Highest of all in Leavening Power.—Latest U. S. Gov't Report.

Royal Baking Powder ABSOLUTELY PURE

hubs are machined down from a solid bar of tool steel and bored by the finest and most accurate of automatic machinery. It is a beautiful and interesting process to all visitors to our factory, and the results are so superior to the ordinary methods of utilizing lap brazed sheet steel, sections of tubing, and other cost reducing makeshifts, that we would be glad to discard it if we were making a few bicycles in connection with some other business, but we must sustain our reputation for the highest grade of workmanship. No bicycle can be better than a WAVERLEY and our one

PACIFIC HARDWARE CO., L'd

Among the thousand and one useful articles handled by us, we desire to make special mention of the

Secretary Disc Plow

which has won so flattering a name for itself throughout

the United States and Canada and is now being introduced here.

This plow is the plow "par excellence" for breaking and cultivating ground. It will do the work of three ordinary plows.

Another specialty is our immense variety of fine PICTURE MOULDINGS of which we have just received a new lot. WE FRAME PICTURES at Eastern prices. Planters should bear in mind that our VACUUM OILS are the best made and are winning their way into the graces of every engineer who uses them. SLACK & BROWN-LOW'S FILTERS, the improved household filters, have met with so kind a reception that, although in use for twenty years, there has never been a complaint made by the purchaser.

PACIFIC HARDWARE CO., LTD, FORT STREET, TEL. 16.
