LEGISLATORS MORE LIBERAL.

Show a Disposition to be Fair to Outside Districts.

Honolulu, May 7.—The House particularly has taken a cue from the outside Islands relating to appropriations for Oahu. A tendency to even up is shown in the deliberations and wherever possible the outside districts are being given more liberal treatment.

Speaker Beckley called attention to the fact that the various tax assessors were in the city and that a joint conference between them and the Finance Committee was desired.

Speaker Beckley likewise called attention to the publication of the Act providing for reimbursement of Road Boards, which failed to pass but was certified by an error of the Clerk of the House. The clerk was directed to send to the Governor and Auditor a certified copy of the journal of that day, so that the error might be corrected and the payment of monies stopped.

Kealawa presented resolutions calling for \$3,600 appropriations for school teachers at Kamaili and Keaukaha, Puna, and Puueo-uka, and Papaaloa, Hilo; and \$3,000 for the River boulevard, Hilo, from Wailuku bridge to Reed's Island. Nakaleka asked \$240 for pay of school agent of Molokai and Paele tried to have free newspapers in all languages furnished by the Sergeant-at-Arms, but the House would not agree, the others being referred.

The Senate expense appropriation bill passed second reading and then the unpaid bills appropriation measure was sent to be printed, after which the House went into committee of the whole on the current account bill. Landings and buoys, Kauai, \$500, passed without objection.

The chairman however turned back to the deferred items, taking up the Gamewell police call item, Vida moving to insert the sum \$10,000. There was some little discussion and the item then passed.

PRINTING AND ELECTIONS.

The item of printing and advertising in the Secretary's office was reduced to \$1,000 from \$6,000 as there was a misunderstanding between the Secretary and Auditor.

The item of \$15,000 for elections was cut down to \$12,000 and made to cover as well the traveling expenses between Maui and Molokai and Kauai and Niihau.

The department stables, \$450, item which was passed over was brought up and stricken out of the bill, Chairman Vida bringing out the fact that the department favored consolidation of all stables, and also that one official received an added salary for the keeping of his horse, the sentiment being that the officials should pay their own bills.

WORLD'S FAIR ITEM PASSED.

The World's Fair item was taken up, Chillingworth arguing that there should be a fine exhibit and a typical building, saying it was the duty of the Legislature to provide for the opportunity for advertising. Without question the item passed as in the bill.

On motion of Aylett the item landing and buoys, South Hilo, was reconsidered and inserted in the bill at \$750. Haia moved to insert a new item, repairs to wharf at Hana, Maui, \$5,000, which carried. The committee rose and the House took a recess, after changing the time for the Park visit to Friday at 2 p. m.

FIGHT OVER LIGHTS.

Landing and buoys, general, \$3,750, was the first item after luncheon, and the appropriation was knocked out. Lighthouse expenses, \$750, was attacked on the grounds that the Organic Act provided for government control. Vida said he had been informed that Collector Stackable would take up care of the lights just as soon as the Territory stopped payment. Action was deferred on motion of Harris that such action be followed by a letter to Collector Stackable asking if he will take the lights.

Chairman Harris moved to strike out expenses of steam tug, \$5,000, saying it costs \$33,200 to operate the tug, which does nothing but tow garbage scows. He said there were three companies ready to tow the

garbage for \$250 a month, two trips a day. The item was referred to a committee, the chair naming Harris, Aylett and Pali. For pilot boats \$500 was apportioned. The numbering of houses, \$1,200, brought out a fight, Kumalae saying that the department had promised to complete the work in one year, yet officials were still drawing salary, while if it had been given to a Chinese or Hawaiian the work would have been finished.

Chairman Wright precipitated a small row by saying the question was one of spending all the money on this island, but after he was called down the question was lost, the item being stricken out.

RAILROAD SUBSIDY OUT.

The item for the Oahu railway subsidy, \$9,275, was arbitrarily cut out, the chair refusing to entertain a motion to refer to a committee.

Electric light, Honolulu, \$3,000, was passed as was police fire alarm maintenance, 1,750; electric light, Hilo, \$1,800, and lighting streets other than Honolulu and Hilo, \$500.

WILL INVESTIGATE PARK.

The Honolulu Park Commission item, \$3,600, was deferred, the whole park matter being referred to a committee, Messrs. Lewis, Gandall and Fernandez, the Honolulu members being ignored.

Waiakamilo camp rental, \$450, and running expenses market, \$250, passed; but the laundry item, \$2,750, was discussed at length and carried. For curbing and paving government sidewalks, \$2,000, was asked and passed, but the item \$6,250, for constructing sidewalks under Chapter 23, Section 774, Civil Laws, was stricken out. Fencing and grading government lots, \$2,500, and quarantine diseased animals, \$500, were agreed to, but expenses veterinarians outside Honolulu, \$600, had a struggle, being carried by the Chairman after a tie vote.

Government pounds, \$250, brought up a fight and was knocked out, but care government cemeteries, \$1,000, went through, as did rent kerosene warehouse lands, \$200.

Taking up the out of town matters, \$500 for jail and courthouse repairs, Waiohina; \$1,200 for Lahaina courthouse and grounds; \$600 for jailer's cottage, North Kona; \$500 warehouse, Napoopoo; \$400 jailer's cottage, Kipahulu; \$1,000 jail, Kipahulu, were passed almost without objection, and \$300 for wharf shed at Hoopuloa and \$500 same Hookena were added to the bill.

SEWERS AND WATERWORKS.

Sewerage, Honolulu, brought up \$878.70 for the Kewalo district sewer, which passed; and \$6,500 for running expenses sewer pumping station, which was deferred on the statement that the engineers had been notified that wages must be cut in view of the eight-hour law. For running expenses of garbage service \$7,500 was appropriated, as was \$750 for the sewer system maintenance, but \$1,800 for the expense of the garbage crematory went over until it was determined whether or not the crematory is to be built.

The water works were cared for with general repairs \$3,000, reservoir repairs \$2,000, running expenses \$3,750; but pumping expenses, \$12,500, for the three was laid over. The outside districts got: Hilo water works, \$4,750; Laupahoehoe, \$50; Wailuku and Kahului, \$900; reservoir, Kahului, \$1,800, Lahaina, \$1,000; water pipes, Kula, from Polipoli or other springs, making seven miles of pipe, half to be paid by work in suppressing gambling and convicting the offenders. The item passed as in the bill.

NEW FIGHT ON SALARIES.

Senator Dickey moved to cut the salary of treasurer from \$2,250 to \$1,500 for the half year. He said California officials get but \$3,000 a year, while Hawaiian officials wanted \$4,500. Crabbe reported that there were perquisites for California officers, Achi moved to make it \$2,100.

Baldwin said there was always a cry for economy, but before the ses-
