdraw two resolutions offered by them at the previous meeting in relation to the Carondelet Canal Navigation Company. The resolutions in question were read, and Mr. Farrell moved their reference to the city attorney.

Mr. Fisher stated that the committee city attorney had already consulted with the committee before the resolutions were offered, and moved, as an amendment, that they be referred to the streets and landings committee.

Charles R. Croson, of Columbus, Miss., a lawyer of distinction, is dead. Messrs. Ward and Alley have commenced the publication of the Greenville Times, at Greenville, W. Va., on Monday next.

The Vermilionville Advertiser contradicts the slanderous reports about as to the lawless and disorderly demeanor of the people of that section. Near Macon, Ga., a week ago, a negro was ambushed and killed by a supposed rival for the affections of a dusky damsel.

The Columbus prisoners returned to their homes on the 25th, and were met at the depot by a large concourse of citizens. Col. G. W. Garret, of Houston, publishes Judge P. W. Gray as a liar and a coward. The judge is not a liar.

Work on the Louisville and Portland canal will be commenced under the direction of General Weitzel. At Senatobia, Miss., sixteen men were committed to jail for horse stealing. They are supposed to belong to a band of 150 operating from Hannibal to Arkansas.

A week ago, last Monday, Robert McSwain, living about two miles from Grenada, Miss., was fatally shot in his own house by a revengeful negro, who was arrested.

The Lynchburg Advertiser says a handsome girl of good and wealthy family, has sought work under the auspices of the freedmen's bureau, as a teacher of the Senegambian maid.

Twelve hundred dollars worth of goods were stolen from the store of Wm. Bendel, in Vermilionville, on the night of Tuesday week, by burglars.

The Planter's Banner learns that Mr. Meahan, operator at the New Iberia telegraph office, on Wednesday last, was shot by his brother, an operator at the Mermentau office, who is not expected to live.

The store of Mr. C. M. Daspit, in Houma, was robbed of a considerable amount of goods the other night, and the thief was not his brother, as reported by the press. The store is the property of Capt. R. W. Francis was destroyed by fire—the work of an incendiary.

Citizens of those parishes through which the Helena and Monroe Railroad is to pass, will meet in convention at Bayou Lafourche, on the 29th, to take the necessary measures for inaugurating this enterprise.

The Bolivar, Tenn., Bulletin of Saturday, says that pay gold is now dog with a few hours' journey to Memphis. The Memphis, Tenn., county borders Tennessee near Lagrange, on the Charleston railroad.

The Harrisonburg News of the 23d, announces the death of Felix Robb, Esq. The country says the late was a man of high character, and the parish a valuable citizen. Mr. Robb has been in falling health for some time, and died at an advanced age.

The Franklin (Tenn.) Sun, of July 19th, chronicles the anecdotal case of assassination: U. S. small came to his death on Tuesday morning last, in a field, of gunshot or pistol wounds in the head and breast, inflicted upon him by some persons unknown. The body was found in the parlor of Capt. A. W. Eddins, in Hurricane Settlement, on Thursday night, conversing with a lady, was shot from the front gallery by some one unknown, and killed. Mr. Eddins, it is remembered, was the young man who a short time since killed Dr. Curtis.

The Tipton county Record states at Randolph, Mr. Burset shot and killed Capt. Erwin who was attempting to arrest him, as the latter was drawing his pistol. He was acquitted on the ground of self-defense. The Record says: "In 1861 or '62 Dr. Walton was killed by a Mr. Yarborough, a short time afterward Capt. Smith killed Yarborough, and in 1863 Dr. Martin killed Smith, and a year after that Capt. Erwin killed Martin, and now Erwin has been killed. The last three men were killed within forty yards of each other at Randolph."

The following is from the Tennessee Gazette of the 25th: "Last week we published an account of an outrage committed on the Bayou Macon plantation Franklin parish, whereby our negroes were killed and three wounded for 'violating the radical ticket,' etc. Our authority (negroes) seem to have made, as usual, with them, a slight mistake, or to have forgotten their own participation in a similar outrage a few nights previous. We hear that these men ceased in a skiff into this parish, took the negroes off a place and threatened the life of a white man living thereon; had a 'kick up' and left. The result was, somebody not thinking themselves better than their neighbors, returned the call, took the law in their own hands, had a 'knock down' and left—some of them dead, independent of their political creed."

VAST QUANTITIES OF IVORY DESTROYED.—Thousands of teeth that might last a life time are lost every year, simply because the parties concerned either forget or do not appreciate the dental surgeon's duty. Any one who considers the dental substance precious should not neglect.
