Candidate's Department. Announcement Fee, \$3; invariably in Advance!

J. H. STRINGFELLOW of Atchison, offers himself as a candidate for the House of Delegates in Kansas Territory, at the ensuing Election. Subject to a Convention, if one should be held.

We are authorized to announce R. L. KIRK, as a candidate for the Territorial Legislature in the fifteenth district. Subject to a Convention, should one be called.

We are authorized to announce D. A. N. GROVER, Esq., as a candidate for the Council, in this District.

We are authorized to announce JOSIAH KELLGRO, as a candidate to represent this District in the Legislature. Subject to a convention, should one be held.

We are authorized to announce HENRY L. ROUFT, Esq., of Atchison, K. T., as a candidate for the Territorial Council in this District.

We are authorized to announce JOHN W. FORMAN, as a candidate for the Council, in the Territorial Legislature, subject to the decision of a Convention, should one be held.

JOHN MITCHELL'S EUROPEAN PLATFORM.—At the close of his address in Cincinnati, on the occasion of his late public reception there, Jno. Mitchell said:

His entire sympathy in the European struggle was with the Russian Czar, and he hoped that the flight of her eagles would be swift over the Crimea, and that the four Union Jack of England would be speedily low to our feet. I left England with chains on my limbs, and I swore I would not return except with a sword in my hand.

THE EMOTIONS OF ADVERTISEMENT DOUGES.—A French paper thus traces the sensations of a reader of advertisements: The first advertisement.—He don't see it.

The second insertion.—He sees it, but don't read it.

The third insertion.—He reads it.

The fourth insertion.—He looks at the price.

The fifth insertion.—He speaks of it to his wife.

The sixth insertion.—She is willing to buy.

The seventh.—He purchases.

CHARITY.—We have upon our table a copy of a subscription paper that is being circulated among the slave population of Jackson County, soliciting subscription from the slaves to assist and succor the Aid Association emigrants in Kansas.

Many of these emigrants are in nearly a famishing condition, and we are not surprised to see this free, noble, and disinterested philanthropy exhibited by the generous, well-provided slaves on the frontier.

We are informed that in our own town and vicinity the blacks have already collected \$61 in dime, quarters and halves; and that they expect to raise \$100, when the money is to be expended by a committee of the slaves, in purchasing provisions and warm clothing, which are to be sent to the Territory, and gratuitously distributed among the emigrants that are most in need of these necessities.

We hope to hear more of this charitable and laudable undertaking that in our next we may give a full report from the hands of the committee.—Fron. News.

TELEGRAPH TO THE PACIFIC.—A bill providing for a line of telegraph to the Pacific has passed the United States Senate, and is now pending in the House. It authorizes H. O. Alder and others to construct a line of telegraph through the public lands, from some point on the Mississippi or Missouri rivers, to San Francisco.

Every Subscriber to the Squatter Sovereign, is requested to act as Agent for the paper. We would like to have their valuable assistance in increasing our circulation.

SALE OF LOTS IN MOUNT PLEASANT, KANSAS TERRITORY.

MOUNT PLEASANT, is a site on the Millersville road recently laid out in Town Lots, it is 15 miles north-west of Leavenworth, and 4 miles west of the Missouri river, 10 miles south-west of Atchison, 10 miles west of the Kansas City, opposite the Great Western Bend of the Missouri River.

It is situated in the timber, with an abundance of good timber in its immediate vicinity. One Coal Bank within one mile, is an inexhaustible quarry of building Rock.

Mount Pleasant is a high, beautiful situation on the head-waters of Big Walnut Creek, and in our half mile of Strangers Creek in the midst of the

LARGEST SETTLEMENT in the Territory; there are at present 350 or 400 Settlers in six miles around, all favorable to its being a Town and County Seat, and there is a greater probability of its being so.

COUNTY SEAT. than any other place now known; there is at least one store at Mount Pleasant, and 12 Lots at private sale, on which will be as many houses, as soon as circumstances will admit.—100 Acres has been laid out in Lots, Men Street is 80 feet wide, all others 60 feet. Public Sale of Lots in OSAGE WILDERNESS.

OSAGE WILDERNESS is pleasantly situated on the eastern bank of the Grasshopper river, (decidedly the prettiest stream west of the Missouri) at the crossing of the Great Military and Emigrant thoroughfare from Fort Leavenworth via Fort Riley to New Mexico, Oregon, California, &c., &c., on a beautiful and gently undulating tract of ground, and nearly the centre of what may, from its fertility and supply of timber, become one of the most delightful and prosperous valleys of Kansas Territory; and, from its central position, must be the county seat of one of the second tier of counties, being 33 miles from the Missouri river.

