## Weak Nerves

Are you ever nervous? Do you lie awake nights, suffer from despondency, and often feel discouraged? It's a terrible life to lead. Don't suffer in this way any more. Get strong and well.

Follow the advice of Mrs. Thomas Pritchard, of Adelaide, South Australia. She sends us her photograph and says:  
"I had a terrible illness which left my nerves all unstrung. I had severe headaches, indigestion, sleeplessness, and my nerves were just as weak as they could be. I then tried Ayer's Sarsaparilla and I began to improve at once. My appetite returned, my digestion improved, and my nerves became strong and steady."

## AYER'S Sarsaparilla

There are many imitations "Sarsaparillas." Be sure you get Ayer's.  
Use Ayer's Pills with the Sarsaparilla. These are purely vegetable pills. They cure constipation, biliousness, sick headache.

## HILO REPUBLICANS MEET.

### Men Appointed for Delegates to Two Conventions.

The Republicans of the Hilo District met last Friday night and placed in nomination candidates for delegates to the Territorial Convention and the District Convention. The Fireman's hall was crowded with enthusiastic Republicans who quickly dispatched the business of the evening. There were no speeches. The meeting was called to order by the President of the club, Thos. C. Ridgway. C. N. Prouty was in his place as secretary. The following were named as candidates for the position of delegates to the Territorial Convention: Philip Peck, R. T. Guard, A. C. McKenney, J. T. Brown, G. F. Affonso.

For the District Convention the following were named: Philip Peck, Geo. H. Williams, James Lewis, Ben H. Brown, C. E. Hapai, Wm. H. Beers, Jose Vierra, M. G. Santos, M. J. Gouvea, W. S. McLean, P. C. Beamer, Otto Rose.

### CORN CORNER OFF.

Price of Great Cereal Drops Fifteen Cents a Bushel.

Chicago, July 15.—The famous John W. Gates corner on July corn came to an abrupt termination today when it became known that shorts to an extent of a good million bushels had effected private settlements with Harris, Gates & Co., and that the deal was at an end so far as the steel magnate was concerned. The July price responded to the settlement by a quick drop of 15 3/4 cents to 65 1/4 cents. Later it recovered a fraction and closed at 65 1/2 cents, substantially the price of the cash article.

Just how many bushels were subject to private settlement will probably never be known, nor is there much chance that the identity of the "big fellows" in the trade, who doubtless contributed liberally to the fortunes of Gates and the friends associated with him in the deal, will never be positively known. Gates is at present in New York, and Scotten, manager of the Gates-Harris house, would admit only the fact of a settlement by the outstanding shorts. Even the fact of a termination of the July deal was left largely to inference. But the trade readily figured that, with the shorts practically all in, nothing in the shape of a corner could exist.

### LINCOLN REPUBLICAN CLUB.

Organization is Renewed With Brilliant Prospects.

The Lincoln Republican Club held a meeting last Monday night at Fireman's hall for the purpose of perfecting its organization and girding its loins for loyal work in the coming campaign. The Club was organized two years ago and proved a reliable force in carrying out the Republican program of that year. The club will be stronger this year than ever. The Portuguese element of the Republican party has been given generous recognition in the party councils and has proved that it merited all that has been extended.

The meeting Monday night elected the following new officers: M. G. Santos, president; Joseph Vierra, vice president; G. F. Affonso, first secretary; Jose de Freitas, second secretary; Joseph Vierra, Aug. G. Serrao, Joaquim Carvalho, committee on finance. Working committees on by-laws and enrollment were appointed. It is estimated that this organization will command a following of about 150 votes. It is expected that further naturalizations will swell the vote to 300 within a short time.

## BEEF SUGAR PROSPECTS.

### Increased Acreage and Bigger Output Than Ever.

Judging from the reports which the different factories have given us from time to time on their acreage, stand of beets, progress of field work and improvements in machinery, we anticipate a considerable increase in the output of beet sugar this year. Not only has the acreage been considerably extended, but new factories have been added to the number of previously existing ones, and many improvements have been made which will force the process of diffusion to yield more of its sugar. We consider the following figures, which are based on the best information obtainable, as a conservative estimate of the coming output of beet sugar. Especial attention is called to the fact that Michigan has now for the first time passed California, while Colorado will almost double its output. We add the figures for 1901 for the sake of comparison:

	1901.	1902.
	Pounds.	Pounds.
California.....	143,947,800	161,000,000
Colorado.....	47,411,000	87,136,000
Michigan.....	106,267,500	183,456,000
Minnesota.....	5,400,000	10,500,000
Nebraska.....	14,912,300	17,000,000
New York.....	9,337,983	9,600,000
Ohio.....	2,492,000	4,500,000
Oregon.....	3,066,000	4,250,000
Utah.....	30,710,000	42,000,000
Washington.....	2,200,000	4,000,000
Wisconsin.....	3,466,550	5,824,000
Total.....	359,211,733	529,296,000

This would be an increase of 160,000,000 pounds in round figures over last year's production, and an increase of almost 357,000,000 pounds over that of the campaign 1900-01. At this rate the beet sugar industry will produce in two more years all the sugar which all the states west of the Mississippi can consume, even if the present rate of increase in consumption is maintained.—Beet Sugar Gazette.

### Papaikou Republicans.

The Third Precinct Club met last Friday evening at Papaikou for the purpose of electing officers for the ensuing year and to nominate delegates to the District and Territorial Conventions. The following are the new officers of the precinct club: W. C. Cook, president; E. Brumaghim, first vice-president; E. J. Weight, second vice-president; D. Butchart, secretary; R. Duncan, treasurer; John T. Moir, E. J. Weight, J. Kanaeholo, judges of election; W. Silver, J. Webster, J. Cameron, Leon Malterre and E. A. Von Arnswaldt, executive committee.

W. C. Cook was nominated for District Committeeman and Territorial Delegate.

### Something Besides Grass Huts.

World's Fair Grounds, St. Louis, July 12.—Members of the Builders Exchange of Honolulu, Hawaii, are planning to combat the common impression among the States that grass huts are the common dwellings of the island territory. They will have an exhibition of Hawaiian architecture at the World's Fair, bringing here the best features from an exhibition to be held in Honolulu at an early date.
