POST MORTEM PRAISE.

Mrs Bishop was a noble woman, as everybody who knows aught of her life declares. The writer is just mahini enough to have been in this country but barely in time to write a description of her funeral and a eulogy upon her character from the evidence that was abundant enough at her death.

living philanthropist of chiefly birth who dared to be an Esther or an Elizabeth is treated with contumely? Ex-Queen Liliuokalani chose to be her own executor in works of charity and benevolence. She is really poor today although, had she waited for death to bestow her worldly goods in heavenly ways, she might have been rich.

A Merry Christmas To All Honolulu!

Your old friend, "SANTA CLAUS" received a very cordial invitation from the Business Manager of the "Time's" Christmas Number to add his note to the Kindergarten Fund by purchasing a column of space, for which opportunity he is only too grateful.

Who pays for the 60 mile ride by rail? Why, I do of course! And who pays me? Why, the people who go will pay me \$1.25 for each round trip ticket, and I will give each ticket a check for a FREE XMAS LUNCH.

Who pays for the 60 mile ride by rail? Why, I do of course! And who pays me? Why, the people who go will pay me \$1.25 for each round trip ticket, and I will give each ticket a check for a FREE XMAS LUNCH.

Surely, no one will accuse me of "begging," either for myself or the Church; I simply ask them to a treat to themselves and their loved ones to a delightful outing, and in blessing themselves, they will also help a worthy cause.

Train will leave the Honolulu Station for Waianae Christmas morning at 9:15 and return at 3:30 P. M. Round trip ticket and lunch check, \$1.75. Be good to yourselves and come along.
