DYSPEPTICS! END STOMACH MISERY, GAS, INDIGESTION

"Pape's Diapepsin" neutralizes acids in stomach and starts digestion.
Stops any sourness, heartburn, or food rising in few moments.

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking some Diapepsin. If your stomach is lacking in digestive power, why not help the stomach to do its work with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.
People with weak stomachs should take a little Diapepsin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and besides, what you eat will not ferment and add poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved five minutes after taking a little Diapepsin.
Go to your drugist and get a 50-cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.—Advertisement

Cleanse the little liver and bowels and they get well quickly.
When your child suffers from a cold don't wait till the little stomach, liver and bowels are gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, out or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

LAW SUIT FOR MILLIONS

Legal Fight is on for Estate of Edward W. Townsend.
Kansas City, Nov. 22.—Mrs. M. L. Schaden, administratrix of the estate of George W. Townsend, millionaire builder of the Kansas City, Clay County & St. Joseph railway, brought a suit in equity in the circuit court today to determine the rightful heirs to the Townsend fortune.
Townsend committed suicide in July, 1913, by jumping into the Missouri river during an attack of temporary insanity. Under the terms of his will, dated 1906, the estate was bequeathed to those brothers and sisters: Edward W. Townsend, representative of the Congress from New Jersey; Miss Cornelia Townsend and Mrs. Anna L. Davis, both of Milwaukee, and W. R. Townsend.
Mrs. Schaden, many years Townsend's confidential secretary, was appointed administratrix of the estate.
Mrs. Margaret Hackman Townsend, the widow, who was married to the millionaire in April, 1913, was not provided for in the will.
Prior to his marriage, Townsend, it is alleged, made an agreement settling \$30,000 on his wife and agreeing to adopt her two children, George and Edward W. Hackman. The parentage of the children, according to attorneys, will enter into the suit.
Before her marriage to Townsend, the widow was Mrs. Margaret Hackman of Chicago. She obtained a divorce from Hackman in 1911. Mrs. Townsend maintains her two sons are entitled legally to Townsend's estate.
Townsend was a national figure in the engineering world. Previous to his marriage he was regarded as a said, retiring bachelor. The estate consists of an interest in the railway Townsend built, and realty holdings in Wyandotte county, Kan., and elsewhere.

SECRET GAME HIGH

Kansas Man Pays \$210 for a Knowledge of "Masonry."
Chicago, Nov. 22.—David Davis, of Logan, Kan., was passing through Chicago yesterday on his way to Buenos Aires, Argentina, where he has a job on the big line controlled by Swift & Co. On State street he met two pleasant strangers, Charles Brown and "Mr. Sheriff." He mentioned that his father had been a Mason and that he always had wished he might be one some day.
"Mr. Sheriff" admitted he was one and said he naturally took a fatherly interest in the son of one of his lodge brothers. In fact, he believed he liked Davis so well he would aid in making him a Mason.
Accordingly Davis, "Mr. Sheriff" and Brown went to a saloon in the vicinity of the Great Northern hotel where "Mr. Sheriff" took Davis into a back room to post him up on Masonic secrets.
After a few mysterious passes over Davis' clothes "Mr. Sheriff" put his arm around Davis' back in order to impart the grand and mysterious word. They then returned to the bar for another drink, after which "Mr. Sheriff" and Brown left to keep an engagement.
They hardly were out of sight before Davis shouted he had lost \$210.
Charles Brown and James F. Sheriff, a tile setter, were arrested and identified by Davis. Today Brown died in the emergency hospital of pulmonary hemorrhage.
