LOCAL & GENERAL NEWS.

A SOUTHERLY breeze prevailed yesterday and the atmosphere was salubrious. FIRST concert of the Campobello concert company, Royal Hawaiian Opera House, to-night. THE coal that came by the barkentine Uncle John, Saturday, has been purchased by Irwin & Co. THE foreign jury will require to be in attendance at the Supreme Court on Wednesday morning at 10 o'clock. A HOLE is worn through a wooden culvert crossing the main road, on the hill, a little beyond the What Cheer house.

THE substantial stone fence being constructed around the land at Kalia, intended for the Kamehameha School, is extending its length.

COL. Curtis P. Iaukea, Collector-General of Customs, has our thanks for a printed copy of his annual report for the year ending Dec. 31, 1885.

SEVERAL natives have squatted on the new government lands at the dumps, where they have built a hut of old matting and odd pieces of boards.

FAVORABLE reports are received from quarantine of the two cases of smallpox among the Chinese brought by the S. S. Rio de Janeiro, and there are no new cases as yet.

MR. Theo. Severin, for Mr. J. Williams, photographed the sailors of H. B. M. S. Satellite this morning on board ship, and to-morrow he will take a picture of the crew of the Heroine.

THE month is nearing its end, and with it the time for purchasing furniture and upholstered goods at cost prices from C. E. Williams. Those who do not wish to be too late, had better hurry up.

MR. John Bowler and Mr. McDonald each won a turkey at the shooting gallery on Saturday. The prize shooting stands Fisher 24, W. King 23, and C. K. Miller 22, as the three highest for the three prizes.

AN oil painting of the conflagration, showing King street enveloped in flames and the beginning of the destruction of the Bethel Church, was on view at Thurms Saturday night, and when the radiance of two burners were thrown on it the effect was very vivid.

A BRILLIANT scene was witnessed at the Hawaiian Hotel, on Saturday night. The verandahs were thronged with guests, visitors from the steamer, and citizens. The Band played a fine programme, and the building was gorgeously decked with a many-sided and variously colored array of Chinese lanterns.

CAPTAIN McGregor, of the schooner Manuokawai, which arrived this morning, reports heavy rains at Koolau yesterday morning, with light N.W. winds. The rice crop is looking good and cutting will begin in

about 6 weeks. The wells lately bored at Lale are flowing, and the Mormons have fair indication of large crops.

MR. T. S. Douglas, on retiring from the secretaryship of the Hawaiian Carriage Company, on Saturday, was presented by Mr. W. W. Wright, foreman of the works, on behalf of the employees, with a handsome gold ring and a fine pair of gold sleeve buttons. The presentation was accompanied by a verbal address complimentary to the retiring secretary.

THE Oceanic Steamship Company will shortly resume regular fortnightly service between Honolulu and San Francisco, commencing, if possible, on the 15th of next month. The only contingency that may possibly delay the commencement to the following month, is the repairs to steamers not being completed by the date just named. The intermediate steamer will come midway between the Australian Mail Steamers.

THE first settlement of claims arising from the great fire of the 18th inst., was made last week by the Fireman's Fund Insurance Co., of San Francisco, through its agents, Messrs. Bishop & Co., with Messrs. Chulan & Co. This company has already established a reputation for prompt settlements, and the increase of its capital to \$1,000,000, effected on the 1st inst., should entitle it to the confidence of insurers, while placing it second to none in the field.

WE had a visit, this morning, from Mr. H. G. Parker, professor of English Literature in Trinity College, Toronto, Canada, and correspondent of the "Mail," one of the leading newspapers of the Dominion. Mr. Parker is also an accomplished elocutionist and reciter, and may be expected to appear before a Honolulu audience, after a few days, with recitations from Shakespeare and other selections. A recital was given by him before the State University in San Francisco, on the 17th, where he is said by the "Post" to have "held his audience in perfect sympathy with the characters and his faithful interpretation and dramatic spirit." The gentleman is on his way to Australia, China and India, and his impressions of Honolulu are, so far, decidedly favorable.

