"PORT WILLIAMS,"
KANSAS TERRITORY.
THIS new and beautiful town site is situated on the Missouri river, in Kansas Territory, three or four miles above the town of Jackson, in the heart of the most densely populated part of Kansas, surrounded by the finest soil and best timber in that Territory, with a permanent landing, commanding a view of the river for several miles above and below.

The principal part of the town is located on a bed of stone coal, of the best quality. Arrangements are being made to have said stone coal bed opened and wrought by John Stock Company early in the spring, when there will be a sale of lots. There is now, in course of erection, a good steam Saw Mill, which will be in successful operation in a few weeks, and a large and commodious Tavern is in process of erection which will be opened for the accommodation of the public in a few days.

Persons wishing to procure lots immediately will have opportunity of so doing, by calling on Henry Bradley, or Jonathan Hartman, both of whom are authorized to sell, and to dispose of lots, and one or both may at all times be found on the premises, ready to accommodate purchasers upon the most liberal terms.
