

THE GREAT REBELLION.

With Reproductions of Numerous Fine
Steel Engravings.

BY J. T. HEADLEY,

Author of Napoleon and his Marshals; Washington and his Generals, etc.

TWO VOLUMES. 1,122 PAGES. LEATHERETTE COVERS.

WE HAVE LONG DESIRED TO procure for our subscribers a complete general history of the war from start to finish. This has been difficult to accomplish because there are but two or three such works in existence written in popular style, at the same time involving a reasonable degree of accuracy and completeness.

We have secured the history of the Great Rebellion, by J. T. Headley, with whose graphic style our readers are already familiar, as he is the author of Napoleon and His Marshals, the serial which we have been running in our columns for some time. The Great Rebellion comes in two ample volumes of over 1,100 pages, large 8vo. size, printed in clear type, and profusely illustrated with portraits and battle scenes.

Heretofore this work has sold by subscription at \$7 for the set. We have the exclusive right to offer it in a popular edition. The text of the author is complete and unabridged, and the only substantial difference is that it is in leatherette binding instead of boards.

Mr. Headley's treatment of the great subject takes up the preliminary conspiracy by which the authors of the rebellion sought to take the Southern States out of the Union; the struggles in Congress over the extension of slavery; and the admission of Kansas as a free State, and finally passes on to the firing on Fort Sumter, and the tremendous events which followed. All the campaigns of the war are carefully explained and the battles described.

Every one of our readers who served in the war for the Union will find depicted scenes and incidents in which he personally participated. The work has the merit of being a logical history, without being abstruse. It is written in that masterful style for which Mr. Headley is famous. The first volume covers the preliminaries and 18 months of the war. The second takes up the narrative beginning with the operations of the Army of the Potomac in the Summer of 1862, and carries the story forward until the surrender of Lee at Appomattox and the capitulation of Johnston put an end to the fighting. There is also a closing chapter upon the difficulties of reconstruction and the trials incident to the rehabilitation of the States lately in rebellion. It is a standard work which should be in every American library. We do not sell these volumes, but give them away to our subscribers and club-raisers under conditions named above.

FREE, POSTPAID.

This great work, in two large volumes, bound in leatherette, and complete, as described above, will be sent FREE, postpaid, on the following conditions:

1. It will be sent free as a present to every one who sends in his \$1 subscription to THE NATIONAL TRIBUNE BETWEEN NOW AND APRIL 30.

2. We also send these two volumes, free and postpaid, to any present subscriber, or anyone else, as a premium for a club of ONLY TWO yearly subscribers, and each member of the club will also get the books with his paper free.

POINTS TO REMEMBER.

Anyone raising a club can promise to each person he solicits these two "Great Rebellion" volumes, or, if the person solicited prefers them, any other two of our War Books, described elsewhere. This makes club-raising easy.

★ ★ ★

We reserve the right to withdraw this offer before April 30 if the books are all taken. There is no need to say "hurry."
