KNOW HOW TO VOTE.

Acting Governor Atkinson very properly resents the imputation cast on the Territory's voting population by Professor Bernard Moses of Stanford University...

One of the surprises which every traveler meets in these islands is the high standard of intelligence of the Hawaiians, as compared with other races which have enjoyed the blessings of civilization so short a time.

HILO need not expect to receive the Republican Territorial Convention or any other assemblage requiring the accommodation of a considerable number of guests until there is a hotel to receive visitors.

THE high moral tone of Hilo must be maintained at any cost, even though the Sheriff and his force are compelled to work overtime. When reproductions of works of art are condemned because they appear in the nude or are sold cheaply...

THE republican party is committed to county government, and the passage of resolutions in the various precinct clubs last Friday night is the reflection of the sentiments of the rank and file of the party.

It is not necessary for the Herald to proclaim from the house tops its unswerving support of county government, although there may be a suspicion in some men's minds of insincerity on the part of its editor.

Typhoid Fever.

John McGillivray, team overseer for over six years at the Hakalau Plantation, died Wednesday morning at the Hilo hospital of typhoid fever.

WIRELESS CHESS.

Rival Teams Maneuver for Position in Match Games.

Great interest is being shown both in Honolulu and Hilo over the two games of chess now being played by wireless between the two clubs. A move each way is daily transmitted by the Wireless Telegraph Company...

The Chess Club was entertained by Dr. and Mrs. Henry Hayes last Saturday evening. Thus far Sheriff Andrews is ahead in the club tournament...

Table with columns: Games Played, Won, Per Cent. Lists scores for Sheriff Andrews, Dr. Elliot, Mr. Hitchcock, Mr. Smith, Mr. Castendyk, Mr. Marsh, Mr. Gere.

The following shows the moves thus far made by wireless:

GAME A.

Receive Endorsement.

At a special meeting of the executive committee of the Republican District Committee, held last week in the directors room of the Bank, district magistrates Hapai, Kamau and Hall were recommended for reappointment...

What Will Happen.

The Young Men's Republican Club are leaving no stone unturned to secure the rights of citizen labor on the Okala-Kukaiua road contract. From last reports Fukui, the Japanese in charge of the work, had employed fifty Japanese...

Democrats Organize.

Organization of the democrats of the First District was perfected last week, when delegates from each of the precincts appeared in person or were represented by proxy at a meeting held in Firemen's Hall, Wednesday evening.
