

have confidence that Congress can not re-  
fracture such an unjust transaction. To  
fracture any fraud and give Congress ad-  
ditional reasons for rejection of their plea,  
we would advise separate polls established  
and vote a protest, and then have the Leg-  
islature provide for the census to be taken  
of all inhabitants of the Territory on the  
31st day of December. Thus all Mis-  
sourians that had come over [if any]  
would have returned, and all fictitious  
names could be ascertained.

The vote and census list we would send  
up to Washington, to show the insignif-  
icance of their vote, and their fraud if  
any perpetrated. We would then have  
the Legislature provide for a new con-  
stitution to be framed a constitution for the  
State of Kansas. A convention provided for  
by this Legislature would for once com-  
mand the attention and vote of the whole  
people. Both the Leocompton and Topeka  
Constitutions have originated with  
fraud, and as such we condemn.

Whatever does not come from the whole  
people irrespective of its character we can  
never approve. Should Congress still after  
that see fit to accept, we must get control as  
we have the '88 election. We would suggest  
that all free state men vote at their Janu-  
ary election and elect free state members.  
We have the votes if fraud can only be  
prevented so that everything can be turned  
to our favor.

Such is our policy, and we hope that the  
free state party will never resort to des-  
perate measures; it is far better to suffer  
wrong for a while than the consequences  
of such action.

As before said our confidence in the  
sound sober judgment of the people is  
strong. They can now see upon reflection  
that these measures disregarded have  
delayed our victory and permitted many  
of the troubles that still hang around us.  
The times require of every man sober  
thought, and not to let a desire of revenge  
cloud his judgment. "Let the dead past  
bury its dead," at least until power is in  
the hands of friends, and the cause secure for  
which we so ardently desire triumph.

**FREE STATE DEL. CONVENTION.**  
The Whole Territory Represented.

The Bogus Constitution Repealed.  
The Submission Swindle Denounced.

MORNING SESSION.  
In pursuance of a call by the Chairman  
of the State and Territorial executive  
committees the Delegate Convention as-  
sembled in Lawrence, and organized tem-  
porarily by appointing Gov. W. M. Rob-  
erts, Chairman, and S. F. Tappan Sec-  
retary. Mr. Roberts was enthusiastically re-  
ceived, and on taking the chair addressed  
to the Convention a few well-timed and  
appropriate remarks, explanatory of the  
present exigency, in which it had been  
called together, and of the object of the  
call.

On motion, the delegations from each  
senatorial district were requested to ap-  
point one of their number to form a com-  
mittee on Credentials, and one of their  
number to form a Committee on Perma-  
nent Organization.

On motion the convention adjourned  
until 2 o'clock.

AFTERNOON SESSION.  
The Committee on permanent officers  
reported Gov. Chas. Robinson, President,  
seven Vice Presidents and three Secretaries.

EVENING SESSION.  
The report of the Committee on Reso-  
lutions was made, and accepted on motion  
of Mr. Foster of Osawatomie.

RESOLUTIONS.  
We, the people of Kansas in Delegate  
Convention assembled, at Lawrence, this  
24th day of December, 1857, do set forth  
the following to our fellow citizens and  
the people of these United States:

Circumstances of an extraordinary char-  
acter threaten to imperil the peace of this  
Territory, and to deprive a majority of  
our people of their rights as citizens of  
this republic to govern the same.

On the 30th of March, 1856, an armed  
force from Missouri violently took posses-  
sion of the polls in Kansas, and fraudu-  
lently elected a Territorial Legislature,  
with sentiments adverse to the opinions of  
a majority of the people, and enacted laws  
rueful and oppressive. A Legislature, com-  
posed in part of persons elected, as above,  
and of other persons elected in October,  
1856, in like violent and fraudulent man-  
ner, and under degrading test oaths enact-  
ed by the previous body, passed an act for  
the creation of a Constitutional Conven-  
tion under a partial partisan registration  
and apportionment, and in the election of  
members to said Constitutional Conven-  
tion, the law providing for the same was  
never complied with in many important  
and essential particulars, especially in tak-  
ing a complete census of the people, and  
registry of the voters of the Territory, fif-  
teen entire counties being totally disenfranchised and many voters in the other coun-  
ties left off. The convention that assembled  
in Leocompton in September last, thus  
elected, have proceeded to frame a Con-  
stitution for the State of Kansas, in defiance  
of the fact that they, by their own re-  
cord, represented a small minority of the  
people of this Territory, being only seven-  
ty-seven hundred out of twenty thousand vot-  
ers, recorded to be in the Territory, that

