3 O'CLOCK GAMES

Majority of Topeka Fans in Favor of Earlier Baseball.

Wolves Were Easy for Savages Sunday Afternoon.

In the future all Western league baseball games played in Topeka will be called at 3 o'clock. The loyal fans who attended Sunday's game voted for this hour in preference to 3:15 or 3:30, and the majority was so overwhelming that there can be no question about their demand for earlier baseball. The count of the votes showed that the 3 o'clock advocates outnumbered the 3:15 and 3:30 advocates by almost 10 to 1.

And it goes without question that the 1,600 fans who were out Sunday afternoon to see the Savages trim the Jimmy Jackson Wolves by the score of 9 to 3 are the most loyal fans in Topeka. It was raining a half hour before the game began and it was raining when the umpire called "play ball," but the crowd continued to pour into the grandstand and bleachers, and oldtimers said it was the biggest rainy day assemblage the park ever held.

Not a Bad Game.

Once during the game the downpour became so great that the umpires had to call a truce and send the players to the dog pits, but even the bleacherites stuck to their seats, and when the hostilities were renewed they were rewarded with a better exhibition of baseball than is generally seen on a sloppy field. The first three innings of the game were scoreless, and the only excitement they furnished was when Jimmy Jackson was sent to the bench in the second when he was called out by Umpire Anderson on a close decision. Jimmy proceeded to dish out some of his celebrated "hot language" to Anderson and the latter promptly benched him for the rest of the game. When his team began to lose, some of the fans feared he would tear down the structure, eat up the woodwork and come out a-fighting, but he did not cause any more disturbances.

Wolves Score First.

The Wolves opened the score board in the first half of the fourth inning when, with a mighty third, Hall let a wet ball slip out of his hand for a wild pitch and allowed the man on third to score.

The Savages threw off their reserve and stepped to the front in the last of the fifth when they made three singles and two doubles good for a pair of runs, but the Wolves added two more in the sixth on two singles, a walk and a sacrifice fly.

It was in the old lucky seventh that Lattimore and his men made their big charge and got their full wrecking crew to working, driving Pate from the mound and scoring a total of seven runs.

Agler, the head of the batting order, led off in the seventh. Pate aimed a couple of wild ones at Agler's head, making him mentally sore, and to make sure that he would not get hit with one that would give him the same physical feeling, the ex-Fed first sacker pushed out a safe single.

Cochran in It.

Cochran then doubled and Goodwin got his third hit of the afternoon, a double that brought both Agler and Cochran across the plate. Pate was then removed from the firing line and "Bull" Durham took the mound and shot one into Tydeman's short ribs the first thing. Krueger flew out, Lattimore walked and Schweitzer singled. Goodwin singled on Schweitzer's hit and Tydeman romped home when Litschl threw wild to the catcher.

Monroe kept up the bombardment, getting a single that scored Lattimore. Hall grounded out, but Agler again singled, counting Schweitzer and Monroe and then Cochran fanned, giving the Wolves another chance to bat.

No More Scores.

Hall, however, kept his eye clean for the remainder of the game and did not allow a hit. Hall's work throughout was exceptionally good. To him goes the credit for having pitched the first 5-hit game of any Topeka pitcher on the home grounds this season. All of the five bingers collected from him were singles and they were scattered over three innings.

The Savages left Sunday night at midnight for Lincoln where they meet

Sport Wheezes

—BY CLUG—

The Santa Fe Apprentice band furnished music for Sunday afternoon's game and helped to keep things lively in spite of the rain and slush.

The bat record of the Savages Sunday was in marked contrast to their record Saturday when Koestner shut them out without a hit. Sunday they collected 16 safe ones, and Hall and Kruger were the only ones who did not fatten their averages.

Agler, Cochran, Goodwin and Monroe were the leading sluggers of the afternoon Sunday. Agler was up five times and four hits for an average of .800. Goodwin got three out of four attempts, Monroe two out of four and Cochran two out of five. Lattimore was up only three times, but singled twice.

The no-hit game Koestner annexed Saturday was all that a no-hit game could be. Bill Rappa who claims to have seen more of them than any other living ball player says it was the cleanest no-hit game he ever lamped. A hot one from Tydeman's bat that Litschl handled perfectly and a long fly of Cochran's that Fox speared were the only blots that even threatened to be hits.

Pitcher Fleharty, of the Wichita team, who was scheduled to pitch Sunday received word Saturday night that the young lady he was engaged to be married to died from the result of burns received while the Topeka team was in Wichita last week. It also was reported that Fleharty was to be suspended for spitting in an umpire's face during the Savage series at Wichita.

Although Hoffman had to forfeit his wrestling match with Tommy Doctor Saturday night after both men had gotten a fall, those who saw it said he put up a game fight against the welterweight champion. Hoffman was compelled to forfeit because of a broken bone in his foot.

Tomorrow night Dr. Kennedy, the new Washburn football coach, will meet the football players, fans, boosters and alumni in Thomas gymnasium. It has been announced that all who are interested in Washburn athletics are invited to attend.

The Ichabod prospects for next fall were given a boost today when it was announced that Art Champeny, one of the most valuable of the old men, would be back in school next fall and would be in the game again. For his pounds, Champeny is one of the best men the Ichabods have had in the last few years.

TOPEKA WON MEET.

High School Track Team Scored Sixteen Points in Manhattan.

Manhattan, Kan., May 15.—Topeka high school won 16 points in the sixth annual state high school field and track meet here Saturday, capturing first place over the school of agriculture by the narrow margin of one point. Other teams placing high were Syracuse, 12; Minneapolis, 13; Attica, 12; Abilene, 10 1/2, and Overbrook, 10. Twenty of the school of agriculture, with first in the high jump, broad jump and high hurdles, was high point winner with 15 points. He made all the points for his school.

Rotterick of Attica made the only new record when he put the shot 47 feet 3/4 inches, besting the old mark of 46 feet, made by Sharpe of Carbondale in 1914. A muddy track prevented the breaking of any records in the runs. Beatty of the School of Agriculture, running almost a dead heat with Gish of Abilene, made the best record when he captured the high hurdles in 17 seconds flat. Stout of Minneapolis won the relay for his team by overcoming the lead of twelve yards held by McCallen, the Topeka finish man, in the last lap.

AMERICAN HORSE WON.

English Entry Ran a Close Second in Kentucky Derby.

Louisville, Ky., May 15.—George Smith, an American colt, won the forty-second Kentucky derby by a neck from Star Hawk, the imported English colt, Saturday. George Smith led down the stretch drive by two lengths, but Star Hawk made a mighty effort and in a driving finish forced the American colt to extend himself to the limit.

Dominant and Thunderer, the entries of Harry Payne Whitney, finished fifth and sixth. Thunderer was fifth and Dominant seventh. The
