

Valuable Copper Mine.

An old copper mine at Redding, Cal., which was bought for \$350,000, is being reopened at a cost in wages of \$50,000 a month. It is said that a million of dollars will be spent before a ton of ore is extracted. Smelting works are being erected, and a ten-mile narrow gauge railroad has been built connecting the mine with the California and Oregon Railroad. Coke from England is to be used for smelting, and the copper matter is to be sent to Swansea, where the component parts will be separated. This will form an important item in the shipping trade of San Francisco.

"Well, sir," said the physician, after examining his patient, "you have a very serious complaint, but I cure it in two cases out of five." "But, doctor," replied the sick man, "have you lost the three out of the class I'd go in?"

William A. Shaw of Philadelphia, who has just returned from a trip abroad, secured while away the portrait of George Washington, supposed to be by Stuart, which was discovered on the Isle of Man in 1891.

Bass—Did you hear what old Sinnick said about you?
Cass—No, I don't know as I care to hear it.
Bass—Possibly not; but then think what a pleasure it would be to see to tell it!

Miss Occident—Men who live on a ranch out West have to be very light on their feet. Miss Orient—Yes; I've heard that many of them have to dance on nothing.

Matron of the School—You know the rules; why did you let that young man kiss your hand?
Prospective S. G. G.—Please, ma'am, I—I had a—cold sore, you know.—Truth.

"He is good natured, is he?"
"Good natured? Why, I have known that man to wear a smiling face when he was speaking of taking off a porous plaster."—Boston Courier.

Several years ago Miss Kate Field lectured throughout the Eastern States on California wines, advocating their more extended use.

Bicyclers are likely to get out, scraped, sprained, bruised, or some way hurt. No matter which, an application of Redding's Russia Salve will take away the smart and pain, and cure the trouble in a hurry. Thousands of wheelmen never go on the road without it. Why should you? 25 cents buys it of any druggist. Handy box for your pocket. Hollister Drug Co., Agts.

Yales' La Freckla

is Mme. Yale's infallible cure of Freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely. The fairer and more delicate the skin, the more likely it is to freckle and the worse it will look after it is freckled. Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles. The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and hurtful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.
