

Blood Diseases,

When the blood is diseased and the system Anemic or Scrofulous, it carries sickness through the whole body, for the current of human life is in the blood. This proves how necessary it is to have pure rich blood, because an impoverished condition of it brings on Fevers, Malaria, Rheumatism, Bowel Complaints, Lung Scrofula, General Debility, etc.

Wampole's Preparation, perfected and tasteless, of Cod Liver Oil with Compound Syrup of Hypophosphites, Extracts of Malt and Wild Cherry Bark, resists the attacks of all disease germs in the blood, is highly recommended as the best modern treatment to clear your system and to bring back robust health and strength. Is really a family medicine chest.

Quarantine at San Francisco—New Rules May Affect the Australia.

The brigantine John D. Spreckels arrived yesterday morning from the Hawaiian islands and dropped anchor within the quarantine lines to obey the rules which the new quarantine officer, Dr. Chalmers, is trying to enforce. She had to wait there an hour, however, for Dr. Chalmers was not notified of her arrival at the proper time. The captain of the Spreckels did not lose his wrath when he dropped into the stream, and felt very bitter for being delayed. No one seemed to know where to lay the blame.

The foregoing from the San Francisco Chronicle of August 18 would indicate that there are stricter quarantine rules at that port now, hence the chances are the greater that the Australia would have been quarantined on arrival.