S. M. CARTER & Co., have received some good charcoal from the Island of Hawaii. 94 1m

RELIEF. The relief committee is now dispensing about 400 meals per day, at the Immigration depot, to sufferers by the late fire. Of this number, some 370 are to Chinese, and the remainder to natives. About 50 persons are lodging at the depot. Mr. Austin is taking particular pains to prevent imposition, and no relief is given except to those giving references. Mr. F. W. Damon is rendering valuable assistance, his knowledge of the Chinese character and language making him an excellent medium of communication between the authorities and the applicants. The fund would otherwise have suffered considerably from being drawn upon by false pretences.

THE MARAROA—ARRIVAL AND DEPARTURE.

The arrival and departure of the Mararoa, Saturday evening, was an occasion of more than usual interest. Among the arrivals were the long-looked for Campobello troupe, together with several persons of note, from the leading cities of the United States and Canada. The steamer had a large list of passengers in transit. During the nine hours she lay at the dock, the passengers made the best of their short visit, taking in the city, of which there is happily enough left in good presentable condition to occupy the attention of travellers for more than one afternoon. Among those who spent the evening on shore, was Dr. Kirkwood, of Pictou, N. S., Canada. The doctor and several of the residents of the city were mutually astonished and gratified with the opportunity of

renewing home acquaintance, on the coral strand, six thousand miles away from the "Land of the Mayflower." Mr. H. G. Parker, Professor of English Literature, Trinity College, Toronto, and correspondent of the Toronto Mail, stops off for next steamer. Mr. Parker will do the city in the meantime, and Honolulu may expect a first-class write-up in the "queen city" of the Canadians. Conspicuous among the departures from our shores was Capt. W. F. O'Connor, formerly of the Queen's Own. A detachment of that body which has been raised by Capt. O'Connor's energetic instructions to a very high point of efficiency, marched down to the wharf, drew up in line in front of the captain, when Lieutenants Kaneakua and Keola stepped forward and presented their former commander and instructor with a splendid cane of cocconut wood, with gold mounting, inscribed, "Presented to Capt. W. F. O'Connor, by the Queen's Own Volunteers, H. I., April, 1886." Capt. O'Connor acknowledged the presentation in suitable terms, and the company, giving him three rousing cheers, withdrew. A large number of people were at the dock to give their alohas to departing friends. Mr. Wm. Noble, whose five weeks' visit made a large addition to his list of friends, received many good wishes for a pleasant voyage, a successful Australian campaign and a safe return. The genial T. E. Wall, of Yosemite skating rink fame, received many hearty handshakings from his numerous friends. At about half-past twelve, the whistle of the steamer gave the first screech, warning visitors that it was time to get away home. The second and third screeches followed in due course, and the Mararoa moved off from the dock, carrying with her many pleasant memories of Hawaii, and leaving behind equally pleasant recollections in the minds of citizens of many hours of agreeable social intercourse, with those who had come and gone.

THE BASEBALL MATCH.

Notwithstanding the presence of a foreign steamship, just arrived, in port, a large number of residents assembled at the Makiki recreation grounds on Saturday afternoon, to see the match between the Benedict and the Hawaii baseball clubs. Professor Berger had the Royal Hawaiian Band stationed in front of his house, adjoining the grounds, presenting players and spectators with a delightful programme. The match was a closely contested one, the fortunes of the day shifting markedly twice, finally leaving the Hawaii three behind in the score, which was—Benedict 22, Hawaii 19. Had some of the latter club not been unnecessarily venturesome between bases, apart from their fielding being less skilful than that of their opponents, they would have come out at least even. Mr. Gardner Wilder was umpire of the game, and Mr. H. S. Davidson scorer. There were a good many disputes for the umpire to settle, but his decisions were generally accepted as fair. There is some doubt, however, as to whether he was right in giving Parker, of the Benedict, first base in the fourth innings, when, as alleged by the Hawaii, Parker pushed the basekeeper out of his way and out of the way of catching the ball. The Benedict team was Lishman, C. Wilder, F. Winter, C. T. Wilder, Spencer, R. Parker, Winter, John Dowsett and B. Judd; the Hawaii, Kahai, Bright, Desha, Kahai, Auld, Moehonua, Morton, Kala and Holck. The Benedict secured first bat.

