FOR DELINQUENT TAXES.

Seventy-five Pieces of Property in Leavenworth Must Be Sold.

Leavenworth, Kan., March 7.—On Tuesday morning, March 10, at 11 o'clock, Sheriff Brown will start in on the sale of about seventy-five pieces of property located in the city.

"This is one of the big tax suits brought against the County Bond, and every person claiming any interest in the property has been made a party defendant so that there is no question as to the validity of any judgment issued by the sheriff to a person desiring to purchase any of the property."

Before the sale commences the county attorney will announce that if any person claims any interest in the property on account of the question as to whether or not they will get a good title that the county board has agreed to give back any money to a purchaser if for any reason he does not get possession of the property bid in by him at the sale.

TO REVOKE DRUGGISTS PERMITS

Two Petitions Presented to Probate Judge by Chanute Citizens.

Chanute, Kan., March 7.—The petitions asking Probate Judge Allen to revoke the permits granted all druggists in Chanute for the sale of intoxicating liquors were presented to him in Erie.

The petitions stated that the signers believed the records of liquor sales made by the druggists as filed in his office, that the druggists were violating the law, and that therefore their permits should be revoked.

Judge Allen thanked the committees for coming and assured them that he would give the matter his earnest consideration, and act according to his best judgment, and according to his oath to uphold the law.

Offered \$50,000 for Chapultepec.

New Orleans, March 7.—Paul Rainey, the wealthy eastern horseman who arrived here to spend some time at the Crescent City meet, is authority for the statement that Herman Durjoy recently offered Fred Burlew \$50,000 for the crack 3-year-old Chapultepec.

While Burlew had not absolutely refused to part with his sensational colt, he would like to retain him until after the running of the derbies here, and for this reason the sale may not be made in the near future.

BASEBALL TALK.

Manager Cooley Completes His Tryout Team.

Has the Signatures of Thirty-Two Players.

REPORT ON MARCH 25.

Chicago Here for First Game Two Days Later.

Other Teams in Association Are Made Up.

Dick Cooley has written to every man who has affixed his signature to a Topeka contract for 1908, ordering him to report here March 25, at which time the practice season of the locals will commence.

There are a few of the players wintering in Topeka and these may do a little practice beforehand. All, however, will be here to commence work by March 25. There are 32 men who have signed contracts.

Two days later the White Sox will play the Chicago American league team, also known as the White Sox. From that time until the opening of the season the team will be kept busy with exhibition games most of which are to be played in Topeka.

Several strong teams will appear here in Topeka later in the ante-season games. A trip is being arranged for the locals through the southeastern part of the state where there are several strong teams. The locals were to have circled the Western league territory but the Western league and its leader in that circuit.

When the first practice is held on the afternoon of March 25, there will be an imposing array of baseball talent on the local diamond. Cooley has three catchers, eight pitchers, with another a possibility, six infielders with a chance for a seventh and five outfielders to which a number may be later added another.

For catchers Cooley has Moore, Brennan who played here for a time last season during which time he showed great promise despite his inexperience, and Bartley, a youngster who comes highly recommended from Poughkeepsie, Kan.

The pitching line seems to be the strong point of the 1908 team. Jones of the team last season and one of the best southpaws in the league, will be back; Jarrott a seasoned pitcher from the St. Louis City team of the Western league and a leader in that circuit; Craig, well known in this league as a twirler of ability; Arnold who showed up strong last year; Rollard a pitcher with a year's experience from Emporia in the Central league and a man very highly recommended to Cooley; Farney, who is said to be the best pitcher of the Kansas shortgrass region; Jewett, from the deaf and dumb institute at Olathe and a pitcher for whom Luther Taylor of the New York Nationals has predicted a bright future.

When in this league two seasons ago; all of these will report for practice.

Cooley will have the initial corner of the infield. Kahl will probably play second, although young Golson of northeastern Kansas, who is anxious for a chance, will try out at this position. Ragan will play short and Boles will probably have the call for third. Cooley has however signed "Spider" Basler, a former Oklahoma City and K. U. infielder, who is now practicing law in this city. Bailey played third with the Middlets here last season.

The outfield honors will be contested by Landreth, Woolley, Holycross, Cramline and Outbert.

Out of this aggregation of baseball players will be selected the team which will contest for the Western association pennant during the coming season.

