Insurance,

WHY THE
Equitable Life

Assurance Society

of the United States is the Best Com-
pany with which to Assure.

I.—Because of its Safety.

Its surplus is larger than that of any
other assurance company.

II.—Because of its Promptness.

Of 1,043 death claims paid in 1885,
nearly one-half were paid the very day
proofs were received; while of the re-
minder, the majority were paid within
the following three days. No other
company can show such a record.

III.—Because of its Liberality and
Reforms.

All policies are INCONTTESTABLE after
three years. All incontestable policies
are payable immediately upon receipt
of proofs of death. The Society's
policy contract is clear and simple, and
liberal in its conditions. Its Non-for-
feiting Tontine (or Semi-Tontine) policy
affords all the ultimate benefits of the
full Tontine, and has during its earlier
years the surrender value and other
material advantages of ordinary life
policies.

IV.—Profit.

No other company is paying on its
policies, as large profits as are shown
under the Equitable's matured Tontine
policies with fifteen-year periods. Per-
sons desiring assurance may obtain
estimates of the probable results of
similar policies, and of policies with
twenty-year terms, which are expected
to show even larger profits.

V.—Prospective Advantages.

The unexampled progress of the
Equitable in the past is the best guaran-
tee of the increasing future value of
assurance with the Equitable.