their proceedings were protested against  
by the people on the ground of illegality  
and unfairness, and that the presence of a  
portion of the United States army was  
necessary to protect them during their sit-  
tings, against the indignation of an out-  
raged people. In the face of these facts  
they have refused to submit the instru-  
ment they have thus framed to a vote of  
the people for ratification or rejection.—  
They provide for a swindle, styled by them  
an election, in which neither the Constitu-  
tion, nor any material part thereof, can be  
elected or rejected. They have, pending  
this action, provided for a state election on  
the first Monday of January next, under  
said instrument, and under the authority of  
a usurping Regency, unknown to consti-  
tutional authority, and dangerous to the  
liberties of the people, the design of the  
same being to rob from the people of Kan-  
sas their rights, as rescued through the  
ballot box in October last, and destroy the  
only legitimate Territorial Legislative  
body ever in Kansas. This dangerous as-  
sumption of power calls for a prompt and  
efficient remedy from the people, the only  
legitimate source of power; therefore,

Resolved, 1st, That we utterly repudiate  
said constitution, framed at Leocompton,  
that it is an instrument hostile to the popu-  
lar will, and appealing to the God of jus-  
tice and humanity for the rectitude of our  
intentions, we do solemnly enter into a  
league and covenant with each other, that  
we shall never, under any circumstances,  
permit the said Constitution, so framed,  
and not submitted, to be the organic  
law for the State of Kansas, but do pledge  
our lives, our fortunes and sacred honors  
in ceaseless hostility to the same.

Resolved, 2nd, That we denounce the  
so called election of December 21st as a  
swindle, and the election of January 4th,  
1858, as a crime and a misdemeanor  
against the peace of this Territory, and  
the will of the majority.

Resolved, 3d, That the Legislature  
elected in this Territory on the 5th day of  
October, 1857, is the only legitimate leg-  
islative body that has ever been elected for  
the Territory of Kansas, and that its  
functions shall not be suspended by any  
constitution or state government until a  
fair and impartial vote shall be had on the  
same.

Resolved, 4th, That this delegate con-  
vention do hereby re-endorse the constitu-  
tion known as the Topeka Constitution,  
and do declare it to represent the wishes  
of the majority of the people of Kansas to-  
day, and that when it shall have again  
received the popular sanction, under au-  
thority of the only legitimate Territorial  
Legislature ever convened in Kansas  
Territory, recognized by the authority of  
the United States, that we shall maintain  
it against all opposition.

Resolved, 5th, That looking chiefly to  
the above end, we respectfully memorialize  
the Territorial Legislature, about to  
convene in extra session on the 7th inst.,  
to frame a fair and impartial election law,  
and that they, under it, do submit the two  
constitutions—the people's constitution  
framed at Topeka, and the constitution  
framed at Leocompton—to a vote of the  
people of this territory, and that the said  
Legislature provide that the constitution  
which shall receive a majority of all the  
legal votes shall become the fundamental  
law for the State of Kansas.

Motions were made in different parts  
of the hall to pass the resolutions by ac-  
clamation, and the question was put and  
carried by giving nine enthusiastic cheers  
for the resolutions.

A motion was then made that the dele-  
gates be requested to sign the resolutions,  
which was carried.

Mr. W. A. Phillips after a short speech  
offered the following resolution, which, on  
motion, was adopted:

Resolved, That this Convention do ex-  
press its approbation of the act of Hon. F.  
P. Stanton, acting Governor of Kansas  
Territory, in convening a special session of  
the Territorial Legislature in this emer-  
gency, and in favor of securing the public  
peace and the rights of the people.

Gen. Lane, moved that when this Con-  
vention adjourns, it adjourn until Monday  
next, at 10 o'clock, to meet at Leocompton,  
and that this Convention be subject to the  
call of the Chairman of the Territorial Ex-  
ecutive Committee, which motion was ad-  
opted.

On motion, That the thanks of this Con-  
vention be tendered for the use of this  
church for our sittings.

Resolved, That the thanks of this Con-  
vention be tendered to the President and  
officers for the impartial and dignified  
manner in which they have discharged their  
arduous duties. Carried.

The Convention adjourned with three  
cheers. CHAS. ROBINSON, Pres't.  
W. M. ROBERTS, Sec'y.  
E. C. MACY, Sec'y.  
A. WATLES, Sec'y.

