

# A GREAT SAVING IN STORE FOR READERS OF THE "CITIZEN."

This paper has identified itself with the Newspaper Purchasing Syndicate, which furnishes premiums bought in large lots at manufacturers' prices.

We don't attempt to impose upon your good judgement by endeavoring to make it appear that we furnish a newspaper for nothing, but we do furnish it at the actual cost of the blank paper by the roll, the cost of printing and delivery being charged up to general expense account.

An increase of several thousand subscribers means to us a larger advertising patronage and better rates.

It is a physical impossibility to publish a list of all the premiums we offer, as a complete list would contain over 3,500 articles, useful as well as ornamental.

Order the premium you want at the price named, WHICH INCLUDES, IN EVERY INSTANCE, A YEAR'S SUBSCRIPTION TO THIS PAPER. You are not asked to pay one cent until the premium you select is delivered to you, and you have had a chance to examine it and find it perfectly satisfactory.

Premiums will be delivered in the city by our own Special Delivery, which permits of a thorough examination. Don't lose sight of the fact when estimating your savings on these premiums that the prices named below include all freight and mail charges on articles delivered to your door. This means an actual saving to you of from 35 to 100 per cent.

Geo. N. Holland, dealer in Hardware and House Furnishing Goods, of 15th and H Streets N. E., has been appointed Distributing Agent for this territory, and has catalogues on exhibition illustrating full list and will book your order for the paper and premiums.

If you are already a subscriber you can have your subscription extended for a year or have the paper sent to a friend.

In writing always address Geo. N. Holland, Premium Distributing Agent, 1500 H Street N. E.