Lishman was caught out on third strike; Parker, struck out on first base; Winter effected a run, partly on error; C. T. Wilder made a first base hit, stole 2nd and 3rd, home on error; Spencer made a 1st base hit, and arrived home on his successor's hit; Ch. Wilder scored in the same manner; Judd made his base, but was left there by Dowsett being caught out. Score 4.

The Hawaii failed to score, Kahai and Bright being put out at 1st base, and Kahai caught out on a foul, leaving Desha on 2nd base. In the second innings, Fr. Winter went out at 1st base, Lishman made 2nd and scored, Parker and C. T. Wilder were caught out on fouls, leaving Winter on base. Score 1; total 5.

Auld, of the Hawaii, took 1st b. on balls, and scored on hits of successors; Moehonua made a run the same way; Morton was dropped by three strikes; Kala made a run in due course; Holck, 2nd base hit and finally home; Kahai reached 2nd in two stages; Bright was caught out; Desha made a 1st b. hit, but was left on 2nd by Kahai going out. Score 4. C. T. Wilder made the only score in the Benedict's 3rd innings, Judd making a first base, but Spencer, Ch. Wilder and Dowsett being swiftly extinguished. Score 1, total 6. Auld and Moehonua each made 1st b. hits and home, for Hawaii; Morton made 2nd b., but recklessly sacrificed himself at 3rd; Kala and Holck scored in succession, followed by Kahai, with a 3 b. hit and home

on error; Bright and Desha caught out closed a brilliant innings. Score 5, total 9.

In the 4th innings Fr. Winter and Parker scored; Lishman, Winter and Spencer were caught out, leaving C. T. Wilder on 2nd base. Score 2, total 8.

Kahai began for the Hawaii by being caught out; Auld scored, also Moehonua, who made a 2 b. hit, and Morton; Kala went out on strikes and Holck on 3rd base. Score 3, total 12.

Fifth, Ch. Wilder was put out stealing a base; Judd, Dowsett, Fr. Winter, Lishman and Parker, from 1 b. hits achieving runs; Winter and C. T. Wilder caught out in succession. Score 5, total 13.

Hawaii made 3 by Kahai, Bright and Desha; Auld was struck down at 1st, Moehonua at 3rd, and Holck being caught out, Kahai, Morton and Kala were left on bases. Score 3, total 15.

Spencer and Ch. Wilder, the latter making a 3 base hit, scored for the Benedict in the sixth, Judd, Dowsett and Lishman being put out, leaving Fr. Winter on base. Desha, left field of the Hawaii, had the misfortune to have his finger split with the ball, and a stripling named Halemama, a very active little fellow, took his place. Score 2, total 15.

Hawaii made 3 this time—by Kahai, Halemama and Kahai, Desha's little sub. astonishing everybody with a 2 baser. Bright, Auld and Morton were put out, leaving Moehonua on base. Score 3, total 18.

Benedict made 3 in the seventh—by Lishman, Winter and C. T. Wilder, the latter making a 2 b hit. Spencer also made a 2 baser, but was left on 3rd, with Ch. Wilder on 2nd, by Judd and Dowsett going out, Parker having gone earlier. Score 3, total 18.

Hawaii was again whitewashed, Kala being caught out afeld, Holck put out at 2nd, Bright at first, leaving Kahai on base. This made the score even.

Eighth, Fr. Winter made the only run for the Benedict, Lishman, Winter and C. T. Wilder being caught out on hits. Score 1, total 19.

Hawaii was a third time whitewashed, Halemama and Kahai being put out stealing bases, and Moehonua caught out, leaving Auld, who made a 3 b. hit, on base.

The last innings created intense interest, as the chances were all but even. When Spencer, who led off for the Benedict, was put out on 1st, it looked blue for that club. However, Ch. Wilder, Judd and Dowsett scored in succession, with 2, 3 and 1 basers. Fr. Winter and Parker were put out on 1st, leaving Lishman on 3rd. Score 3, grand total 22.

Hawaii began very discouragingly to its friends, Morton going out on 1st base and Kala on strikes. Holck made a 2 b. hit, coming home on a similar one by Kahai, who stole 3rd, but was left there by Bright's sudden extinction. Score 1, grand total 19.
