A MAN is born a dandy as he is born a poet. There are heads that can't wear hats; there are necks that can't fit cravats; there are jaws that can't fill out collars. A QUERY SOLVD.

In the Civil Court yesterday, the case of J. Brown vs. H. J. Hart was heard. It was an action of trespass, damages being laid at \$200. Mr. Preston for plaintiff. The plaintiff made an agreement with the defendant for a house and board for self and wife at the Saratoga restaurant. They were there three months. One day on returning to the house he found it stripped of everything. He produced a list of the things. When he spoke to Hart about the things he was told to clear out and get away.

For the defense, a young man named Steinart was called and stated he was the proprietor of the "Saratoga House," and Ellis Hart was the manager when Brown hired the house. He told the latter to get out several times, but as he did not he got legal advice to the effect that he was to take the things out and hold them for rent. He stated he became proprietor of the Saratoga September 15th, 1884, and H. J. Hart manager about the middle of December, 1884. The latter makes all the arrangements, he does not get a salary, he gets a percentage. Hart is not a partner. Steinart further said he takes all the responsibility in the transaction.

H. J. Hart, sworn, stated, he was manager of the business, and did not have charge of the furniture. He made the bargain with Brown. Mr. Preston said he would discontinue the case, he had found out who was the responsible party at the Saratoga House, and should proceed further in the Supreme Court.

POLICE COURT.

FRIDAY MORNING. Ah Sing, for furious riding, was remanded until the 11th. Ah Quan and Ah Hana, charged with assault and battery on Ah Yin, were remanded until the 11th. Lee Wing was charged with vagrancy. Being an old offender, he was sent to prison for thirty days. N. F. Burgess was charged with cruelty to animals. Messrs. E. R. Hendry, W. O. Atwater and Jas. A. Kennedy each testified that they saw defendant beating his horse in a cruel manner with a large stick. He kept it up for over fifteen minutes. His Honor found him guilty and fined him \$10 and \$3.40 costs. Frank Metcalf was charged with embezzlement of \$4.50 from Yin Chin Kee, about Jan. 1st, 1885. Mr. L. A. Thurston appeared for prosecution. It appears that the prosecutor gave Metcalf the money to sue a native woman for debt, but Metcalf kept the money and did nothing in the case. He was found guilty and fined \$50 and \$3.30 costs.

AN ALARMING DISEASE AFFLICTING A NUMEROUS CLASS.

The disease commences with a slight derangement of the stomach, but if neglected, it in time involves the whole frame, embracing the kidneys, liver, pancreas, and, in fact, the entire glandular system, and the afflicted drags out a miserable existence until death gives relief from suffering. The disease is often mistaken for other complaints; but if the reader will ask himself the following questions, he will be able to determine whether he himself is one of the afflicted:—Have I distress, pain, or difficulty in breathing after eating? Is there a dull, heavy feeling attended by drowsiness? Have the eyes a yellow tinge? Does a thick, sticky, mucous gather about the gums and teeth in the morning, accompanied by a disagreeable taste? Is the tongue coated? Is there pain in the side and back? Is there a fullness about the right side as if the liver were enlarging? Is there costiveness? Is there vertigo or dizziness when rising suddenly from a horizontal position? Are the secretions from the kidneys scanty and highly coloured, with a deposit after standing? Does food ferment, soon after eating, accompanied by flatulence or a belching of gas from the stomach? Is there frequent palpitation of the heart? These various symptoms may not be present at one time, but they torment the sufferer in turn as the dreadful disease progresses. If the case be one of long standing, there will be a dry, hacking cough, attended after a time by expectoration. In very advanced stages the skin assumes a dirty brownish appearance, and the hands and feet are covered by a cold, sticky perspiration. As the liver and kidneys become more and more diseased, rheumatic pains appear, and the usual treatment proves entirely unavailing against this latter agonizing disorder. The origin of this malady is indigestion or dyspepsia, and a small quantity of the proper medicine will remove the disease if taken in its incipient stage. It is most important that the disease should be promptly and properly treated in its first stages, when a little medicine will effect a cure and even when it has obtained a strong hold the correct remedy should be persevered in until every vestige of the disease is eradicated, until the appetite has returned, and the digestive organs restored to a healthy condition. The surest and most effectual remedy for this distressing complaint is "Seigel's Curative Syrup,"

a vegetable preparation sold by all Chemists and Medicine Vendors throughout the world, and by the proprietors, A. J. White Limited, 17, Faringdon Road, London, E. C. This Syrup strikes at the very foundation of the disease, and drives it, root and branch, out of the system.

Market Place, Pocklington, York, October 2nd, 1882.

