EDITORIAL PARAGRAPHS, ETC.

There are 11,353 school-houses in Ohio.

The largest island belonging to Maine is Mt. Desert, which contains 60,000 acres.

The editor of the "Independence Belge" newspaper gets a salary of \$10,000 a year.

Chenoweth, Casey & Co. are prepared to purchase all the broom corn brought to this market.

In the United States there are over 5,000,000 freeholders.

Thanks to the officers of the steamship Matagorda for late Texas papers.

We are indebted to the officers of the Southern Express for late papers.

A prophetic writer predicts that Meridian, Miss., will have 50,000 inhabitants in six years.

The market at Cairo is flooded with game—wild geese, turkeys and ducks being plenty.

The bank of North Carolina has gone into bankruptcy.

The New York Postoffice letter-carriers are uniformed.

In New York there are 100,000 women employed in the various branches of industry open to them.

Gerrit Smith has thrice expressed his interest in Alfred Academy, Allegheny, N. Y., by handing over, for its benefit, a \$50,000 check.

James Stewart, a truly loyal preacher in Georgia, was caught stealing corn the other night, and shot by a member of his own congregation.

Rich gold fields have been discovered on the northern frontiers of Norway and Russia, stated to surpass those of California.

Fifteen hundred negroes were imported into Shelby county, Tennessee, from Northern Mississippi, and voted for Grant.

The Anglo-Indian telegraph running through Russia and Persia will, it is stated, be opened for use in May, 1869.

A teacher in Detroit has been fined twenty dollars for chastising a female pupil, fifteen years old.

The lavas of Vesuvius contain a greater variety of minerals than, perhaps, any others in the world.

The late Isaac Barton, of Philadelphia, bequeathed \$60,000 to the Woman's Medical College in that city.

The steamer Great Republic will be sold at public auction on the 27th inst., at St. Louis, by the United States marshal.

Rev. O. W. Whitaker, who has been elected Episcopal missionary bishop of Nevada and Arizona, is a native of New Salem, Mass.

If your scholar fails to recite his lesson, don't scold. A neglected lesson is soon learned, but hard words bruise the heart of a child.

Of domestic produce exported from the United States in 1867 more than 69 per cent. belonged to the Southern States.

The name of Mr. B. S. Osborn, of this city, was registered at the banking house of Duxell, Harjes & Co., Paris, during the week ending October 21.

In Bengal, India, 78 inches of rain fell during the first nine months of 1868, being 11 inches more than the annual average.

The Paris Circles gets nine hundred thousand pounds a year for advertising—more than any other journal there.

There are about fifty private telegraphs in New York city, and the system is becoming very popular.

Geo. Ellis' circulating library is becoming rapidly popular with our people. He has just added an invoice of choice new books to it.

The Independent seems to be preparing to bring Frederick Douglass into the next presidential canvass.

It is proposed to erect a monument in honor of Gal Arzozco, who, eight hundred years ago, invented musical notation.

We have received from the publishers, Harper's Bazar, for Nov. 21; Every Saturday, for Nov. 14, and the Southern Ruralist, for November.

In Madrid there is said to be a scarcity of newspaper editors, nearly all of them having accepted positions under the new Spanish government.

A 20-inch Roman gun was cast at Fort Pitt Works, Pittsburg, on the 3d inst. It weighs eighty five tons, and is intended for Fortress Monroe.

Mullet are caught in large quantities on the Florida coast, and sell at three cents each. At the mouth of the Ocklocknee river 8000 were caught in two days.

The business of the express companies at Bloomington, Ill., which three years since was \$25,000 per annum, will now reach \$75,000 to \$100,000 per annum.

Maximilian's confessor has reached Mexico from Austria, with the diamond crosses and other presents from the emperor to the lawyers who defended the prince.

Moses H. Bentley, (colored,) a member of the Atlanta convention, has been arrested on the charge of being one of the instigators of the late riot at Savannah, Ga.

There are one thousand women in St. Petersburg engaged in fortune-telling. They deal in Asiatic perfumes, and allow gentlemen to stroll into their little temples.

Last year the English government revenue from spirits of all sorts was \$4,201,720; from tobacco \$8,506,284, and from sugar, molasses, tea, coffee, chocolate and cocoa, \$23,119,500.

Elephantophobias, which, being interpreted, means "He that buries the Earth," chief of the Six Nations, has gone to New York to engage in mercantile pursuits.

An interesting discovery has just been made at Paris of a portrait of Marie de Medicis, of the date 1602, when the Queen was twenty-eight years of age.

The Atlantic seaboard of the United States extends about 3500 miles, and the Mississippi and its tributaries open up an inland navigation of about 20,000 miles.

The students at the Amherst Agricultural College have husked 2400 bushels of corn, dug 500 bushels of potatoes, gathered 50 barrels of winter fruit, made 28 barrels of cider, and learned their lessons like good boys, beside.

The recent earthquakes in South America and California were not accompanied with volcanic eruptions. This fact has given rise to the surmise that these countries may expect a recurrence of these shocks.

The second vein in the north coal shaft at Bloomington, Illinois, was reached on the 3d inst., at a distance of 391 feet from the surface, and a much superior article than heretofore discovered in that mine.

N. D. Crawford, of Jackson county, Michigan, made a bet of twenty-five dollars that he could husk seventy-five bushels of corn in one day, between sunrise and sunset. On the 26th inst. the trial came off, and he husked one hundred bushels in eight hours.

Every Saturday for Nov. 14 has its usual freight of choice matter. He knew He was light; Doel Fighting; Madame Delafayette; A Visit to Some Italian Brigades; A Very Bad Night; The New England Tragedies; Elderly Travelers; English Stage Scenes; Evans; or Foreign Notes.

Geo. Ellis has laid on our table Frank Leslie's Christmas Stories; American Artisan, for Nov. 4; Army and Navy Journal, for Nov. 7, and Godey's Lady's Book, for December. Our friends will find these, and a great variety of papers and magazines, of the latest dates, on the counter at No. 7 Old Levee, opposite the postoffice.

The Southern Ruralist for November comes to us laden as usual with good things for the farmer, the stock-raiser, the fruit-grower, etc.: Southern Agricultural Development; Hints from the London Horse Book; Management of the Grape;

LETTER FROM NEW YORK.

Special Correspondence of the New Orleans Crescent.

NEW YORK, Nov. 5, 1868.

The Empire State, in spite of all the measures of the Radical party to defeat it, has walloped the Grant and Griswold men into mere shadows, and evinces a more decided leaning toward the Republican Association; Feeding Bots; the Texas Cattle Fever; the Cotton Crop of 1868, etc., are among the leading articles, all arranged up in a style calculated to please the most fastidious.
