The meeting at Spreckels Hall to-night at which Governor Carter and others will speak will be the most important public meeting of the week. The public is cordially invited to attend the mass meeting.

Geo. Mumby, manager of the Enterprise Mill, has built up a reputation for tank building that eclipses all his Island competitors. He is just now running night and day on an order from Onomea for two tanks of 37,000 and 47,000 gallons capacity. This 47,000 gallon tank is the biggest one ever made on the Islands and has walls twenty feet in height.

RECEPTION FOR GOVERNOR.

Spreckels' Hall Crowded With a Light-Hearted Throng.

The reception to Governor Carter and Secretary Atkinson at Spreckels' Hall last Monday evening was a notable social event. The people of Hilo were there in a body to meet the new Executive and extend the right hand of welcome.

The reception hall had been decorated with patriotic taste. The walls were covered with flags and the stage was draped with patriotic colors. Tinted incandescent lights illuminated the room and the rich gowns of the ladies and the beauty of the wearers finished the gay scene. Carvalho's orchestra, from the stage, furnished music throughout the evening. Shortly after 8 o'clock Governor Carter and Secretary Atkinson, accompanied by the Reception Committee, arrived at the hall, and were conducted to a station at the head of the hall, where a committee of ladies awaited. The ladies who assisted in the receiving line were Mesdames Kennedy, Mason, Scott, Richardson, Willifong and Hapai. All the people filed past the Governor's stand and were presented. Messrs. E. E. Richards, J. Castle Ridgway and A. C. McKenney made the introductions, and for over an hour the Governor and Secretary Atkinson were busy exchanging compliments with a seemingly endless line of guests.

The formalities of the reception over, the hall and adjoining rooms were filled with changing groups of chatting men and women. At about 10 o'clock the orchestra started the music for the dancers. Dancing continued until midnight, when an interim was taken for refreshments. The committee that had this feature in charge had made ample preparations for a thousand and all were served in excellent style. When napkins were folded the dancing continued until a late hour. Governor Carter and Mr. Atkinson remained to the finish.

A Correction.

N. C. Willifong states to the TRIBUNE that the paragraph printed in the Advertiser and copied in the Herald, referring to the Kepoikai luan, was false in every respect. Mr. and Mrs. Willifong were invited guests and had nothing to do with inviting other guests or arranging for the luan and there was no indication that anyone tried to keep the event in hiding or secret.

HAWAIIAN LUAU.

Governor Carter Feasted by Members of the Aloha Aina.

One of the most pleasant incidents of Governor Carter's visit to Hilo was the luau tendered at the residence of Rev. S. L. Desha, Tuesday evening, under the auspices of the Aloha Aina Society. The feast was served in the large and airy basement beneath the new parsonage, and was given as an especial token of the good will of the Hawaiian citizens toward the new administration, of which Governor Carter is the head. The guests began to arrive before 5 o'clock, and when the order was given to be seated at the tables the company numbered over eighty.

The delicacies served were a tribute to the skill of those who had prepared the feast. When the last pudding had been sacrificed Rev. Desha called on Governor Carter, who responded gracefully to his acknowledgments and his appreciation of the courtesies and hospitality extended him by the Hawaiian citizens. Brief speeches were also made by Secretary Atkinson, J. T. Baker, Philip Peck, Senator Palmer Woods and A. B. Loebenstein. An Hawaiian quartette sang agreeable native songs. The sentiments expressed in speech and song found responsive chords in the hearts of all, as was indicated by the applause and pervading good nature.

After dinner coffee was served to the entire company on the lanais and in the parlors, the company not breaking up until the hour arrived when Governor Carter was due at the band concert given by the Hilo band in his honor.

At this concert Governor Carter was given a surprise in the way of a splendid musical program, rendered by a musical organization maintained by local spirit and local contributions. In an informal talk with the band boys Governor Carter said that such a musical organization was as much entitled to legislative recognition as the band at Honolulu.

Better Mail Service.

Through the efforts of Mr. Geo. W. Carr, Asst. Supt. Railway Mail Service, Honolulu, Hawaii, Hilo is to have a direct steamer from Honolulu every three weeks upon the arrival of the S. S. Alameda from San Francisco.

The S. S. Maui or substitute will leave Honolulu at 5 p. m. Friday Feb. 5 with mail, passengers and freight on a scheduled run similar to the S. S. Kinau, stopping at the following way ports, Lahaina, Saturday 2:30 a. m.; Maalaea Bay at 4 a. m.; Kawaihae at 2 p. m.; Mahukona at 4 p. m.; Laupahoehoe at daylight Sunday morning, arriving at Hilo Sunday a. m.

Registered mail which heretofore has only been received and dispatched per S. S. Kinau will also be received per S. S. Maui, and permission has also been granted to send registered mail to Honolulu on the return of same steamer.

Mr. Carr is the Asst. Supt. originally sent to the Islands by the Department at Washington when the United States took over the postal affairs, and it was through his efforts that the present fine mail system was established, and now girdles all the islands.

Brown's Mission.

High Sheriff A. M. Brown came up by the Kinau on official business. One of the matters attended to by him was the completion of arrangements for the installation of the Gamewell system in Hilo. Mr. Brown made a proposition to the Hilo Telephone Company which was accepted, giving the department the use of telephone poles for the system. Work of installation will be commenced at once.

The High Sheriff also took part in the discussions of the merits of the different candidates for the office of Deputy Sheriff.

New Major.

The Salvationists of Hilo wish to announce that their new Divisional Officer, Major John Millsaps, will be visiting this city next week and will hold various meetings, which will be announced later.

Major Millsaps is not an entire stranger in Hilo, having visited here eight years ago in the interest of the Salvation Army. The public is invited to attend these meetings, which the Salvationists think will be the best ever held in Hilo.

First Work.

Governor Carter has instructed the Superintendent of Public Works to push the building of the section of road between Ooakala and Kukaian. This is the most pressing piece of public business the officials have found on their trip and it will be expedited. Some right of way question must be settled first and when this is done the work on the road will begin.

Special for Elks.

Owing to the presence in the city of District Deputy Grand Exalted Ruler C. B. Cooper, the regular meeting of the Benevolent and Protective Order of Elks will be held at the hall tomorrow evening. A special dispensation granting this permission has been issued and all Elks in the city are expected to be present. A large number of visiting Elks will be present.