Olson, Halla and Davis of the Topeka team of last season, who were sold to Louisville, have all signed Louisville contracts and will report to the Colonels about the fifteenth of March. They have until the first of May to make good. If they succeed they will stay there and Cooley will receive a nice bunch of money. If they fail to make good they will rejoin the local team.

The local diamond will be put in better condition before the beginning of practice season, than it has ever been before. During past season the roughness of the outfield has made it almost impossible to play a good outfield game. Cooley has had a steam roller working on this part of the field since the recent rains and now has this part of the park as smooth as a skating rink.

A new scoring rule has been made which will help the batter's averages during the coming season. A long fly knocked to the outfield which if caught allows a runner to score from third will count as a sacrifice and no time at bat will be charged against the batter. This of course would not count if two men were in the running for the first division ago seemed to have it consigned to the cellar on account of the dormant condition of the management.

The Wichita team has arranged a fine schedule of ante-season dates. Games will be played with the Chicago White Sox, Washington, Pittsburgh and Kansas City teams in a number of small towns. The Wichita team has been materially strengthened by the securing of Helling, the star third baseman of last season's team. Some of the recent additions to the Wichita team are as follows: Cenek, Packard, Clark, Nichols, Patterson, Hawks, Hendrix, King and Stringer.

Jay Andrews is keeping busy out at Hutchinson. During the past two weeks he has added the signatures of the following players to his team, which will give him the largest squad in the league: James Harshbarger, Milton S. Kuntz, Earl Fry, Clarence Bakule, Joe Yeoman, C. A. Ross.

Larry Milton and Red Wright who are running the Wichita City team this year are working hard getting a new team. They are also putting up a new park which will be known as the Tri-City park as it will be midway between three cities in southwestern Missouri, one of which is Webb City. Charlie Pease, Jack Roach, Ned Dickens and Harry Snyder are four new players whom Milton has secured. In talking of his team in a couple of days ago Milton said: "We are going to have the best team this season which has ever been seen in this part of Missouri. We have a good bunch already but we have a few new ones in the fire which will bring us some more first class players."

The Altoona team in the Tri-State League, trying to purchase Jack Root from Joplin for \$250. Fillman however, wants \$300 for his speedy twirler.

Frisco 5, White Sox 5.

San Francisco, March 7.—Team No. 2 of the Chicago White Sox was defeated Friday in a practice game by the local team by a score of 5 to 3. San Francisco tried out Pitchers Whitridge, Willis, Eftman and Eddy. Catchers Berry, Lelange and Esqui. Chicago's battery was Manuel, Olmstead, Freeman and Hart.

Los Angeles 6, Chicago 3.

Los Angeles, March 7.—The Los Angeles team defeated the White Sox team No. 1 of Chicago Friday by the score of 6 to 3. Four hits were bunched on Altrock in the sixth, netting three runs.

Score: R. H. E. Chicago..... 3 8 0 Los Angeles..... 6 10 2 Batters—Owen, Altrock and Shaw; Gray and Easterly.

Sunday Ball for Lincoln.

Lincoln, Neb., March 7.—By the acquittal here of the Lincoln Western league ball team of the charge of playing on Sunday, games on that day can now be played here all season.

Winfield's New Ball Captain.

Winfield, March 7.—L. P. McGill of McPherson has been elected captain of the Southwestern Kansas College baseball team for the coming season. McGill plays second base. The season will open here the latter part of this month with the Chillicothe Indians.

Western League Dates Remain.

Des Moines, March 7.—The proposition to postpone the opening of the

Western League will not carry through, as was at first confidently expected. Word has just received from President O'Neill to this effect. A mail vote was taken and the proposal was defeated. The schedule as originally promulgated at Omaha will be followed. This will be promulgated this week.

ARE OFF FOR SOUTHLAND.

New York American League Ball Team Leave for Atlanta.

New York, March 7.—Several members of the American league baseball team left on the Pennsylvania railroad early this morning for Atlanta, where the team is to go in training preliminary to the opening of the championship season. Other men of the team will journey to Atlanta by different routes and in all 25 players, according to Secretary Nahon will be under Manager Clark Griffith's direction in the southern city, the squad including eleven pitchers and six catchers. Among those who left here this morning were Hal Chase, who reported yesterday; Newton, Lake and Neur, pitchers; Ball, infielder, and Manning, catcher.

Clarke Called to Pittsburgh.

