(By Wireless to THE TRIBUNE.)

Britt-Nelson Fight.

San Francisco, Cal., Sept. 5.—James J. Jeffris has consented to umpire the Britt-Nelson fight, his fee to be \$1,000.
[Jeffries first demanded \$2,000 to referee the Britt-Nelson fight and there was a hitch in the match.]

Britt and Battling Nelson are scheduled to fight on the afternoon of Admission Day at Colma. The contest is to be a finish and will settle the lightweight championship. Jeffris was chosen as a referee.]

San Francisco, September 6.—Battling Nelson's manager has declared his protege will not fight Britt unless Jeffris is withdrawn as referee, intimating the probability of collusion with Britt. The club refuses to accede and there is a deadlock in the arrangements for the battle.

San Francisco, Sept. 7.—Experts on the pugilistic situation agree that the Britt-Nelson fight will occur Saturday with Champion Jeffris as referee. The betting is 10 to 7 in favor of Britt.

San Francisco, Cal., Sept. 8.—Champion Jeffris will referee the Britt-Nelson fight. The sale of the 60,000 admission tickets began at 12 o'clock.

Peace Starts Riots in Japan.

Tokio, September 6.—Rioting took place here Tuesday night over the result of the peace negotiations, in which two were killed and 500 wounded and several police stations destroyed.

Radical newspapers attack the settlement and general dissatisfaction is expressed. The conservatives are defending the government, while the upper and middle classes are silent. The government has made no statement.

Tokio, September 8.—The city is quiet today. At Kobe the statue of Marquis Ito was torn down and dragged through the streets by the mob. A special session of the Diet is expected.

Negro Burned at Stake.

Fort Worth, Tex., September 7.—A negro, accused of assault upon a white woman, was burned at the stake last night.

Peace Envoys Finish Labors.

Portsmouth, N. H., Sept. 5.—The treaty of peace between Russia and Japan was signed today. The draft does not differ from the previous announcements. There was little ceremony on the occasion of the signing, but general rejoicing followed the event.

Portsmouth, Sept. 5.—The Russian envoys today attended solemn thanksgiving services for the conclusion of peace. All the envoys are preparing to part.

New York, Sept. 6.—Both the Japanese and Russian peace envoys were demonstratively received on arrival here.

Burglar Runs Into a Safe.

The store of Moses & Raymond in the Baldwin Block was burglarized on Friday night, the thief unexpectedly running into a safe which Mr. Moses had purchased and set up in his place of business on that day. Heretofore not having realized the need of a safe, Mr. Moses had been in the habit of keeping over night in his desk considerable cash. On Friday he purchased a new safe which was installed during the day and in which he deposited his funds. The burglar, who was a bare-footed gentleman, affected an entrance through the front door by means of a duplicate key. His foot prints were traced from the front door to the safe, where not expecting such a thing, he retraced his steps without disturbing any of the merchandise, or the newly acquired strong box.

The County of Hawaii is to have a county band. This is practically the effect of the appropriation made on Friday by the Board of Supervisors giving to the Hilo Band \$100 per month for their support and maintenance. There was only one dissenting vote among the members of the Board of Supervisors, and that was from Supervisor Shipman of Kau, who believed that the burden of supporting the Band should be paid by the citizens and residents of Hilo, and not by the county.

Supervisor Shipman from the Finance Committee returned back to the Board, without recommendation, the petition of 200 signers asking for government assistance for the Hilo Band. The Supervisors proceeded to consider the proposed appropriation for \$100 per month, as in Committee of the Whole with Supervisor Shipman in the chair.

Supervisor Fernandez proved a warm supporter for the Band item, and spoke in part as follows: "I was elected by the people of Hamakua as a member of this Board and as such I am heartily in favor of the appropriation for the Band. This musical organization is one of the delights of the people after their day's labor and on Sunday afternoons. It is one of the best advertisements of Hawaii that we can have and will impress tourists with the feeling that we are not indifferent to their welfare and pleasure while in our midst. We need the band to enliven our souls as much as we need good streets and beautiful parks to please the eye. They will return to their homes on the mainland with good report of our enterprising spirit and patriotism, which will do much to attract visitors and settlers in our midst.

