REMAINDER OF BLOCK FOR FEDERAL PURPOSES

Washington, April 4.—In congress today, Mr. Lacey, from the committee on Public Lands, submitted the following:

The committee on Public Lands, to whom was referred the bill (H. R. 10,106) providing for the setting aside for governmental purposes of certain ground in Hilo, Hawaii, submit the following report:

The Department of the Interior has referred this bill to the governor of Hawaii, who recommends its passage after amending the bill by excepting a part of the tract heretofore conveyed.

[Correspondence between Secretary Hitchcock and Hon. J. H. Lacey, chairman of the committee on public lands, House of Representatives, follows, relative to the setting aside for governmental purposes a certain block of ground in Hilo, the secretary stating that the matter had been referred to the governor of the Territory.]

Executive Chamber, Honolulu, Hawaii, March 2, 1906.

Sir: In reply to your memorandum of January 31, covering a letter addressed to yourself by Hon. John F. Lacey, chairman of the committee on Public Lands, House of Representatives, and asking for immediate report relating to H. R. 10,106, "A bill providing for the setting aside for governmental purposes of certain ground in Hilo, Hawaii," I have the honor to report that a portion of block C, 75 by 100 feet, situated at the corner of Waiannuene street and Bridge street, has just been deeded to the Hilo Masonic Association in exchange for a site for the Hilo High School. This action was suggested, recommended and approved at a mass meeting of citizens at Hilo, held in December, 1905, to meet Superintendent Babbitt of the Department of Public Instruction, for the purpose of discussing the location for a site for the said high school.

The remainder of block C is still available for a Federal building site, and, in my opinion, should be declared a government reservation for such purpose.

I have the honor to be, sir, your obedient servant,
A. L. C. ATKINSON,
Acting Governor of Hawaii.

HON. E. A. HITCHCOCK,
Secretary of the Interior, Washington, D. C.

Your committee, basing their action upon the foregoing communication, recommend the following amendment:

"Excepting therefrom so much of said tract as has been deeded to the Hilo Masonic Association of the Territory of Hawaii."

As amended the committee recommend that the bill do pass.

A Successful Show.

The Board of Trade entertainment at Spreckels' hall Saturday night was well patronized and was a success both financially and as a performance, and the indebtedness on Moobeau ball will be reduced by about \$150 from the proceeds. Much credit is due Dr. Hayes who proposed and carried through the plan, and to all who took part in the interesting program. This consisted of singing by W. H. Hiserman; song, "April Rain," Miss Kuulei Hapai, who responded to an encore; monologue, "Sis Hopkins," Mrs. H. B. Eliot; pantomime song, "The Last Rose of Summer," by Edna Curtis, Mildred Luscombe, Eliza Desha, Annie Chalmers, Amy Williams, Alice Mumby, Sinclair Battey, Gloria Miguel, Victoria Horner; Ethiopian sketch by Messrs. J. D. Easton and J. U. Smith; a one act comedy, "The First Time," by Mr. N. G. Campion, Miss Grace Rutherford, Mrs. H. B. Eliot, Mrs. A. G. Curtis, Mr. D. E. Metzger; Florodora Sextette, Misses Kuulei Hapai, Hannah Akamu, Emma Akamu, Kalei Ewaliko, Josephine Kaihenui and Mercy Akau, and Messrs. W. H. Beers, Adam Baker, M. Victor, Henry Rose, C. B. Lyman and Jeremiah Malou.

The committee of arrangements were J. Castle Ridgeway, D. E. Metzger, R. A. Lyman, Jr., N. G. Campion, G. F. Alfonso and J. U. Smith.

An enjoyable dance concluded the entertainment.

Hotly Contested Case.

The trial of Tom Fay Kim, arrested for the crime of removing without legal authority the body of Lee Wa Foo from one part of the Chinese cemetery to another part, has been on trial in Judge Hapai's court during the entire week and not a little legal ability has been exercised in the case, Mr. LeBlond's eloquence being wafted on the breeze to surrounding blocks. Mr. LeBlond is defending the case and Deputy Sheriff Fetter, assisted by Attorney Carl Smith are prosecuting. The defense maintains that the body was interred contrary to the rules of the cemetery association and at the peril of the friends making the interment. Caretaker Sat Sui was arrested on Thursday on the same charge, and on Saturday Lau On and Yong Kat were arrested on the charge of subornation of perjury. The latter three cases came up for hearing before Judge Hapai on Monday. The two tongs, composed of Chinese from hostile states, are involved and China-town is thoroughly aroused over the case. Wong How, understood to have been sent by the Chinese consul at Honolulu to adjust the case, if possible, arrived on Wednesday's Kinau, but evidently did not succeed in his mission.

Activity in Road Department.

The cut made on Pitman street for the double purpose of obtaining material for filling on Volcano street, and of evening the grade at the point from which removed, in its present condition is causing inconvenience. As this is a much-traveled thoroughfare and in its present condition is impassable, the road department will lose no time in finishing the work so well begun of macadamizing the street. The road department is making a good account of itself, under Supervisor Lyman. A tramway on which cars are operated by gravity for transporting rock from the quarry to the crusher, has been constructed, and numerous devices are employed here for the saving of time and labor, which are money to the taxpayer. The energy exerted and good management displayed in the road work is commendable.

