People Who Write

on typewriters marvel that busy business men still cling to the pen process. The business man using a typewriter would not voluntarily return to the old method, because he can turn off more work, of a better quality, and with less effort on his machine.

The Man Who Never Used a Typewriter

believes the task of learning to write a difficult and hopeless one. Try Others have learned; you can. Your first attempt will probably reveal the fact that you do faster work with the pen. That's quite natural; you are just learning. Your next trial will surprise you. Your fingers go to the right keys instinctively. It becomes easier and you will then begin to realize the usefulness and benefit of a typewriter.

CHOICE OF A TYPEWRITER

will either make or mar your writing happiness. For the business man desiring a machine, that combines speed, durability, does perfect work, and lastly, has the easiest keyboard to learn, buy the

SEQUAH

WHEREAS, MR. L. BEICKE of 54 Merchant Street, and well-known in Honolulu, did complain, before a large audience on Monday night last in the old Armory, on the corner of Beretania and Punchbowl Streets, that Rheumatism had been torturing him for the past 30 years, Mr. Beicke stated that he had tried everything he knew of to obtain relief but all ended in failure, SEQUAH upon being applied to, immediately suggested that the Rheumatism had been in possession quite long enough, and proceeded to give it notice to quit by applying the SEQUAH OIL to the parts afflicted and in the presence of a number of gentlemen from the audience relieved the sufferer from his torture; and, WHEREAS, the said Mr. Beicke, previous to the treatment, could not walk without the aid of a stout stick, is now to be seen about town as lively as a kitten, feeling as pleased as a dog with two tails. Others besides the above have received the same wonderful relief—and SEQUAH'S fame is spreading far and near.

Cripples with Rheumatism are now pouring into the old Armory every evening, where SEQUAH lectures at 7:30. All invited. Seats provided. National Band in attendance. Admission free.

SEQUAH attends at the old Armory each day at 3 o'clock for sale of his Remedies and to receive persons who wish to undergo his treatment.

BOARD OF EDUCATION.

Long Summer Vacation Declared— Changes of Teachers

At a meeting of the Board of Education yesterday it was decided to have a longer summer vacation than usual. It will extend from July 3 to September 9.

The matter of schools for Chinese was brought forward on representations from the Hawaiian Board of Missions that it would not be able to maintain the existing schools for Chinese when assistance from the public treasury ceases, as it must under a provision of the Constitution on December 31 of this year. A committee was formed to take the matter under consideration. It is estimated that there are something like 300 Chinese children of school age in Honolulu, of which only about 160 attend school. And out of this number there are only 38 girls. Chinese are averse to sending their girls to school. Some of the girls are held as slaves—just think of such a thing in this enlightened city! Others, belonging to the aristocratic class, are detained at home to be subjected to the barbarous custom of foot-crushing, from which a death is reported to have recently occurred.

It was decided by the Board to open a new English school at Kawaiahaeo, in place of the native school long in existence there. Miss Rhoda Green will be the teacher. Another new English school will replace the native school at Kaunakakai. The old native teacher will be provided for by appointment as a transit officer. Miss Lizzie Gentry will have charge of this school. Her place at Kanihiki will be taken by Mrs. Isabella Coughton.

Miss Cutler has resigned the school at Waiakoa, the other side of this island. She will be succeeded by Charles L. King, a half-white who has graduated from the normal school at Oswego, New York, and comes home highly recommended by his preceptors at that institution. He is to have an assistant whose appointment has not been announced.

It is contemplated to have drawing taught in public schools of Honolulu next year.

JUDICIALY NOTINGS

Cheong Hoy by his attorney, W. C. Achi, has filed a discontinuance of his bill against Chin Wo Co. to dissolve partnership.

Judge Cooper has granted the discharge of W. H. Bard, assignee of Tong Hing, bankrupt.

A Great Dictionary

Funk & Wagnalls, the well-known New York publishers, have issued "A Standard Dictionary of the English Language," and Mr. Evans, representing the San Francisco agency, is taking orders for the work in Honolulu. It is a work right up to the times, containing definitions of the nomenclature of the most recent inventions, as well as thousands of new words that have become sanctioned by common usage. The work is encyclopedic in its scope, giving exhaustive information on hundreds of important subjects. It also contains very full lists of synonyms, which will prove of incalculable advantage to both students and professional writers. Mr. Evans can be found, as elsewhere announced, through the post office.

"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colts as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remedy is taken and reasonable care exercised. For sale by all dealers. Benson, Smith & Co., agents for the Hawaiian Islands.