Sir,—Being a sufferer for years with dyspepsia in all its worst forms, and after spending pounds in medicines, I was at last persuaded to try Mother Seigel's Curative Syrup, and am thankful to say have derived more benefit from it than any other medicine I ever took, and would advise any one suffering from the same complaint to give it a trial, the results they would soon find out for themselves. If you like to make use of this testimonial you are quite at liberty to do so.

Yours respectfully, (Signed) R. TENNER.

Seigel's Operating Pills are the best family physic that has ever been discovered. They cleanse the bowels from all irritating substances, and leave them in a healthy condition. They cure costiveness.

Hensingham, Whitehaven, Oct. 16th, '82. Mr. A. J. White—Dear Sir,—I was for some time afflicted with piles, and it was advised to give Mother Seigel's Syrup a trial, which I did. I am now happy to state that it has restored me to complete health.—I remain, yours respectfully, (Signed) JOHN H. LIGHTFOOT. 15th August, 1883.

Preston, Sept. 21st 1883. My Dear Sir,—Your Syrup and Pills are still very popular with my customers, many saying they are the best family medicines possible.

The other day a customer came for two bottles of Syrup and said "Mother Seigel" had saved the life of his wife, and he added, "one of these bottles I am sending fifteen miles away to a friend who is very ill. I have much faith in it."

The sale keeps up wonderfully, in fact, one would fancy almost that the people were beginning to breakfast, dine, and sup on Mother Seigel's Syrup, the demand is so constant and the satisfaction so great.—I am dear Sir, yours faithfully, (Signed) W. BOWKER. To A. J. White, Esq. 567 1y

Dear Sir,—I write to tell you that Mr. Henry Hillier, of Yatesburg, Wills, informs me that he suffered from a severe form of indigestion for upwards of four years, and took no end of doctor's medicine without the slightest benefit, and declares Mother Seigel's Syrup which he got from me has saved his life. Yours truly, (Signed) N. WEBB.

A Horse! a Horse! My Kingdom for a Horse.—King Richard.

The Fast Trotting Stallion

VENTURE

RECORD. 2:27 1/4.

Having purchased this celebrated Stallion from MR. JAMES CAMPBELL, I hereby notify the public that he will stand the present season at my headquarters, corner of Punchbowl and Queen Streets (Captain Clancy's). Terms for the season, \$50; to insure, \$100.

Description. Venture is a rich chestnut color, 16 hands high, and weighs about 1,100 lbs. In structure he is the picture of great muscular power, and in appearance, temperament and disposition, he is faultless. Full of fire and gentleness, he is without speck or blemish. As a stock horse he is having extraordinary success; his numerous progeny, both in California and in this country, attest this fact, several of them being able to trot low down, and one of his daughters (Venus) can trot in 2:25. Venus is also the dam of Transit, which is said to be the most promising two-year-old in California. He trotted a mile last season, as a yearling, in 2:45.

Pedigree.

Venture, chestnut horse, foaled in 1833, bred by Henry Williamson, Esq., Oakland, California; by Belmont, he by American boy, he by Seagull, he by Imported Expedition. 1st dam, Miss Moxey, by American Boy, Jr. 2nd dam, by Kenner's Gray Meloc. 3rd dam, Imported Lady Moxey, by Teniers. 4th dam, Invaded, by Wisker. 5th dam, Helen, by Hambletonian. 6th dam, Susan, by Overton. 7th dam, Drowsy, by Droop. 8th dam, by Old England. 9th dam, by Cullen Arabian. 10th dam, Miss Cotte, by Cade. 11th dam, Miss Mabel, son of Greyhound. Belmont, by American Boy. 1st dam, Imported Prunella, by Comus. 2nd dam, by Partisan. 3rd dam, Pawn, by Trampator. 4th dam, Prunella, by Highflyer. 5th dam, Promise, by Snap. 6th dam, Julia, by Blank. 7th dam, Spectator's dam, by Partner. 8th dam, Bonny Lass, by Bay Bolton. 9th dam, by Danvers Arabian. 10th dam, by Beyerly Turk. 11th dam, by Tippet's Barb. 12th dam, by Place's White Turk. 13th dam, Satural Barb Mare.