Extract from a letter by the Rev. Mr. Churchill of Boston who is now trav-  
elling for his health in the East.  
"It gives one an ever present idea of  
the expansive enterprise of his countrymen,  
to find their commodities of commerce con-  
tinually in his path wherever he goes.—  
I have not visited any considerable city  
of Turkey, where I did not find the Medi-  
cines of my country represented by  
Ayer's Cherry Pectoral. In Smyrna, Aleppo, Jaffa, Jerusalem and Constantinople, we see in each, on the door post  
of some bazaar, the peculiarly American look-  
ing Iron card, of Dr. Ayer, saying in a lan-  
guage which not one in a thousand of the  
passers by can read, "Ayer's Cherry Pec-  
toral for Coughs, Colds and Consumption,  
Sold Here." On a shelf behind the cross-  
edged mullahman are seen the bottles with

their English, Spanish, French and Ger-  
man faces turned toward the crowd, and  
on enquiring we are told that foreigners  
are not the only purchasers, but the true  
believers themselves waive their trust in  
fate to try this product of American skill,  
when they find there is no other cure for  
them.

I was told yesterday that the Cherry  
Pectoral had been presented to the Sultan  
and is now in constant use in his harem,  
and in the hospitals of the Empire."

Proclamation.  
To the Members of the Legislative Assem-  
bly of the Territory of Kansas.

An extraordinary occasion having occur-  
red in the affairs of the Territory, within  
the meaning of the 30th section of the or-  
ganic act, which authorizes the Legislature  
to be called together upon such occasions; I,  
FREDERICK P. STANTON, Secretary  
and Acting Governor, do hereby sum-  
mon the Members of the Council and  
House of Representatives of the said Terri-  
tory, to assemble in their respective  
houses at Leocompton, on Monday next,  
the 7th inst., and there, to consider  
matters of great moment, pertaining to  
the public welfare.

Territory, at Leocompton, this  
the first day of December, A. D. 1857.

ARE YOU SICK?  
Then you can't be cured too soon. Don't  
delay until your complaint is incurable, and  
then mourn when it is too late. Four-fifths  
of all the diseases which people the church-yards  
might be cured by Ayer's Cathartic Pills, if  
taken in season. Don't go dragging through  
the Spring, faint, sleepless, and listless, be-  
cause your blood is loaded with bile. Don't wear  
the headache, heartburn, and your kindred  
evils, because your stomach is full. Don't  
paralyse yourself around the world covered with  
Pimples, Blisters, Ulcers, Sores, and all or  
any of the unclean diseases of the skin, be-  
cause your system wants cleansing. Don't  
show yourself about, lean, haggard, all caved  
in, because your Stomach and Bowels need  
strengthening into healthy action. Ayer's  
Pills get these things right as surely as water  
quenches fire. They purify the body and  
restore their functions into healthy activi-  
ty, which you can feel as quick as they are  
taken. They are the one medicinal remedy  
of the age, recognized by all who know their  
virtues, and many thousands know them.—  
Take the Cherry Pectoral for a cough, and the  
Pills for all derangements requiring a purgative  
medicine.  
Prepared by Dr. J. C. AYER, Lowell, Mass.,  
and sold by druggists everywhere.

Religious Notice.

row (Sabbath) at eleven o'clock in Gen.  
Pomeroy's office.

A RATIFICATION MEETING.  
A ratification meeting will be held Saturday  
next at 12 o'clock, A. M., at Parley, near Mr.  
Ellis's, of the Report of the Delegates to the  
Territorial convention at Lawrence.

Come one, come all!  
We will publish the Topeka constitution  
next week.

Several editorial articles and items of  
news have been crowded out in consequence  
of the Constitution.

We regret that we are compelled to cut  
down our paper for the winter. This has been  
caused by the early closing of the river. We  
had sent after paper twice, and perhaps have  
it some place on the river. Last week we  
started out to get some of our neighbors, but  
on both sides of us they were in the same fix.  
We perhaps will be more fortunate than many,  
as the "Zeitung" has a large supply.

By using smaller type we will be able to get  
along with not much less matter. Some stories  
that we intended to publish must be delayed.  
In the spring we shall endeavor to enlarge suffi-  
ciently to make up the loss this winter, hence  
under all the circumstances we expect the in-  
dulgence of our patrons.

P. S. Since writing the above we have heard  
our paper was shipped on the St. Mary, which  
we understand is below Leavenworth. The  
river is clear and rizen some, and we hope to  
get it yet.
