Important Notice.

ONTHE FIRST DAY OF OCTOBER, 1878.
I made a mining contract of partnership with Mesers, C. D. Arms, R. A. Wilbur, E. B. Gage, Geo. P. Reed and John P. Arcy, for the developing of the mine. La Ruizena, "and its continuation west. These gentlemen agreed to farmish all the necessary means for said senoract, agreeing inchemore, that every difficulty should be settled by arbitrators.

Upon such fact, and said gentlemen, Arms, without, Gage, Reed and Arcy having failed in familing their promise of farmishing the necessary money, the fact of reaching said contract has been reached, to that effect I smomen the said gentlemen to appear in eight days after this notice, either by themselves or by appointed attorneys, to the village of Altar, in order that they memiate the arbitrator for their part, it being perfectly understood, that by not appearing on or before said term, I will conduct this matter before the judicial authorities of the State, in order to allege my rights.

Good News from Gold Canyon.

Mr. L. D. Chirlson, United States Deputy Mineral Suveyor, returned today from the Canada del Oro, where he has been surveying several claims for patents. From one of them, the Bonanza, owned by Chas Schutz, Dr. Watson and B. Parker, all of this city, he brought in a large piece of ore for assay, which gave the astonishing result of \$3172.87 in silver. The rock he took himself from the four foot shaft just commenced on the vein The owners are tunneling to strike the vein, and the present face of the tun nel 111 feet in has just cut a rich spur of the main ledge, and it is expected that a short distance further will bring the tunnel into the ere body. The croppings on this claim are in places 25 feet high and 40 feet wide, and the vein matter from which the specimen was taken is fully 40 feet thick. The present indications are that this claim will turn out to be fully worthy of its
