**SO-CRITTY**  
By Bertha Hempstead

Word has been received in Topeka of the marriage of Miss Alice Myrtle Pratt and Mr. Ray H. Crumley, both of Colby, Kansas, at the home of Mr. Samuel Pratt, on Colby, for the ceremony of the bridal party Schubert's Serenade was played by Mrs. David Ferguson, formerly Miss Clara Daniels, of Topeka. The bride and bridegroom stood before a bank of ferns during the marriage service, which was read by the Rev. A. E. Frenkel.

After the wedding a luncheon was served in the dining room for thirty guests. The table decorations were Killarney roses.

The bride's gown was of white satin, and she carried a shower bouquet of bridal roses. The beauty of the bride of her gown was caught with a cameo pin set in pearls, the gift of the bridegroom.

Mr. Crumley is the only daughter of Mr. Samuel C. Pratt, one of the well known men of Thomas county. She has many friends in Topeka where she was a student in Washburn college.

Mr. Crumley is the son of Mr. and Mrs. H. W. Crumley, who are widely known in this state because of Mr. Crumley's political and business activities. Both families are among the old families in the territory and have had a large part in the development and progress of that part of the state.

Mr. and Mrs. Crumley will be at home after October 1, in Colby, Kansas, where Mr. Crumley will be in charge of a large real estate and abstracting business.

The Alpha Phi sorority will have a special Tuesday night at the chapter house, and the guests will be all the members of the alumnae chapter of the Beta.

Mrs. Holmes Meade was hostess at a meeting of her sewing club this afternoon. Mrs. Frank Miller, of St. Louis, who is visiting her parents, Mr. and Mrs. John F. Mitchell, was a guest of the club. She was formerly a member.

Dr. Frank Knight Sanders, who served as president of Washburn college in Kansas between 1906 and 1913, will be an honored campus guest this week. Dr. Sanders is the director of the Board of Missionary Preparation with headquarters in Chicago. He is at present conducting a series of conventions in different cities in the middle west. From St. Louis he goes to Kansas City where he will meet in conference representatives of the colleges of Kansas and Missouri. The date announced for his appearance in Topeka is October 1, when the chapter body will have the pleasure of hearing him speak at vesper. However, there is an unofficial report that Dr. Sanders will probably spend two days of this week on the campus and perhaps address the students in chapel.

A certain attractive widow in Topeka is being rushed by a number of the bachelors. One of the young men who is declaring some time ago that he believed he could win if only he had an automobile. Very recently he took the local agency for one of the handsome high-priced cars.

The following notice from a Jackson, Tenn., paper, is of interest to friends of Mrs. T. J. Kimbrough, who formerly lived in Topeka.

The season is fast sweeping into a current of social energy, and the reception given by Mrs. Judson Kimbrough at the country club yesterday afternoon will without doubt be classed among the most beautiful big affairs of a busy season.

Mrs. George Rodney Todd, of Topeka, Kansas, who with her husband are home-guests of the Kimbroughs, was the inspiration of this hospitality, and the only hostess of the occasion in ciel blue chiffon hung over blue chaperone with silver lacings and a corsage of pink Killarney roses.

Mrs. Kimbrough's frock was an effective thing in old-blue and white net with Chinese velvet bodice, with which she wore a corsage of Sunburst roses.

It was a bright summer day just touched with autumn coolness, so that doors and windows could be opened wide; and the floral decoration was elaborate and surprisingly rich in coloring, a wealth of early fall flowers everywhere, en masse in color groups, and mixed garden blossoms; bows and vases of exquisite roses, sheaves of asters and golden rod, golden mounds of marigolds, baskets of prize-ferns and burning hedge with an undermassing of zinnias, all the rich hues of the season to contrast with the soft tones of the rooms and throw into relief the many handsome costumes worn by the ladies.

Refreshments were served both in the dining room and the loggia to some 300 guests who called.

Miss Hazel Klingaman, who will be married soon to Mr. Dean F. Rogers, and Miss Lydia Emery, whose marriage to Mr. Leland McAfee will take place in October, will be guests of honor at a party to be given tonight at the home of Mrs. A. J. Schober, 1115 Garfield avenue. The hostesses will be Mrs. Schober and Mrs. Thomas Amory Lee. The party will be a reunion of the class of January, 1911, of the Topeka high school, the class organization being the Alpha Phi club. Miss Emily Crow will entertain for Miss Emery Thursday evening.

A Topeka man who calls some observations of his a "story of the sublime and the ridiculous," tells of his journey in a street car. He noticed a wonderful looking woman who was handsome on a scale of magnificence, and richly dressed. She had large regular features, and an Amazonian arm, she was a perfect Juno, in fact, ox-eyed, calm and colossal. She settled herself in the seat of the car, and arranged herself for comfort and display. She spread her fine white hands at her sides, and on the finger with her wedding ring, was a tiny gold circlet set with a diamond about the size of a pin head. "It looked like a flea on an elephant's ear."

A number of Mrs. Pratt's have been given this week to the Orpheum theater to see the film "God's Country and the Woman," which is attracting attention among the music fans. The picture contains views of the far north, snow scenes, lakes and mountains, and is a real treat to the audience. The taste of last night's audience was clearly for dogs. The Eskimo dogs in the picture were applauded by the crowd every time they appeared.

**CHURCH OUT OF DEBT**

Good Financial Condition of First Baptists Under Rev. Robert Gordon.

The annual business meeting of the First Baptist church was held last night. Reports show \$10,877 was raised and expended during the year for current expenses and benevolences. The mortgage on the building was paid off and the church is now wholly out of debt.

Four hundred and ninety-three new members have been added during the five years in which the Rev. Robert Gordon has been pastor.

In the absence of Judge West, J. E. Spalding was chosen to serve as moderator last night. W. F. Axtell was elected trustee and Mr. W. F. Freichel associate trustee. C. C. Nicholson was elected to the office of deacon. Jesse Shaw is treasurer and E. J. Whitaker.

By a rising vote the trustees were requested to express to Mrs. Arza J. Clark and the choir, the appreciation of the church for the unusually excellent musical services they have furnished. Two rehearsals a week have been held. Six special musical programs were given at the church by the services rendered at the R. R. Y. M. C. A. Dover and elsewhere.

**Don't Let Soap Spoil Your Hair**

When you wash your hair, be careful what you use. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain purified coconut oil, for this is pure and entirely greaseless. It is very cheap, and beats the most expensive soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, lathers thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.—Advertisement.

**Combing Won't Rid Hair of Dandruff**

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look out like a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Adv.

**URGES EVERYONE TO QUICKLY GET ON WATER WAGON**

Drink glass of hot water before breakfast to wash out poisons.

To see the trace of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, try this inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of Limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels all the previous day's indigestion, waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.—Advertisement.

**Zemo for Dandruff**

You do not want a slow treatment when hair is falling and the dandruff means no hair.

Get, at any drug store, a bottle of Zemo for 25c or \$1.00 for extra large size. Use as directed, for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is sure and safe, is not greasy, is easy to use and will not stain. Soaps and shampoos are harmful, they congest the scalp. The best thing to use is zemo, for it is pure and also inexpensive. Zemo, Cleveland.—Advertisement.