Reprieve For Koreans.

Honolulu, April 27.—The five Koreans sentenced to be hanged on May 2nd for the murder of a sixth on Hawaii last December, have been reprieved for three weeks. The action was the result of a petition circulated yesterday by W. A. Kinney and Lorrin A. Andrews, and asking that a reprieve be granted long enough to permit of a hearing on behalf of the condemned men, and a sifting of all the evidence in the case to ascertain whether there might not at least be differences in the degrees of guilt.

Mails Diverted Via Vancouver.

Honolulu, April 28.—From a cablegram received this morning by Davis & Co. it appears that the British mails which would have been dispatched April 19 by the S. S. Scnomia from San Francisco were sent north to Vancouver and were there transferred to the Moana.

Four Million Loss at Stanford.

Carl S. Smith received at 5 p. m. Monday the following cable from San Francisco:

"Stanford University loss \$4,000,000. The following buildings demolished: Memorial Chapel, Gymnasium, Museum, and other buildings."

Loss of Life and Property.

San Francisco, April 25.—The Coroner estimates the dead as at least one thousand. There are believed to be many bodies in the ruins of big buildings. It is estimated that 300 were buried in this way. The insurance companies' latest estimates place the loss at three hundred millions. Half of the loss is covered by insurance, according to the estimates.

Federal Supervision of Relief.

Oakland, Cal., April 26.—The Federal authorities have taken charge of the relief work, but the municipal authorities are permitted to cooperate with them.

Later Earthquake Shock.

San Francisco, April 26.—The steamer Alameda arrived yesterday from Honolulu.

An earthquake yesterday afternoon broke the water pipes and killed one woman. She was struck by a falling chimney which had been weakened by the previous shock.

A representative of the National Bank of New York has arrived here and promises every assistance to the banking institutions of San Francisco to aid in rebuilding the city.

All finances are placed in the hands of regular organized committees which keep regular books and report to the auditing committee and to the War Department.

The Fire Insurance Companies.

New York, April 26.—It is believed that foreign insurance companies will meet their various obligations caused by the recent San Francisco holocaust. Several American insurance concerns are heavily involved and may possibly withdraw after paying up the various claims.

Order Out of Chaos.

Oakland, April 26.—The removal of debris from San Francisco is proceeding rapidly.

That city is partially lighted tonight.

The Spreckels building is safe and will be restored.

The Call printing presses have been saved.

The sugar factory was not burned.

The new addition to the Chronical building was not seriously damaged.

A temporary trolley line is being operated on Market street.

It is proposed to build extensive docks in Oakland.

The repairs to Stanford University are delayed.

The new Chinatown will probably be located near the Presidio or Hunters' Point.

Secretary Metcalf is here co-operating with General Greely and the local authorities.

Temporary Wholesale Houses.

Oakland, California, April 27.—The wholesalers of San Francisco are arranging for the erection of temporary structures in the down town business district, and eight thousand carloads of goods are now en route to the city.

The free distribution of food is over, and applicants are being turned away.

In the Presidio Hospitals, the number of patients is decreasing.

Several street car lines have asked permission to resume operations tomorrow.

The Union and Risdon Iron Works are to be re-opened at once.

The Southern Pacific, Santa Fe and Ocean Shore railroads have been given permission to lay their tracks into the burned district to aid in the removal of debris.

San Francisco, April 27.—General Greely has announced that he will recognize no other authority in San Francisco than that of Mayor Schmitz. This announcement is directed at Governor Pardee.

Preparing to Rebuild.

San Francisco, April 27.—Surveyors have begun work, delimiting streets and property lines, and Architect Burnham has been summoned to aid in the rebuilding of the city. Governor Pardee continues his proclamations of daily legal holidays, postponing the payment of obligations. Relief subscriptions now total four and one-half million dollars.

Seven Square Miles Destroyed.

San Francisco, April 27.—The City Engineer estimates that seven square miles of the city have been destroyed. Health conditions in San Francisco have been greatly improved by reason of the strict enforcement of sanitary regulations.

San Francisco Relief.

Acting Governor Atkinson, as chairman of the Honolulu relief committee, appointed Messrs. Carl S. Smith, C. C. Kennedy, S. L. Desha, J. T. Moir, and Judge Parsons, of Hilo, members of the committee. Notification was received by Wednesday's mail and within a few hours of receipt, Mr. Smith had near \$750 subscribed. By common consent of the committeemen, all subscriptions will be turned in to Mr. Smith.

Application For Hilo Property.

Honolulu, April 26.—Hilo Masonic Hall Association, Limited, has applied to the Court of Land Registration for land fronting 205.6 feet on Waiannuene street, Hilo, and containing 64,410 square feet, or 1.48 acres. It is assessed for taxation at \$4700. John T. Moir is president and H. V. Patton treasurer of the corporation, and its attorney in this matter is Henry E. Cooper.
