SAUNDERS WILL NOT RESIGN.

His Trip to Washington in the Interest of New Customs Regulations.

TACOMA, Wash., May 28.—Deputy Collector of Customs Henry Drum says positively that Collector Saunders is not going to resign and that he was not called to Washington to make an explanation, but asked permission of the department to go East and confer with the treasury officials. His particular purpose is to endeavor to secure a revision of the customs regulations, the present regulations, which were promulgated in 1792, when the customs service was established, being obsolete in many particulars, though some amendments to them have been made. The need of revision has been emphasized here by the large growth of the Asiatic trade.

A Japanese Consulate at Tacoma.

TACOMA, Wash., May 28.—A letter received from Yokohama by the Chamber of Commerce here contains the information that a Japanese consulate will soon be established at Tacoma. An appropriation of \$18,000 has been made by the Japanese Government for the purpose. The appointment of a consul is expected to be made in the immediate future. This will place Tacoma on an equal footing with San Francisco so far as diplomatic connection with Japan is concerned, as there is no other consulate on the coast north of San Francisco.

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,

MRS. AUG. DARROW.

MONROSE, PA., Sept. 25, 1894.

Perfectly Wretched!
