VENTURE.

THIS fast trotting stallion has been
withdrawn from training and will
now be kept for stock purposes exclu-
sively. He has shown as much speed as
ever and had it not been for an acci-
dent which befell him a few days be-
fore the race, he being dead lame on the
11th, we think that he would have given
the gang a hard tussle for the money.
He is now all right again, and is being
regularly jogged at the track, and can
show close to a 2:30 clip at any time
that he is called upon. This kind of
treatment has been found by long ex-
perience to be the right plan to adopt
with a stallion, as by it he is not only a
strier foal-getter, but also he will
transmit a greater amount of speed,
energy and vigor to his offspring. This
plan is now the rule in all of the large
breeding establishments everywhere.
To parties owning good mares this is
an opportunity that should not be ne-
glected, for Venture, with his fine breed-
ing and great speed, I consider the most
desirable stock horse in the country.
Mr. Campbell tells me that of all of the
horses that he has imported to this coun-
try, which is probably a dozen or more,
he likes his colts by Venture better than
any of them, which is surely proof
enough of his qualities as a stock-getter.
Mares will be taken to the Park and
returned free of charge. For any addi-
tional particulars apply to corner of
Punchbowl and Queen Streets.
