The men have lost out again. Some of the girls were going to a party but they couldn't agree on the menu so have given it up. Every girl had her own favorites and they would insist on them or she wouldn't invite anybody. The others said that they wouldn't have these men at their party and wouldn't play unless they could have their own parties. The first meeting broke up in a row and now if the men want to go to a party they will have to do as they please—twice done—give them themselves.

SANTA FE NOTES.

Items Chiefly Personal Concerning Railroad Men.

George T. Nicholson, third vice president of the Santa Fe in Topeka, arriving here yesterday in his private car, will remain here for a few days of business.

Today is the regular semi-monthly day for the homeseekers excursions. There are two sections of No. 5 today and it is expected that there will be a greater rush of homeseekers to the southwest. There is not the rush this month that there has been on former occasions owing to the cold weather.

Engineer E. E. Smith is running in the pool in the place of Engineer Ed Scallill, who is laying off for a few days.

M. Manson, foreman of the car shops is laying off for a few days on account of sickness.

Owing to the heavy snows the trains are still running late, but they are making better time today than they did yesterday.

Engineer East is taking the place of Engineer J. E. Polly between Topeka and Argentine, on runs Nos. 63 and 64.

Dining car No. 1413 was sent to the car shops this morning for a general overhaul.

S. W. Everett, assistant electrical engineer of the Santa Fe has returned from an extended business trip to Chicago.

Fireman Pattilo is running on runs Nos. 107 and 109 between Topeka and St. Joseph. In the place of Mr. Wise, who is laying off for a few days on account of sickness.

William Bailey, coach cleaner at Argentine is laying off for a few days on account of sickness.

Chair No. 1217 is now in the shops where it is being fitted up with a smoking compartment. When this work on the car is completed the car can be sent west for service on the San Joaquin runs.

Engineer William Rain is laying off for a few days on the fast mail runs between Topeka and Newton and Engineer Barry is taking his place.

The membership committee of the R. R. Y. M. C. will meet tonight in the rooms at the railroad association. Supper will be served at 6:15.

Engineer Chris McGinnis is laying off on the coal train between Topeka and Burdette and Engineer Robert Brenhall is taking his place.

Division Superintendent C. T. McLehlan left for his headquarters in Emporia yesterday after having been in Topeka for several days.

Henry Newlander, assistant foreman of the car shops has reported no work after having been laying off for several days on account of sickness.

M. H. Gill accompanied by a number of electrical helpers left yesterday for San Francisco where he will have charge of the wiring of the new Santa Fe freight depot at that place.

Rev. E. O. Raymond, pastor of the Parkside Methodist church, addressed a meeting in the machine shop today. He was assisted by Rev. George Gardner, the singing evangelist.

William Snyder, chief of the Santa Fe fire department, has applied electrical apparatus to the tongue of his hose cart which will be supplied with power from several large storage batteries which he will install on the carts.

Business car No. 2, which is used by President E. P. Ripley of the Santa Fe, went through Topeka yesterday on No. 2, being deadheaded to Chicago where it will be used by other officials. Vice President Ripley is spending the winter in California.

The committee on management of the Railroad Y. M. C. A. will meet in the rooms at the association tomorrow evening at 6:15. Supper will be served by the ladies of the association and after the supper the business of the association will be transacted.

The Young Men's Social and Investigative Council of the Y. M. C. A. will meet tonight in the rooms of the association. The question for debate this evening will be: Resolved, That the government by commissioning a war is preferable to any other form of government. The speakers on the affirmative will be Lewis Waldelich, F. O. Hassman, Charles Darnell and Harvey George. Those who appear on the negative are: H. H. Hill, Joseph Pentimen, A. L. Mayer and Claude Blake.

"Shorty" Sanders, foreman of the Street In water in the shops has taken a ten days layoff and will spend his vacation in Texas.

During the month of January the membership of the association was increased by two, making a total of 674. This is a remarkable showing considering the fact that there are 193 expirations to work against. One hundred and eighty-seven memberships