In offering the services of this horse to the public I make one claim for him, which is that he is the highest bred trotting stallion in the world, living or dead, and in support of this claim I am willing to submit it to any authority that can be obtained, and if he is not, then I will forfeit all my claims to horse knowledge. It will be seen that his pedigree represents a union of the purest blood of the English and American thoroughbred racer, one of his grand dams, as also one of his great grand dams, being imported from England to the United States. When Venture was on the turf, about eight years ago, he was at that time the sensational horse of the Pacific Coast, and the sporting papers in the East, that were always so much opposed to running blood in the trotter, commenced picking away at his pedigree, in support of a strictly thoroughbred horse to trot as fast as he was then trotting; but at last they had to give up and admitted the fact that he was a strictly thoroughbred horse, but declared him a phenomenon, and were unable to account for his great speed at the trotting gait. But the fame of his sire, old Belmont, is almost world-wide, and it is a well-known fact his blood nicked better with the trotting families than that of any other thoroughbred horse ever known, as, in addition to Venture, two other thoroughbred sons of his, Capt. Webster and Owen Dale, were said to have possessed great speed at the trot. Besides these, he sired the dams of Belle Echo, 2:20; Flora Shepherd, 2:30; Monarch, 2:28; Nelly Patchen, 2:27 1/4; Rustic, 2:30; which is a showing that a great many of the best trotting bred horses cannot equal. Mr. Patrick Farrell, who is one of the best experienced drivers on the Pacific Coast, told me the last time that I saw him, that Venture was the fastest trotter that he ever pulled a line over, and that if his temper had not been soured in his youth by bad handling, he believed that he would have equaled, if not surpassed, all the records ever made, and that he could show a two-minute gait with him to a wagon, but in company he would become wild, on account of his hot blood, and was often beaten by horses that could hardly run as fast as he could trot. His record of 2:27 1/4, which is no measure of his speed, was made at the Oakland track in 1877, in a race which he won, beating Alexander, Gus, General Reno and Billy Hayward, this being his last public performance.

It is thought by some people that an aged horse is not as good a producer as a young one, but no greater mistake could possibly be made. Indeed, the opposite is claimed by many large breeders, and instances are so numerous of horses siring their best foals at an advanced age that the above theory has long ago been exploded. Imported Diomed was twenty-seven years old when he sired Sir Archy, his best son; Bonnie Scotland, who died only a few years ago, sired Luke Blackburn and George Kinney, by far the best of his get, after he was twenty-five; Imported Leanington sired Troopols, his best son, the last year that he lived, at twenty-five. Among trotters may be mentioned Volunteer, the sire of St. Julien, who is thirty-one years old this spring, and is said to be as lively and vigorous as he ever was, and his young foals as promising as any that he ever got. Old Hamiltonian died in March, 1876, aged twenty-seven years, but sired two foals in the last days of his life, and one of them, called Hamiltonian's last, made a trotting record of 2:25 1/4 the past season, and the other one is said to be equally as fast.

With these facts before us, it is plain that the age of a horse has nothing to do with his success as a sire. I think myself that there is a great deal in the condition of a horse is kept, for an animal that is well-fed and cared for, with plenty of exercise, will beget better foals than one that is turned loose and never stabled or fed grain.

Venture is twenty-two years old this spring, and with the care that I intend to give him, I expect him to sire better foals than he ever has before. He is a remarkably sure breeder. Mr. Campbell assures me that he has never bred a mare to him yet that did not produce a foal, and his many beautiful colts, now on Mr. C's ranch, are worth a long journey to see; and now as he is to be kept so convenient to the general public, no one owning a good mare should be so blind to their own interest as to neglect the opportunity of obtaining his blood while they have the chance.

For any additional particulars apply at Punchbowl and Queen streets.

United Carriage Co.

PLEASE take notice that the UNITED CARRIAGE CO. (Telephone 290), having been re-organized, wish respectfully to inform Tourists and the public generally, that in order to compete with another firm who prohibits other hacks but their own from soliciting patronage at the Hotel, they have found it necessary to unite more strongly, and have selected from about 250 hacks now running in Honolulu, a number of first-class teams, which in addition to the teams we already have make the UNITED CARRIAGE CO. the strongest in Honolulu. Most of the drivers in this company, who by hard work and perseverance have become owners of the teams they drive, have agreed to conform to certain rules deemed necessary by the managers for the protection of Tourists and the public against overcharging, incivility, &c. Two very important rules governing the drivers of the UNITED CARRIAGE CO. are Rule No. 1, that expels any driver from the company who willfully charges more than the legitimate rate of fare; Rule No. 2, compels any of our drivers to respond to a Telephone call whether it be a Ten Cent or a Ten Dollar fare. Thus it can be seen that the object of the company is to supply the public with good teams driven by good, reliable men, who will do their best to give satisfaction, and hope by so doing to merit a share of public patronage. All complaints left at our office, in the shape of a note directed to the managers of the UNITED CARRIAGE CO., will receive prompt attention.