The Grasshopper, though it does not traverse so many miles in a direct line as some other streams, is considered as frequently used its length is more than double of its straight course to Kansas river, into which it empties about ten miles from the town, thereby making large bottoms, elegantly interspersed with timber and prairie, which is high and dry, and of the most fertile soil.

There are numerous branches entering into the main stream in the immediate neighborhood of the town, all of which are well wooded, affording the means for the settlement and fencing of the upland prairie, which is rich and beautiful. In short, there is not in the Territory a tract of country so well adapted to agriculture, stock raising, and manufacturing, as this beautiful picture-scene now at the Landing, affords every facility for crossing. Arrangements are in progress to secure a regular packet line of Steamboats between Fort Leavenworth and this place.

The first paper issued in the Territory was the "Nebraska City News," which can boast of the largest circulation of any, which indicates the moral progress of the Territory.

Discovered at last!!

A Mystery explained.—A Revolution is Ours!

I. V. HARDY'S EYE BALM.

THE best, quickest, and decidedly the most pleasant remedy ever offered, for the cure of sore, weak, or distained eyes. It matters not how long they have been sore, this balm will cure them. Cases of short duration it cures in from 12 to 48 hours.

From the Clerk of the Court of Randolph County.

"I have used I. V. Hardy's Eye Balm in nine cases, and effected a cure in every case promptly."

The Huntsville Recorder of Feb. 23, 1854 says that, "the great number and remarkable cures that have come under our observation, has fully convinced us that I. V. Hardy is a great man, and that his wonderful Eye Balm is the most valuable combination for the cure of sore eyes that ever been produced. All success to him in his new enterprise say we."

The Liberty Tribune of March 3, 1854, says, "have you sore eyes, if so be sure and get Hardy's Eye Balm."

Mr. Hardy—I have used and am known to be used your Eye Balm in numbers of cases of sore eyes, some of one and two years standing, and it effected a cure in every case, and in a shorter duration it cures in less time than I thought possible for any remedy to have done it. It is the sine qua non in our country for sore eyes, and will be Pa all when once tried.

H. V. PATON, Centerville, Dec. 20, 1853.

We could offer hundreds of just such recommendations as the above, (some from Physicians) but it is not our business to do so.

Try it, and if it does not do us we say, we encourage it, but it will be tried, or lend it your industry, it is no humbug.

This Balm is prepared only in Huntsville, Missouri, by I. V. Hardy & Co., to whom all orders for Agencies must be addressed. Persons wishing it, and not prepared to buy from agents, and who wish to be supplied by mail, by order, post paid—us. For \$1 we send five boxes. Price 25 cents per box.

FIRST PUBLIC SALE OF LOTS IN NEBRASKA CITY. The Future Emporium of Nebraska Territory.

ABOUT five hundred choice lots in Nebraska City, and fifty lots in Kearney City, immediately contiguous, will be offered for sale to the highest bidder, on the premises, commencing on

MONDAY, APRIL 23d, 1855.

Sale to continue from day to day until all are sold, at the option of the proprietors.

TERMS OF SALE. One-third cash in hand, the balance in six months. The site of Nebraska City is a beautiful and fertile situation for a large commercial emporium on the south side of the Missouri river.

It is situated on that romantic bluff known as "The Rock," commanding a picturesque view of the mighty Missouri for miles up and down, and has been esteemed for many years, the best starting point for emigration to Oregon and California. The water is excellent—the soil is fertile and noted for its fertility.

Heavy bodies of the finest timber of every variety is found on and near the city, and several Saw Mills are now rapidly converting it into lumber, and rapidly settling emigration in and around the city.

There are already in the city two mercantile establishments, one large Hotel (the largest in the Territory) and two more about being constructed. There are already erected, forty buildings, and as many more in progress of construction.

An abundance of lime-stone rock is found on the site, and is rapidly being converted into millions of bricks, the ensuing season. Two brick churches and one college will be erected during next summer. This country affords a greater population than the whole Territory North of Platte river.

Nebraska City is fifty-five miles from the South line of the Territory, and forty miles South of the Platte River, and is the centre of the settled portion of the Territory.

It is on the direct line of the great central city of Railroads from the Atlantic to the Pacific, and is destined to continue, all the time, it does now, to monopolize the greater part of the business in the Territory.

In the language of the President of the Ft. Madison, Iowa, S. T. Railroad, "Nebraska City will be the first City, in commercial and manufacturing importance, in the future State of Nebraska."

The site has a fine bluff, rock landing, not subject to change, and a

STEAM FERRY now at the Landing, affords every facility for crossing. Arrangements are in progress to secure a regular packet line of Steamboats between Fort Leavenworth and this place.

The first paper issued in the Territory was the "Nebraska City News," which can boast of the largest circulation of any, which indicates the moral progress of the Territory.
