ened. Thereupon the road was  
carefully guarded and inspected  
throughout, and arrangements  
made to send a private engine in  
advance of every train.

The boy and his parents were  
arrested and held as witnesses.

One theory of the plot is that it  
was hatched by the anti-Austrian  
preaching of a local priest of the  
village in Transylvania in which  
the boy and his parents reside,  
where most of the inhabitants are  
Roumanians and oppressed by the  
Magyars.

Another theory is that it is the result  
of the recent agitation of the young  
Czechs, who have worked up an  
anti-German feeling and spread  
revolutionary ideas.

The police are keeping the de-  
tails secret. The full facts will  
probably never be known.

**VALKYRIE SIGHTED.**

NEW YORK, Sept. 18.—The  
British racing cutter Valkyrie  
may be in port to-morrow even-  
ing, but it is hardly probable  
that she will sail through the  
narrows until Wednesday morn-  
ing. She was sighted on Satur-  
day last by the British steamer  
Spain, which arrived at quaran-  
tine at 4:30 o'clock this afternoon  
and went to her dock at the  
National line wharf in the North  
river half an hour later.

Although no signals were ex-  
changed between the big steamer  
and the yacht, it is presumed  
that all are well on board the  
smaller craft. At the time the  
yacht was sighted the wind was  
blowing freshly from the south-  
southeast.

"If I had known that the  
Valkyrie had not been reported  
since she left the other side,"  
said Captain W. A. Griffiths of  
the Spain to-night, "I would  
certainly have borne down on her  
and gone alongside. But of  
course I had no idea that there  
was any uneasiness about her,  
and so I kept on my course. I  
hardly think the Valkyrie will  
get in until Wednesday morn-  
ing, but she might make it to-  
morrow evening."

**SYMPATHY FOR BISMARCK.**

BERLIN, September 20.—Em-  
peror William sent a telegram  
from Guens to Prince Bismarck  
expressing sympathy with him in  
his illness and offering him the  
use of the imperial castle, which  
he thought might prove beneficial,  
in view of the trying climate at  
Friedrichruhe, the Prince's place  
of residence.

Prince Bismarck replied in a  
long telegram, in which he cor-  
dially thanked his majesty for  
his sympathy and use of the  
castle, but said he was obliged  
to decline the Emperor's kind  
offer, as his physician, Dr.  
Schweninger, was opposed to his  
making the change.

**FAST TIME BY A WAR SHIP.**

VICTORIA (B. C.), Sept. 19.—  
The British war ship Melpomene,  
just returned from South America,  
reports having steamed from Cal-  
lao to Victoria, over 5,000 miles,  
in twenty-two days, without stop-  
ping to coal. Naval officers pro-  
nounce this performance seldom  
paralleled and never surpassed  
in naval history.