Pittsburgh, March 7.—Manager Fred Clarke of the Pittsburgh team has been called from his Kansas home to see what can be done with the players who are holding out for more money. For the first time in history Clarke is being brought east of the Mississippi river before the training season begins. He comes to have heard-to-heart talks with Wagner in Carnegie, with Leach at Cleveland and with Gibson in Canada, each of whom refuses flatly to sign a contract.

Of Course "Connie" Will Win.

Philadelphia, March 7.—Connie Mack, manager of the Philadelphia American league baseball team, is out after the pennant this year with a determination which will make the

son. According to statements made yesterday by close friends of the coach at the university, he has been considering the question of his withdrawal for some time and is likely to retire permanently from athletics in the near future as the result of the present "reform" regime in the maroon institution.

Coach Stagg was willing to go part way in agreeing to some of the "reforms," but decided to back out if the professors screwed down the lid completely, according to his confidants. He held out for the training table and training quarters on the ground that both were essential to conditioning and disciplining the athletes, and urged that five games were not enough to develop a football team naturally for big contests.

Another of Stagg's chief contentions was that Chicago and Michigan should meet for the western football honors as natural rivals, and he devoted himself during a great part of the recent purely reforming to bringing these two schools together again. The faculty attitude and the alleged deliberate move by the conference to embarrass Michigan in leaving the "big nine" was a disappointment to Stagg, who had hoped to smooth the situation over.

"I believe Mr. Stagg will quit this year," says one of his advisers and friends yesterday. "An impossible relation between himself and the faculty is fast growing up, and he is not pleased with the prospect of being taken down by 'reform' above those of the other schools or of having his athletic principles discredited by the professors any longer."

NEW AUTO RECORD.

M. G. Bernin in a French Car Goes 100 Miles in Flying Time.

Ormond, Fla., March 7.—Two records were broken on Ormond beach Friday. M. G. Bernin in a 60 horse power French car covered 100 miles in one hour 12 minutes 56 1-5 seconds, almost three full minutes faster than the old record of one hour 15 minutes 56 1-5 seconds, established on Ormond beach in 1904 by Walter Clifford Egan in an English car.

The other record was that of the middle weights gasoline cars. Cedrino in a 60 horse power Italian car covered the distance in 25 seconds. The old record, made by Louis Chevrolet in 1906 was 40 seconds and 3-5. Bernin made his 100 mile record in a special match race against Cedrino's car. S. E. Stevens driving the latter.

Rough Game at Baldwin.

Baldwin, Kan., March 7.—In a rough and tumble game of basketball here last night which nearly resulted in a fight, Baker defeated Ottawa by a score of 24 to 21. It was one of the roughest games ever played here. Mason of Baker was seriously hurt he had to quit. The eligibility of Mover caused a wrangle to name a player on their ex-troting queen, Nancy Hanks, which finally ended by a substitute taking his place, after President Murlin had declared he was eligible.

Russian Would Buy Nancy Hanks.

Lexington, Ky., March 7.—A wealthy Russian has written Edward and Joseph Madden to name a price on their ex-troting queen, Nancy Hanks, with holding his name, but declaring that he wanted to pay a profit above what the mare cost them and that the money would be found with the Russian consul in New York. The young turfmen will not sell the mare.

A Wrestling Match at Salina.

Salina, Kan., March 7.—Charles Dellvuk of Wichita, threw Prof. F. Nicholas of Milwaukee, here last night, getting the first fall in 20 minutes and 39 seconds and the second in 12 1/2 minutes, on toe and scissors hold, respectively.

AN AVERAGE RUN OF 36

Demarest, His Opponent, Is on Playing an Easier Style.

One Evening During the Tourney Calvin Made 125 Run.

Chicago, March 7.—Starting with a run of 68, which completed his undefeated total of 89 the previous night, Willie Hoppe took the fourth game of his match with Calvin Demarest at Mussey's, running out with 400, while his opponent pined up 108.

Hoppe made the remarkable average of 36 4-11, which has been beaten but once at 38.1, and then by Jake Schaefer, and which places his grand average for the four evenings at 22 60-70. Demarest played at the 14.2 style.

Hoppe's high run was 77 and his only mistake came in the sixth inning, when he missed one of the easiest shots presented in the course of the night. In the following inning he again missed after a run of 6, while attempting a follow shot, and in the ninth inning he missed after a run of 55 while attempting a rail draw.