"It cannot be claimed that the Hilo Band belongs exclusively to Hilo, but if we lend our assistance to its support, it will belong to the entire County of Hawaii. The residents of my districts, the residents of Kau and the residents of Kohala and the two Konas will have as much right to demand the Band to come to those districts, as the people of Hilo. It will be a County Band subject to the pleasure of the people of the County, and I shall hope to see and hear this band in my own district as well as other parts of the County. Not long since, the band made a visit to Hamakua and gave a concert at the grounds of a church, which attracted the people from miles around. There were eight or nine hundred people in attendance, whereas usually only a few hundred people are present. If we do not pass this item for the band, I will be ashamed to say that the County cannot support a County band.

Supervisor Desha opened his remarks with the quotation that "music is the language of the soul," and that the Bible said "a good name was better than great riches." He believed the support of the band would not be a heavy burden and was a sign of the desire of Supervisors to please the people. The petition was signed by the rich and poor alike. The wealthy enjoyed hearing good music, and the hard working man after his day's labor, found a restful hour in the sweet strains of the Hilo Band. He hoped the item would pass.

Shipman did not see the necessity of a County Band, and representing the district of Kau, which was far remote and whose residents never had an opportunity to hear the band and probably never would, he could not conscientiously vote for it. Kalaiwaa spoke in the same strain, but was finally won over. Makuakane was in favor of the appropriation, and on motion of Mr. Desha, the Board appropriated the sum of \$100 per month for the support and maintenance of the Hilo Band. Thus do Prof. Carvalho's band boys become County Band musicians.

Wider Publication of Ordinances Wanted.

Ever since the resolution was railroaded through the Board of Supervisors making a single Hilo paper the exclusive medium for the publication of Ordinances, there has been a continual complaint that the reading public do not see the published Ordinances. The protests have come in so fast from constituents of the various members of the Board, that on Saturday just before adjournment Supervisor Makuakane presented a resolution intended to remedy the predicament in which the Board had found itself by the passage of the former resolution. Supervisor Makuakane's resolution provides for the publication of all Ordinances, advertisements and other official notices in both the Hawaii Herald and the HILO TRIBUNE, and is as follows:

Whereas, It is important that the public should be informed of all official actions of the Board of Supervisors and that the Ordinances and official notices passed by the Board shall have as wide publication throughout the County of Hawaii, as possible, and

Whereas, The Hawaii Herald and the HILO TRIBUNE are two newspapers published at the county seat of Hilo, having the widest circulation throughout the County of Hawaii,

Be it Resolved, By the Board of Supervisors of the County of Hawaii that all Ordinances, advertisements or other official notices published by the Board of Supervisors of the County of Hawaii be printed in the English and Hawaiian languages in the Hawaii Herald and the HILO TRIBUNE; hereby expressly repealing all orders or resolutions inconsistent herewith.

In giving his reason for the introduction of the resolution, Supervisor Makuakane said: "My reason for introducing this resolution is that the people of my district ask me why the Board of Supervisors selected only one paper for the publication of Ordinances and why they picked out the Herald. The paper has no circulation in my district and nearly all of my constituents subscribe for the TRIBUNE. They take the TRIBUNE in my district and want to get the official Ordinances passed by the Board. That is the reason why I bring in this resolution. If we pass this resolution, we will then divide the printing between the two papers, thus treating them alike. I think this is fair to both newspapers."

Supervisor Desha immediately moved to lay the resolution on the table, for the reason that he had introduced a resolution last month giving all the work to the other paper, and he did not believe in changing about so often. There was considerable discussion among the members, and it was generally agreed that in permitting the present state of affairs to exist it was manifestly unfair to the majority of the voters of the County, and the Board were unanimous in their expressions of a desire to divide the county patronage between the two papers.

Shipman raised the point that the Makuakane resolution was not definite as to the number of publications by each paper, and at his request, Desha withdrew his motion to lay on the table, so that the whole matter might be referred to the Finance Committee for investigation and report. This was done with instructions to devise a more equitable scheme for the publication of official advertisements by the County, in order that they may have as wide circulation as possible.

St. Petersburg, September 6.—Gloomy advices have been received from Baku concerning the Armenian-Tartar outbreak. The warring factions are uncontrollable. Fires are ruining the tremendous oil industry. Troops are using artillery in the suburban sections and street fighting continues.

Baku, September 7.—The situation here is growing worse. The Tartars are demanding money in return for which they promise to cease pillaging. Troops are arriving in strong numbers and expect soon to control the situation.

Baku, Sept. 8.—Fierce fighting continues. The consulates, banks and Government buildings are guarded by troops. Balakhan has been completely burned and although shot down in masses by the artillery the Tartars have not been deterred from the work of wreckage.
