

BAD NEGRO IS KILLED

Bottoms Character Shot by Another in Fight Over Wives.

Ed Davis, a negro of "the bottoms," was killed Sunday when he fell from a bridge in front of the home of Felix Dodson, near 400 East First street, a bullet from Dodson's shotgun lodged above his heart.

Dodson told Fisher today that the trouble started when Dodson's wife accused him of intimacy with Mrs. Davis and after upbraiding her husband met Mrs. Davis on the street and gave Mrs. Davis her opinion on infidelity.

Dodson made no attempt to escape. He remained at home until the police called and placed him under arrest.

Ed Davis and his wife for years have been notorious police characters. Before the "bone dry" law went into effect either Davis or his wife was in the county jail almost continuously for violation of the liquor laws.

BIG BANQUET FOR THE BIRDS

Leaky Grain Cars Leave Golden Trail of Wheat Behind.

Salina, Sept. 6.—The large numbers of birds, of all kinds flocking along the Kansas railroads, have been the topic of discussion for traveling men and others who visit various towns in the state.

It is a perfect conglomeration of bird life, said one traveling man, "and consists of everything from the wren and sparrow to the crow."

The banqueting is not only in progress in the rural districts but in the villages also, and the birds swarm along the tracks and feast at all times of the day.

The Parade. The formation and order of the parade follows:

Division No. 1. Head of parade formed at corner section of Ninth and Monroe streets.

Division No. 2. With Jackson band. The following organizations: Santa Fe Machinists No. 1270, Santa Fe Boiler-makers, Santa Fe Blacksmiths, Maintenance of Way No. 70, Maintenance of Way No. 2.

Parade Notes. Marching workers carried many banners during their stand on the industrial court law and on state regulation of problems confronting labor.

Many workers carried American flag. One banner read: "We are 100 percent American. Expressions of national loyalty did not, however, interfere with frequent evidences of contempt for the Kansas effort to block industrial disputes and strikes."

There were many girls and women in the parade. Practically all of the women are members of local labor unions.

Eleven Pledges. (Continued from Page One.) build forty-eight battalions, he said. This number will be necessary within the next generation if the league is not operative, the governor asserted.

Must Provide Markets. "It is necessary," he said, "to provide not only a ready market for the produce of the farm by increasing transportation facilities but it is essential that markets be maintained by the natural law of supply and demand, eliminating features which create artificial control, reducing the income of the producer, while at the same time increasing the cost to the consumer."

Kansas Will Certify \$32,317 for American Railway Express.

The state will collect an annual express tax of \$32,317.98 for the American Railway Express company this year. Certification of this tax by the state auditor, Fred W. Knapp, has just been completed.

The tax represents an assessment of 4 per cent on "gross receipts" of \$807,439.56 for May 1, 1919, to May 1, 1920, and is due in November.

The company's total receipts for the year in Kansas were \$1,523,450.95, the gross receipts representing the difference between the total receipts and the amount paid to the railway companies for transportation of express.

MONEY

Could Not Buy Good Tanlac Did Him, Says Monroe.

Twelve Months of Suffering Is Now Over.

"I wouldn't take all the money you could pile up around me for the good Tanlac has done me, and my only regret is that I didn't get hold of it sooner, for it would have saved me untold suffering," recently declared Bert Monroe, painter and decorator, living at 218 Hydrant street, Wichita, Kan.

"For twelve months I was a mighty sick man and words can't express all I endured. I was told I had catarrh of the stomach, and I couldn't eat a thing without being nauseated, and had a most sickening taste in my mouth all the time. I was afraid to eat because of what I knew I would suffer afterwards."

"My kidneys bothered me a lot, too, so that I could get but little rest at night, and I had such pains across the small of my back it was agony to get a ladder or stoop over. I had terrible headaches and dizzy spells, became nervous and irritable, and was so weak and run-down it was all I could do to keep going."

"When a friend of mine put me on Tanlac he certainly did me a good turn. It was simply wonderful the way that medicine overcame my troubles. I now have a good appetite and can eat anything I want and never suffer a particle from indigestion afterwards. My kidneys are in fine shape and in fact I haven't a pain or ache in my body. I have gained several pounds in weight, my nerves are now steady and strong, and my general health is better than it has been in years. All who suffer as I did should try Tanlac, for I am sure it would do them good."

Tanlac is sold in Topeka by Tully-McFarland Drug Co., 325 Kansas avenue, and 729 Kansas avenue.—Adv.
