

I OFFER FREE TREATMENT To Victims of These Diseases

You Can Cure Yourself at Home With It—I Will Send It to Your Address Without a Penny of Charge

DON'T TURN THIS PAGE; DON'T DOUBT, BUT READ WHAT I HAVE TO SAY!

Are You One of the 60 Per Cent?

In arranging with The National Tribune for this page announcement, I felt sure of the attention of sixty per cent of its readers—and that means thousands of people. According to official statistics, 60 out of every 100 persons of both sexes have either kidney, bladder or rheumatic diseases, and, according to my practice—for these diseases are my specialty—I should say that the percentage is even greater than sixty. These people should be interested in what I have to say and to offer. They ought to read every word on this page and then act on the suggestions it contains.

If you have any form of uric acid trouble, such as kidney, bladder or rheumatic disease, I can be of great help to you. You may have doctored for years, either with your local doctor or with drug store remedies, or with both, and yet you need me, for the cure of these diseases has been my life work. I have something that will be new to you, something different, a combination of remedies that have proven their worth.

All I ask of any sufferer is that he or she make a trial of my method of treatment. And this trial will cost you nothing. Surely you cannot refuse it on this basis. Whether your case is of recent origin, or even if you are "tired of doctors," even if you think your case is hopeless, I urge you to try just once again. Write me a description of how you suffer, or fill out the coupon, and I will study your case and send you a free treatment. I have done this favor to thousands of people in all parts of the country, and the letters of praise I receive show the good work I am doing.

I am asking you for no money—the free treatment IS free. And wherever else I say free I mean free, for I would not pervert the columns of The National Tribune. I offer to send you or any afflicted reader of this paper a free treatment. All I ask of you is that you use this free treatment as directed—and the directions are very simple. I will "stand or fall" on what this free treatment does in YOUR case.

It is through this free treatment that I am able to introduce my unique method of treating kidney, bladder and rheumatic diseases. Who can complain when no money is asked? I do not even ask more of your time than it takes to fill out the Free Treatment Certificate. If I asked you for money before treating you, as other doctors do, you might have reason to hesitate, especially if you have spent much time and money in trying to find a cure. But I am asking you for no money. Surely that ought to appeal to the most skeptical readers of The National Tribune, and certainly to all the fair-minded.

My proposition is simply this: To you or to any other sufferer from kidney, bladder or rheumatic diseases, I offer to send, direct to the home, a free treatment with directions so that you can cure yourself at home. I ask nothing of you beyond a description of your case in the form of a letter, or the coupon properly filled out. Mail me a letter or the coupon and you will promptly receive the free treatment. I am a specialist in these diseases, and have made them my life study. My international success should prove my financial reliability and professional worth, and any remedies I send you, you can rely upon having been guaranteed to the Government as to their purity. Let me hear from you today.

It would seem that any reader so afflicted would write the doctor at once, since no money is involved and the endorsements he has to offer are from such a high and trustworthy source. Surely it may be recommended that you give his method of treatment a free trial, as you put yourself under no obligations in any way, either now or in the future.

WHICH OF THESE SYMPTOMS HAVE YOU GOT?

You can't afford to ignore any of the symptoms given below. Separately and combined they spell disease. They represent, in one form or another, the worst of Uric Acid diseases—Kidney trouble, Bladder trouble, or Rheumatism. If your sleep is disturbed now but once a night through bladder trouble, check the inflammation at once, today! I am treating hundreds who get up as often as seven and eight times a night. Free Medical Book

There is a natural curiosity on the part of sufferers to know more about their disease. To fill this demand I have written a book called "How Can I Get Well?" In its pages you will find the answer to this question. It is thoroughly illustrated and describes in detail, giving full list of symptoms, all forms of rheumatism and all diseases of the kidney and the bladder. It tells what Uric Acid poison is, how it acts and what it results in. It explains how any person can tell if he has a Uric Acid disease. It describes my method of treating these diseases, gives the ingredients of my remedies and the names of eminent doctors in this country and abroad who endorse them. We believe it is the most valuable book for the layman ever written on these diseases, and many have said they consider it the most valuable book in their library. Your friend and neighbor may be among them, and when you find a familiar name write the party and ask if what the testimonial says about my free treatment is not all true. A lady in Monticello, Ill., wrote over fifty of my patients asking them if my statement that I cured them was true, and was answered favorably. I will send you any number of written endorsements from reliable people.
