GIRLS! LEMONS WHITEN HANDS

From the juice of two lemons into a bowl containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter-pint of harmless and delightful lemon-bleach lotion to soften and whiten red, rough or chapped hands. This home-made lemon lotion is far superior to glycerin and rose water to smoothen the skin. Barons stage beauties use it to bleach and bring that soft, clear, rosy-white complexion, because it doesn't irritate.

How Would You Like

The Heaviest Expense of Washday —what is it?

Today the housewife knows that the actual cost of washing in the home—the expenditure for fuel, soaps, starch, perhaps for a laundress—is the smallest item.

She is beginning to realize that she herself pays—and dearly. The frantic rush of washday—the all-too-real burden of washing, rinsing, and wringing—the fatiguing hours spent over the ironing board—all exact a price which the modern woman knows she cannot, in justice to herself and her family, afford to pay. The real drain is not upon her purse, but upon her person.

Your family washing is cleaned to meet the standards of the most particular, your flat pieces are beautifully ironed—only the lighter articles, dainty blouses and lingerie, are left for you to finish.

It would be the poorest sort of economy to age and worry yourself to the point of illness, when right at hand—as near to you as your telephone—is this service of ours that is so specially fitted to take over your domestic problems. We do all the heavy washing, and much of the ironing, leaving to you only the finishing of the lighter pieces.

Telephone today, and find freedom from strain and expense of the home washday. Our driver will call for your family bundle.

Our modern Family Laundry Service means true washday economy for you.
