SCREEN STAR CONTEST

State Journal Polls for Popular Players in Topeka Open Today.

Who is your favorite motion picture actor and actress? Within the next three weeks any follower of the silent drama in Topeka, or Kansas, or any other place, will be permitted to vote for their movie queen or matinee idol.

The State Journal screen stars contest starts now and will close on noon, October 22.

There are scores of stars whose popularity here is undoubted. Topeka playhouses, such actresses as Mary Pickford, Marguerite Clark, Clara Kimball Young, Anita Stewart, Blanche Sweet, Edith Storey, Mabel Normand, Ina Claire, Elsie Janie Theda Bara or many others, are attractions to the movie public. In the same way Francis X. Bushman, John Barrymore, Tom Santschi, Robert Edison, Sidney Drew, Edwin Arden, Owen Moore, Bill Farnum and his brother Dustin, George Beban, Frank Daniels, James Cruze, Jack Kerrigan and a good many more attract the people of Topeka. Even the notorious Charlie Chaplin will not be barred from the polls.

The whole city of Los Angeles recently held an election to select favorites and Francis X. Bushman and Beverly Bayne were named.

This contest will continue for three weeks. Coupons will be run every other issues. The results will be announced each Saturday. Only one vote for each person. The voting is not limited to any one locality but is open to every one. All that is necessary is to clip the coupon, write plainly the names of your favorite stars, sign your name as a measure of good faith, and mail it to the editor of the State Journal. The first coupon is in today.
