A FORTUNE

Inherited by few, is pure blood, free from hereditary taint. Catarrh, consumption, rheumatism, Scrofula, and many other maladies born in the blood, can be effectually eradicated only by the use of powerful alteratives. The standard specific for this purpose—the one best known and approved—is Ayer's Sarsaparilla, the compound, concentrated extract of Honduras sarsaparilla, and other powerful alteratives.

"I consider that I have been

several hundred dollars' expense, by using Ayer's Sarsaparilla, and would strongly urge all who are troubled with lameness or rheumatic pains to give it a trial. I am sure it will do them permanent good, as it has done me."—Mrs. Joseph Wood, West Plainsburg, N. E.

Dr. J. W. Shields, of Smithville, Tenn., says: "I regard Ayer's Sarsaparilla as the best blood medicine on earth, and know of many wonderful cures effected by its use."

"For many years I was laid up with Scrofula, no treatment being of any benefit. At length I was recommended to give Ayer's Sarsaparilla a trial. I did so, and
