The New Orleans Crescent.

SATURDAY MORNING, AUGUST 22, 1888. FRENCH FOREIGN ITEMS. Napoleon has subscribed 1,000 francs toward a memorial to Cobden, at Camden.

There has been a deal between the famous M. Jucker and a Paris journalist named M. Odysse Harot. The latter was hit, but not dangerously.

The Duke of Edinburgh will start in October on a cruise, in her majesty's ship, Galea, around the world.

The London journals announce the death of Dr. John Elliot, whose name for many years has been widely known among scientific and medical men in both hemispheres.

The Paris Opinions Nationale says that the Duke of Rohan, now on route for France for the United States, has been charged with bringing the American and Russian governments into closer relations.

It is stated that Count Udonov has been instructed by the Berlin cabinet to remonstrate with the Italian government upon the rumored alliance between France and Italy, and recommend and urge an alliance between Italy and Prussia as more advantageous.

The Liberte has received news that an appeal has been addressed to the Prussian government by the German, who has been enrolled in the Imperial army. These rumors, which are the result of an act of desperation, and sentenced to the galleys for periods ranging from three to fifteen years.

It is reported that the Democrats of the Cincinnati District will nominate Mr. Pendleton for Congress. The colored people of New York at a meeting on Saturday night completed arrangements for a demonstration in honor of the late Thaddeus Stevens.

The wickedest man in New York has suffered a recent fall from reform. By request, by advertisement, that no curiosity seekers be admitted unless they wish to spend at least one dollar bill at his bar.

Gen. Carl Schurz, whose name has been mentioned in connection with the candidacy for Congress in the seventh district of Missouri, writes that he is not now will be a candidate for any office.

A Washington correspondent writes that "the clerk of the House, Hon. Edward McPherson, a candidate in Pennsylvania for the United States senatorship to be vacated by the expiration of Mr. Bucklew's term."

It is reported that Sprague's contracts have been made for the manufacture of factory machinery to the amount of one million dollars, to be set up and put in operation within the ensuing five years on their property in Augusta, Me.

There is an old gentleman named Sliter, living in Washington county, Indiana, who was born in March, 1765, and is, therefore, well advanced in his one hundred and fourteenth year. The other day Mr. Sliter walked eight miles in three and a half hours.

Swainburne is about to shed the last of his countenance upon the people of this continent, and one hundred and fourty years ago he was a boy in the army which swept our fields last year. They are becoming quite numerous in the south-east portion of this county, and in portions of Cherokee. They are not so early in their appearance as last year, but they are appearing in great numbers.

The Madison Parish Journal of the 19th says: "The cotton worm is aboard and no mistake. We have seen numbers of the little depredators on the cotton plants, and they are eating the leaves of the army which swept our fields last year. They are becoming quite numerous in the south-east portion of this county, and in portions of Cherokee. They are not so early in their appearance as last year, but they are appearing in great numbers."

The Baton Rouge Advocate of the 19th says: "The heavy rains that have fallen lately have caused a great deal of damage to the cotton crop. The plants are being washed out, and the leaves are being eaten by the worms. The crop is being ruined, and the farmers are suffering greatly. The heavy rains that have fallen lately have caused a great deal of damage to the cotton crop. The plants are being washed out, and the leaves are being eaten by the worms. The crop is being ruined, and the farmers are suffering greatly."

The Mansfield (La.) Times of the 16th, says: "The cotton crop is being ruined by the worms. The plants are being washed out, and the leaves are being eaten by the worms. The crop is being ruined, and the farmers are suffering greatly. The heavy rains that have fallen lately have caused a great deal of damage to the cotton crop. The plants are being washed out, and the leaves are being eaten by the worms. The crop is being ruined, and the farmers are suffering greatly."

The Philadelphia Morning Post says: "Dickens, who is the author of the 'Pickwick Papers,' has been elected a member of the Philadelphia Academy of Natural Sciences. He is a native of England, and has spent much of his life in this country. He is a man of great talent, and his works are highly valued.
