The figures show that the fees collected from October 1, 1914, to September 30, 1915, totaled \$1,620.92, while those of the same period of the preceding year amounted to \$234,824.75.

Mr. Botkin said that he has experienced some little trouble recently with the dissolution of corporations. Under the law it is necessary to notify the secretary of state of such dissolution.

"We have the series clinched and will make three to one in our favor today," said Manager Carrigan of the Boston Red Sox.

It was another perfect day warm and with not a cloud in the sky. Two hundreds of Boston fans came out to have a good time.

A Scotch bagpipe band made a great hit, while a lone cornetist in the far right field stand offered periodic solos that were boisterously received.
