FOOD FOR REFLECTION.

A Few Thoughts in Relation to
Northeast Washington.

SOME TERSELY TOLD TRUTHS

By One of the Foremost Leaders
of Thought in That Section
That Will Amply Justify a Care-
ful Perusal.

TO SUBURBAN PEOPLE:--

The object of the following lines is
to attract the attention of the subur-
ban people to the many superior ad-
vantages offered by the northeast sec-
tion of Washington as a place of
residence.

If you live in the suburbs and con-
template making a change, come to
northeast section of Washington and
look around.

It is a section that will bear the
closest scrutiny.

It is a section that offers the great-
est possible inducements to men of
moderate means.

It is a section dotted with homes,
peopled by orderly, law-abiding and
thrifty people.

It offers to the tenant low rent and
a comfortable home.

It offers to the purchaser numerous
well-built houses at very low cost.

Among the thousand and more ad-
vantages offered by every well ordered
city, you will find in Northeast Wash-
ington--

The very finest schools.

Ample police protection.

Excellent fire protection.

Rapid transit to all parts of the Dis-
trict of Columbia for one fare.

Well paved streets.

Well lighted streets.

Good sidewalks.

A complete and perfect sewerage
system.

Churches of all denominations.

A good market.

A temple where many different
lodges meet.

Societies of all kinds.

Theatres within easy access.

In short, everything that makes for
the comfort, peace and well being
of mankind.

In the matter of healthfulness North-
east Washington is the banner section
of the District.

If you have been unfortunate enough
to buy a home situated in some of the
outlying sections of the city, and are
convinced that you are over-paying
for your property, and are not getting
the full benefit of the good things of
this life--

Do you suffer from--

Poor police protection?

Poor fire protection?

Poor social surroundings?

Poor church advantages?

Poor municipal government?

If so, your symptoms indicate that
a change would be desirable. Relief
from all the above troubles may be
had in Northeast Washington.

Respectfully,

LOHNG CHAPPEL,
822 H St. N. E.

Note--We have known Mr. Chappel for
a number of years and it is no disparag-
ment to other men of ability in North-
east Washington, neither is it any re-
flection on them to say that he stands
out conspicuously as the one man
whose opinion is most frequently
sought and most highly valued.

He came to the Northeast section of
Washington in 1872 with \$17,000,
which he invested there and he has
resided in the same locality contin-
uously ever since.

His faith in the section and its fu-
ture was strong in 1872, and it has
continued uninterruptedly ever since,
being to-day stronger than ever.

He has built more than one hundred
and twenty-five and possibly as many
as one hundred and fifty houses in
the Northeast section, and they have
all been well built, substantial struc-
tures that have found ready sale.

He is one of the largest if not the
largest holder of real property in his
section, and a man whose word no one
disputes.

He is a member of the Board of
Trade and an active member of the
Northeast Washington Citizens' Asso-
ciation, besides being connected with
other organizations that make for
progress.

His success has not warped his
judgment, so that parties seeking his
advice can rely absolutely on what he
says. Suburban people who for any
cause desire to make a change will
find in the reflections over Mr.
Chappel's signature much food for
thought and we commend them to our
readers.--[Editor Suburban Citizen.]

Kansas Women in Evidence.

Kansas women continue to keep in
evidence. One of them ran a state
convention the other day and com-
pelled the nomination of her candidate
for the supreme bench. Another, the
wife of the mayor and banker in her
town, runs the best hotel in the state,
so it is called. It is a cottage but lit-
tle larger than the ordinary. It is
beautifully furnished and she superin-
tends the cooking and the serving. The
tale is said by travelers to excel any-
thing of the kind in the west, and she
is getting rich on her own account.
Her husband has nothing to do with
the affair. He dines there like any
other man.

HOME, SWEET HOME.

WHAT can make Home, especially a Suburban Home
more beautiful than by surrounding it with some of
nature's most beautiful plants, shrubs, evergreens,
vines, &c.

Even a vacant lot will become more attractive, will improve
in value, and find a more ready sale if planted with a few of
the above mentioned stock.

During the dreary winter days a few well kept plants
will make "Home" still more sweet and then they are much
cheaper than short-lived cut flowers.

Studer, the well known Horticulturist, situated on Har-
rison Street, Anacostia, D. C., always keeps a large supply of reliable and healthy stock of
the above and will gladly furnish same at very reasonable prices. Call on him or at his
stands, 421 and 422 Centre Market, or write for particulars. A few items from his stock are
mentioned below.

tion should be made here of his new Giant Fern "Washingtoniensis" which will grow in any

50c., Begonias, Geraniums and other blooming house plants, also the popular Umbrella
Palm, smaller Ferns, &c., from 10c. to 15c. up.

Any variety of above plants will be rented for church or house decorations, for weddings,
parties, &c. Cut flowers for funerals and all other purposes furnished at very reasonable
prices.
